

ERRATA

“Cyanato—copper(II) complexes with nitrogen organic ligands: preparation, properties and structure”, by J. Kohout, M. Hvastijová and J. Gažo, *Coord. Chem. Rev.*, 27 (1978) 141—172.

p. 143, line 5 from the bottom: Therefore the choice . . . etc. should read However, owing to the σ -donor orbital distribution [7], the choice . . . etc.

p. 159, the number labelling the structure formula below line 5 should read (70).
