Corrigendum

Corrigendum to “The alkylation of naphthalene over three-dimensional large pore zeolites: The influence of zeolite structure and alkylating agent on the selectivity for dialkylnaphthalenes” [Catal. Today 132 (2008) 27–37]

Yoshihiro Sugi^{*}, Hiroyoshi Maekawa, Yukio Hasegawa, Hiroaki Naiki,
Kenichi Komura, Yoshihiro Kubota¹

Available online 28 October 2008

The author regrets that in the published article above, there was an error in the Experimental section.

On page 28, on line 15 of paragraph “2.2. The alkylation of NP”, the description: “TC-17 (25 m × 0.25 mm; Agilent Technologies)” should be “TC-17 (25 m × 0.25 mm; GL Sciences)”.
