JANE'S NIGHT OUT

My wife Jane has a beautiful mouth and there is nothing better than to see it sucking my cock. She is very good at this and enjoys it just as much as I do, especially when I push her vibrator up inside her as she licks my balls and runs her tongue right up to the tip of my shaft.

She really does give the best blow-job ever and

it's so horny to come all over her face and in her sexy mouth and watch as she licks the spunk from round her mouth.

Jane and I are both open minded about sex and occasionally have other partners without any ill feelings whatsoever. Recently Jane told me about her latest partner Dave. They met in our local

pub when Jane was out with her girlfriends. After a few drinks Jane asked Dave to dance. She whispered to Dave that she wanted to go out to the car park. Dave said yes but was worried they would be seen. Jane took him outside and over to the darkest part of the car park under some trees. **She stopped and naughtily dropped to her knees and unzipped his flies.** If Dave was worried about getting caught it didn't stop him

pushed his knob between her petals calling her a dirty little fucker. **Her pussy was by now really wet and aching for him to push his cock up her.** He went in with a vengeance and Jane knew she was going to come quickly as she arched her back to take in as much as possible and he speedily shot his load inside her. Jane then bent over and put her hand between her legs and started to wank herself into another climax. When she finished she sucked her fingers clean and fell to her knees to suck his limp cock back into life. As soon as this was done she lay down and pushed her arse into the air and begged to be fucked long and hard.

I have sent in some photos of Jane showing her doing the other thing she likes best – flaunting herself in front of the camera. S.N., Southampton

getting hard. Jane knows how to flick her tongue around a shaft to get any man's spunk to come surging up into her mouth.

Soon Dave pulled her to her feet and pushed her up against the tree with her back to him, Jane always comes quickly anyway she's such a horny bitch, but **the danger of discovery had got her so hot that she was soon moaning and shaking with her first climax.** Dave pulled her knickers down and she squealed with delight as he

I would like to tell you about something that happened while my girlfriend and I were on holiday in France last month.

As you can see from the photos, Deb is a bit of a

exhibitionist and she got really hot and wet when I took the photos of her sprawled over the rocks. **She was acting like a real slut wearing just a black PVC bra and a black see through wrap** (until that came off as well!) whilst rubbing suntan oil into her tits and pussy in front of me and the small crowd that

had gathered on top of the cliff behind her.

When they had all gone, Deb called me over and then pulled down my shorts and **she gave me the best blow job I have ever had. So it wasn't long before I was pumping her mouth full of my hot come.** And then she just laid back as if nothing had happened.

Hope you like these photos of Lorraine who is both my wife and mistress. She is 33 yrs old and her measurements are 36-23-

can hold back no longer.

It would make my wife very proud if you used her photos because before we met she was very shy about her body but since we began reading *Escort* together you can see now that she no longer wishes to hide her body. She's a very randy woman and when she sees these and realises that there are readers out there who will wank over her I'm sure she will pose again and you'll be the first to see them! *M.L., Berks.*

Deep end

I thought I would write and tell you about a party me and my girlfriend have been to recently.

There were only about 12 people there, perhaps being a small group helped, because at about 10 pm when things were really

their fannies as they crossed. No-one complained if stockings were left on!

A whole array of dicks and cunts were now on show, one woman actually had her pussy clean shaven – my eyes couldn't leave it as she danced across. Most were fairly drunk by now, so

getting going, a game called 'in at the deep end', was introduced.

A piece of string was set up between two poles, and any item below the string level was deemed 'wet' and had to be taken off.

At first it was just shoes and socks, as everyone paddled. Then the music would start again and more drink would flow. Ten minutes later off with the music and everyone had to go 'in at the deep end' and walk the length of the string. The women giggling as they held up their skirts, the men with trousers rolled up to their knees. By the time the string reached thigh level most men were minus trousers and the women, being shorter had to flash their knickers as they lifted their skirts to cross.

One woman's skirt was deemed to have dipped into the water, so off it came to a loud cheer. Next the string reached waist height and off came knickers and pants. The men's shirts hiding their dicks after they crossed, the women dropping their skirts back down after flashing

by the time the string was chest height, everyone was half naked – even the women that had been lifting their dresses under their chins each time could not avoid showing their fannies and tits off.

My girlfriend tripped and fell, she was judged totally wet, and to a loud applause took her dress off and had to dance totally naked. For being a good sport, she was given a bottle of wine.

I said to be totally naked she would have to shave off her pussy hair, and to my amazement she agreed and went off with the hostess (who I'd seen with a shaven fanny).

About 15 minutes later the music stopped and the hostess pointed to the stairs and down came my girlfriend – her cunt completely bald, her fanny lips clearly on show. Everyone cheered her down.

That night we had a great fuck at home. It really had been an exciting evening.

The next morning my girlfriend told me the hostess had taken some

photos during her shaving. She also said that the hostess didn't just take photos, but that is another story!

