

Erratum

Towards a molecular understanding of arthritis

Lisa A Flugge, Lynne A Miller-Deist and Peter A Petillo

Chemistry & Biology June 1999, 6:R157–R166

The correct Figure 7 was inadvertently omitted from this paper. Figures 7 and 8 are correctly reprinted below.

Figure 7

The purine degradation pathway, showing the generation of ROS (boxed).

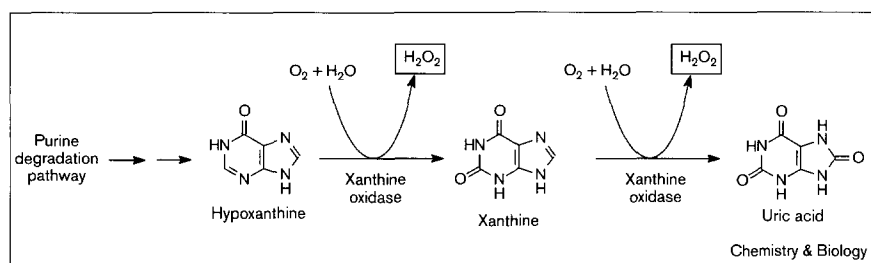

Figure 8

The myeloperoxidase pathway showing the generation of ROS.
