W. William Yu, Lianhua Qu, Wenzhuo Guo, and Xiaogang Peng*: Experimental Determination of the Extinction Coefficient of CdTe, CdSe and CdS Nanocrystals.

The x -axis labels for the middle panel (extinction coefficient for CdSe nanocrystals vs size of the nanocrystals) in Figure 4 published in the original article (*Chem. Mater.* **2003**, *15* (14), 2854–2860) were mislabeled. The corrected Figure 4 is provided below. The authors sincerely apologize for the mistake.
