

## PRAEMIA

**Gabor Szasz-Prize for clinical enzymology 1983**

The Deutsche Gesellschaft für Klinische Chemie awards the second Gabor Szasz-prize in 1983.

This prize – worth DM 10,000 – is donated by the Deutsche Gesellschaft für Klinische Chemie e. V. in honor of the late Gabor Szasz for outstanding advances in the field of clinical enzymology with special bearing on methodologi-

cal, or theoretical progresses. Application for the prize in 1983 must be accompanied by scientific papers published or accepted for publication in the period 1981 and 1982.

Applications should reach the secretary of the prize-committee till November 1st 1982 in 3 copies. In case of more than one author, please state applicant(s).

Secretary: Prof. Dr G. Gundlach, Biochemisches Institut der Justus Liebig-Universität, Friedrichstrasse 24, D-63 Giessen, Federal Republic of Germany.

## CONGRESSUS

## USA

**14th Miles international symposium**

*Baltimore, Maryland, 7–9 June 1982*

This symposium of the Johns Hopkins Medical Institutions on 'Cell fusion' will cover the following parts:

- haploid cell fusion (fertilization);
- protoplast (plant and bacterial) fusion;
- hybridomas;
- cell fusion other than hybridomas;
- plant cell fusion;
- monoclonal antibodies.

For information please contact: Dr Edward G. Bassett, Miles Laboratories, Inc., P.O. Box 40, Elkhart, Indiana 46515, USA.

## Romania

**2nd international conference on water and ions in biological systems**

*Bucharest, 6–11 September 1982*

This conference is organized by the UNESCO and the Romanian Biophysiological Society. The aim of the conference is to promote interdisciplinary research on biophysics, biochemistry, and biology, for a better understanding of the basic processes in living systems. The program includes symposia, plenary lectures and poster sessions.

For further information please contact: Prof. V. Vasilescu, President of the Romanian Biophysical Society, c/o Union of Medical Societies, str. Progresului no. 10, R-70754 Bucharest, Romania.

**Instructions to authors**

**Experientia** is published on the 15th of every month and can be obtained in any country through booksellers or from the publishers. All communications to the editors should be addressed to the publishers. All manuscripts for publication in a given number must be in the hands of the editors 3 months before publication.

**Articles** of general scientific interest, of interdisciplinary character: briefly stated and hitherto unpublished original reports of sufficient novelty value. In no case will papers of preliminary nature be accepted.

**Experiments** Papers in which animal experiments have been conducted without using the appropriate anaesthesia will not be accepted.

**Manuscripts** (including all figures and tables) must be submitted in English and in triplicate.

**Text** should not exceed 2–3 typewritten pages (50–60 lines). 1–2 relevant figures or tables. Summary of maximum 4 lines. Abbreviations should be properly explained. References should be numbered consecutively and be presented on a separate page. Name and address have to be placed directly under the title. Linguistically inadequate manuscripts will be returned. Footnotes should be avoided.

**Figures** Illustrations should be separate from the text, with the author's name on the back in soft pencil. The desired labelling should be shown on a second set of figures, which will be used as a

model for inscriptions. Drawings for reproductions should be on good paper in Indian ink. photographs should be supplied as glossy positive prints. The illustrations should be at least one and a half times as large as the definitive size desired. Over-large figures can be easily damaged in the mail. Captions should be selfexplanatory, without reference to the text.

**Tables** should be provided with a title and with selfexplanatory captions.

**Headings** In submitting their manuscript to *Experientia*, authors are requested to indicate one of the headings mentioned below, under which they would wish to place their short communication:

1. Mathematics and Physics; 2. Cosmology, Astronautics, Cosmonautics; 3. Mineralogy, Geophysics, Oceanography; 4. Inorganic and Physical Chemistry; 5. Organic Chemistry; 6. Biophysics; 7. Molecular Biology, Cellular Biology; 8. Genetics; 9. Botany; 10. Zoology; 11. Ecology; 12. Biochemistry (analytic and synthetic); 13. Biochemistry (Enzymes, Metabolism); 14. Physiology; 15. Neurology; 16. Pharmacology, Toxicology, Pathology; 17. Experimental Gerontology; 18. Anatomy, Histology, Cytology, Histochemistry; 19. Embryology; 20. Endocrinology; 21. Circulation, Cardiology, Angiology; 22. Nutrition, Gastroenterology; 23. Hematology, Serology; 24. Immunology, Allergy; 25. Microbiology, Parasitology, Chemical Therapeutics; 26. Oncology, Carcinology, Cytostatics; 27. Radiology.

**Reprints** The authors receive 50 reprints, without cover, free of charge. Price-list for further reprints is available.