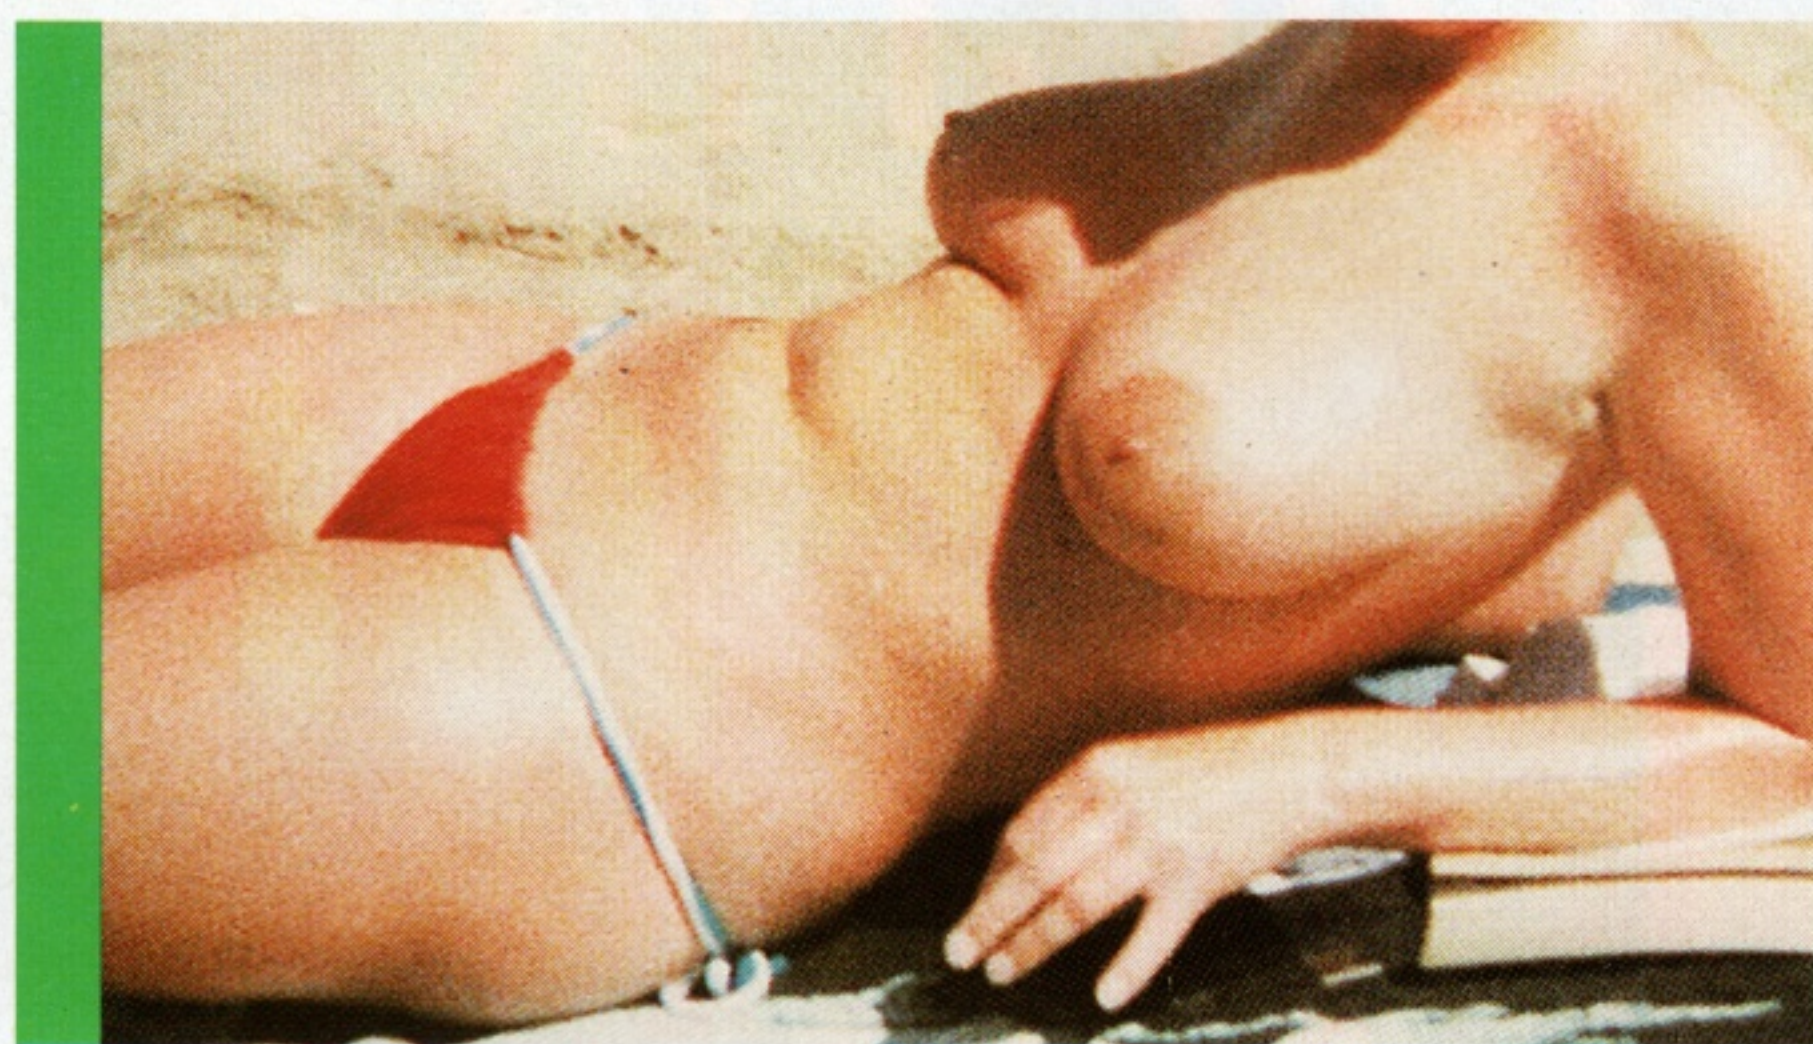

Her fantasy is now to perform for an audience. Just the thought gets her wet between the legs! *B., Notts.*

Sun-stirred

Here are some snaps of my wife, Linda, taken while we were on holiday in Corfu. As you can see it wasn't enough for Linda to go topless like all the other tourists, she wanted to whip everything off and go completely naked in the hot

sun. The only problem was that as soon as my wife bared her cute little pussy, I got a big hard on and kept having to rush into the sea to cool off!

One day I caught Linda playing with her pussy while she sunbathed naked, absentmindedly opening her juicy lips and fingering her clitty. Yes, you know what happened next: my dick was as hard as a stick of Blackpool rock and I desperately needed it to be sucked. Of course this was right out of the question, being right in front of the other bathers, so I just had to flip myself onto my front and grind my willy into the hot sand, all the time

keeping my eye on my wife's progress between her legs. I humped up and down quite unnoticed until suddenly I shot my load into my towel and all over my tanned stomach. It was only then that Linda opened her eyes and said that it hadn't taken me long. She told me that I had better go and have a dip in the water to clean myself off, so that we could go back to the hotel and have a proper screw. And all that time I thought my pretty wife had been frigging herself off in her sleep! *I., Lancs.*

"Jenny measures 34-24-36, she's 30 and flirty, and two of her best features are her amazing erect nipples. NO HITCH

We have a number of parties at the house where we live (the tenants are six males and four females). To stock up for these parties we travel to the continent to pick up the plonk. We pile it all into a van and haste back home.

On one occasion whilst I was driving with my mate Graham, we met a pretty German girl named Dee. She was travelling to England to become a *au-pair*. Once inside the van

fitting t-shirt. Before long her hands were moving over her crotch and her talk was getting sexier. It was becoming hard to concentrate on driving. **To make matters worst Dee lifted her t-shirt to expose a large pair of sun-tanned boobs, which even out of the corner of my eye looked very enticing.**

