

ERRATUM

Equation 8 that appeared on page 1920 of the article, "States of Water Associated with Solids" (Vol.14, No.14, 1988), by George Zografi contains an unfortunate typographical error.

The equation appeared as follows:

$$\frac{1}{T_g} = \frac{1}{T_{g1}} - w_2 \left\{ \frac{(T_{g1} T_{g2})}{(T_{g1} + T_{g2})} \right\}$$

The correct equation is:

$$\frac{1}{T_g} = \frac{1}{T_{g1}} - w_2 \left\{ \frac{(T_{g2} - T_{g1})}{(T_{g1} T_{g2})} \right\}$$
