

## Erratum

On the contents page of *Endocrine* December 1994 the final entry beginning on p 1169 should have read:

**Colocalization of PACAP, but not of VIP, with oxytocin in the hypothalamic magnocellular neurons of colchicine treated and pituitary stalk sectioned rats**

K. Köves, J.T. Görcs & A. Arimura

**1169**

We apologize for any inconvenience this has caused to the authors of this paper or the paper incorrectly placed on the contents page.
