**Erratum: "The Structures of  $s^2$  Metal Complexes in the Ground and  $sp$  Excited States" by Arnd Vogler and Hans Nikol**

(Comments Inorg. Chem. **14**, 4, 245–261 (1993))

The caption to Fig. 6 on page 252 (see below) is in error:

FIGURE 6 Qualitative MO-scheme of an octahedral complex ( $O_h$ ) and its distortion to a trigonal bipyramidal structure ( $C_{3v}$ );  $\pi$ -orbitals of the ligands are omitted.

The corrected caption should read as follows:

FIGURE 6 Qualitative MO-scheme of an octahedral complex ( $O_h$ ) and its distortion to a trigonally distorted octahedral structure ( $C_{3v}$ );  $\pi$ -orbitals of the ligands are omitted.
