

ERRATA

Volume 58, Number 1, February, 1958

Page 55: Reference 17 should read as follows:

BOON, W. R.: *J. Chem. Soc.* **1949**, Suppl. 1, 230.

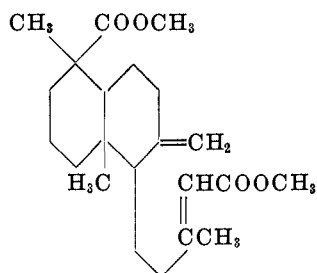

Volume 58, Number 3, June, 1958

Page 458: The following reference, containing material pertinent to the oxidation of phenols (p. 440), should be added to those cited on p. 458.

BARTON, D. H. R., AND COHEN, T.: *Festschrift Arthur Stoll*, Birkhäuser A.-G., Basel, Switzerland (1957).

Volume 58, Number 5, October, 1958

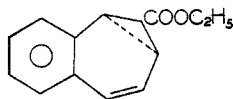

Page 930: Structure XXIII should be

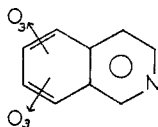

Page 939: In the fifth line from the bottom of the page the material in parentheses should read thus:

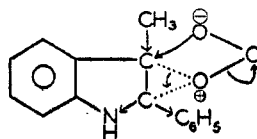

Page 965: Structure CCLXXVIII should be

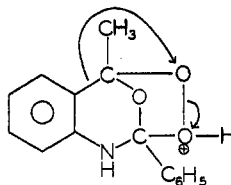

Page 970: Structure CCCXIV should be

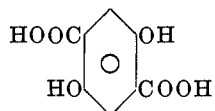

Page 974: Structure CCCXLI should be

Structure CCCXLVII should be

Page 975: Structure CCCLVI should be

Page 976: In formula CCCLIXa $G = \text{NC}_6\text{H}_5$.

Page 993, line 6: Change "ozonolysis" to "hydrolysis."

Page 1009: The last part of reference 572 should read as follows:

"Advances in Chem. Ser. **21**, 572 (1958)."
