

MIRON ONUFRIEVICH LOZINSKII
ON THE OCCASION OF HIS SEVENTY-FIFTH JUBILEE

On August 22, 2008 Professor Miron Onufrievich Lozinskii, Dr. Chem., a member of the Board of Editors of this journal and a Director of the Institute of Organic Chemistry of the National Academy of Sciences, Ukraine, celebrates his 75-year-old anniversary.

Prof. Lozinskii is one of the leading organic chemists of Ukraine, working in the field of heterocyclic chemistry, synthesis of biologically-active compounds, studies on structure-activity relationships, the development and introduction of new pharmaceuticals into the practice of public health services. He is noted for his untiring efforts. Prof. Lozinskii has published six treatises and textbooks, more than 500 scientific articles, and has more than 300 inventor's certificates and patents. He is the Editor-in-Chief of the *Journal of Organic and Pharmaceutical Chemistry* (Ukraine), the assistant Editor-in-Chief of the *Ukrainian Chemical Journal*, a member of the editorial board of a number of other journals as well as an unflagging organizer of scientific conferences.

The editors of this Journal heartily congratulate the hero of an anniversary on his birthday. We wish him long life, full of creative researches, implementation of plans, talented followers and the invariable continued support of his colleagues, happiness, and sound health.
