

Item of Interest to Coordination Chemists

1985 Biennial Inorganic Chemistry Symposium: *The Chemistry of Excited States and Reactive Intermediates*

The dates for this Symposium have been changed. The Symposium will begin with an evening reception on Thursday June 6th and terminate on Sunday June 9th 1985.

The keynote speakers include: Adamson, Bancroft, Beauchamp, Clark (R.J.H.), Endicott, Ford, Gray, Gudel, McClendon, Ozin, Schmidtke, Vanquickenborne, Vogler, Weaver, Trogler, Solomon, Zink, McCreery, and Faulkner.

Other details were presented in Coord. Chem. Rev., 55 (1984) 287.

For a registration brochure, write to: A.B.P. Lever, BICS85, Dept. of Chemistry, York University, Downsview, Ontario, Canada M3J 1P3.
