

ERRATUM

In the Books Received section of the July 1999 issue of *Classical Philology* (94.3), Roberta Stewart's book, *Public Office in Early Rome: Ritual Procedure and Political Practice*, was listed with a publication date of 1999. The publication date should have been listed as 1998.

In the April 2001 issue (96.2), 1999 was again given as the publication date of *Public Office in Early Rome*, this time in the heading of a review of the book by Andrew Lintott. In a paragraph discussing the introduction to Professor Stewart's book, Dr. Lintott noted that there had been "no mention of Stephen Oakley's *A Commentary on Livy Books VI–X* (the first volume of which had already appeared in 1997), which is not only helpful for the interpretation of particular passages but has an exhaustive discussion of the annalistic tradition."

In view of the fact that *Public Office in Early Rome* was published in 1998, not in 1999, Stephen Oakley's volume would not have been available to Professor Stewart at the time when she was preparing the book for press. The editors of *Classical Philology* regret these errors and apologize to Professor Stewart for them.
