Erratum

Solid superacid catalysis: kinetics of butane isomerization catalyzed by a sulfated oxide containing iron, manganese, and zirconium, A.S. Zarkalis, C.-Y. Hsu and B.C. Gates, Catal. Lett. 29 (1994) 235.

Equation (2) on page 236 has been incorrectly printed. This equation should read:

$$r = \frac{kK_n^2(P_{n\text{-butane}}^2 - K_i^2 P_{\text{isobutane}}^2 / K_n^2 K_{eq})}{(1 + K_n P_{n\text{-butane}} + K_i P_{\text{isobutane}})^2} \ . \tag{2}$$
