

Publisher's note
Temporary Editorial change

Due to ill health, Professor Brian Glover will not be able to carry out his active editorial role for Dyes and Pigments until further notice. During his recovery period, Professor Stephen Burkinshaw, the previous editor of Dyes and Pigments, has agreed to stand in as an editor for the necessary time. We are very appreciative of Professor Burkinshaw's willingness to temporarily accept the editorial responsibility.

Professor Burkinshaw will handle the papers that were sent to Professor Glover and are still in the reviewing process. Until further notice, please submit new papers to Professor Kim or Professor Burkinshaw:

Professor S.M. Burkinshaw

Address: Dean of the Faculty of Performance, Visual Arts and Communications, Leeds University, LS2 9JT, UK

E-mail: s.m.burkinshaw@leeds.ac.uk

Tel.: +44 113 233 3722

Fax: +44 113 233 3704

or

Professor S.-H. Kim

Address: Kyungpook National University, Department of Dyeing and Finishing, Taegu 702-701, Korea

Tel.: +82 53 950 5641

Fax: +82 53 950 6617

E-mail: shokim@knu.ac.kr

We are convinced that Professor Burkinshaw, with his prior editorial experience, will be able to handle the process perfectly.

We look forward to welcoming back Professor Glover as soon as possible and wish him a speedy recovery.

Dr. Anouschka Zwart
