

CONGRESSUS

Belgium**2nd international symposium on quantitative mass spectrometry in life sciences***13-16 June 1978, Rijksuniversiteit Gent*

Write to: Prof. Dr A. De Leenheer, Symposium Chairman, Laboratoria voor Medische Biochemie en Klinische Analyse, De Pintelaan 135, B-9000 Gent, Belgium.

Italy**International symposium of 'pharmacological modulation of steroid action'***(Satellite symposium of the 7th intern. congress of pharmacology) in Turin, 23-25 July 1978*

The symposium is intended to provide a forum for an up to date discussion of views on the mode of action of steroids and factors which interfere with their activity. The official speakers are selected by the organizing committee E.E. Banlieu, Paris, E. Genazzini, Turin, E.V. Jensen, Chicago, L. Martini, Milan, R. Paoletti, Milan. Voluntary contributions are welcome.

Further information by the scientific secretary: Dr Francesco Di Carlo, Institute of Pharmacology, University of Turin, Corso Raffaello 30, I-10125 Torino, Italy.

Italy**3rd international symposium of cytopharmacology***in Venice, 10-14 July 1978*

This symposium will be dedicated to 'Neurotoxins and their use as tools in neurobiology'. For further information write to B. Ceccarelli, C. N. R. Center of Cytopharmacology, Institute of Pharmacology of Milano, via Vanvitelli 32, I-20129 Milano, Italy.

PRAEMIA

Ruzicka-Price 1978

Every year, a price from the Ruzicka-Price-Fund is awarded to a young research worker for an outstanding work in the field of general chemistry already published and achieved in Switzerland or by a Swiss scientist abroad. Proposals for candidates may be submitted before June 30th, 1978, to the President of the Board of the Swiss Federal Institute of Technology, ETH-Zentrum, CH-8092 Zurich.

Instructions to authors

Experientia is published on the 15th of every month and can be obtained in any country through booksellers or from the publishers. All communications to the editors should be addressed to the publishers. All manuscripts for publication in a given number must be in the hands of the editors 3 months before publication.

Articles of general scientific interest: briefly stated and hitherto unpublished original reports of sufficient novelty value.

Text should not exceed 2-3 typewritten pages (50-60 lines). 1-2 relevant figures or tables. English summary of maximum 4 lines. Abbreviations should be properly explained. References should be numbered consecutively and be presented on a separate page. Name and address have to be placed directly under the title. Linguistically inadequate manuscripts will be returned. Manuscripts in languages other than English should be supplemented by an English translation of the title. Footnotes should be avoided.

Figures Illustrations should be separate from the text, with the author's name on the back in soft pencil. The desired labelling should be shown on a second set of figures, which will be used as a model for inscriptions. Drawings for reproductions should be on good paper in Indian ink, photographs should be supplied as glossy positive prints.

The illustrations should be at least one and a half times as large as the definitive size desired. Over-large figures can be easily damaged in the mail. Captions should be self-explanatory, without reference to the text.

Tables should be provided with a title and with self-explanatory captions.

Headings In submitting their manuscript to *Experientia*, authors are requested to indicate one of the headings mentioned below, under which they would wish to place their short communication:

1. Mathematics and Physics; 2. Cosmology, Astronautics, Cosmonautics; 3. Mineralogy, Geophysics, Oceanography; 4. Inorganic and Physical Chemistry; 5. Organic Chemistry; 6. Biophysics; 7. Molecular Biology, Cellular Biology; 8. Genetics; 9. Botany; 10. Zoology; 11. Ecology; 12. Biochemistry (analytic and synthetic); 13. Biochemistry (Enzymes, Metabolism); 14. Physiology; 15. Neurology; 16. Pharmacology, Toxicology, Pathology; 17. Experimental Gerontology; 18. Anatomy, Histology, Cytology, Histochemistry; 19. Embryology; 20. Endocrinology; 21. Circulation, Cardiology, Angiology; 22. Nutrition, Gastroenterology; 23. Hematology, Serology; 24. Immunology, Allergy; 25. Microbiology, Parasitology, Chemical Therapeutics; 26. Oncology, Carcinology, Cytostatics; 27. Radiology.

Reprints The authors receive 50 reprints, without cover, free of charge. Price-list for further reprints is available.
