### Publisher's Note

The Publisher would like to announce the retirement of Prof. Kazunari Domen from the *Catalysis Today* Board of Editors.

Prof. Domen joined the board in August 2005, taking responsibility for editing a number of special issues for the Journal. He was also instrumental in increasing the Journal's presence, particularly in Asia.

We would like to thank Prof. Domen sincerely for his contribution to *Catalysis Today* over the last three years, in terms of both editorial work and advising the development of the Journal. We look forward to continuing our collaboration with Prof. Domen as an editorial board member of the Journal.