Graham was very aware of this and before long they were snogging away. Needless to say I had to

minus his jeans and pants kneeling at her head. His cock was hard and moving towards Dee's eager mouth. Whilst I stripped off to join them I watched as Dee took the head of Graham's cock between her lips. **As she sucked on his purple dome I buried my face into her cunt.** She has very fine hair around a very suckable pair of cunt lips. I was soon tonguing her wet sex lips and fingering her hole.

After a while we all moved round. Dee knelt on all fours, Graham rammed his cock into her gaping cunt and I was fucking her face.

We were pumping away and moaning together as we came. I pulled my cock from her mouth as my spunk splashed Dee's face. Graham pulled out and shot his load over her back and bum cheeks.

We rested a while before changing again. This time I lay down with Dee riding my cock, sucking Graham's tool and squeezing his balls. This went on until our next set of climaxes.

Needless to say, after Dee's great treat for us, we took her all the way to Brighton. Hope you like the photo of her, we've promised to send her a copy of *Escort* when it comes out. *P.R., Dorset*

GONE FISHIN'

I went fishing with my boyfriend for the first time. As he cast his line, I took off my coat exposing my black stockings and suspenders, as he turned around I took out his hard throbbing cock.

I slowly, teasingly licked around his knob. I pushed his mouth down onto my gaping wet cunt.

I could feel his tongue licking me out. He told me to get down on my knees so that he could watch himself fucking me. He rammed hard into me and his balls began to bounce against my arse. He pulled out of me and shot his cum all over my bum and cunt – I don't think his fishing sessions will ever be the same again! *Janey, Hants*

heading for Bournemouth, Dee became very loud-mouthed and in her broken english started talking about sex, hard cocks in particular. Soon I had a hard-on and looking across at Graham I noticed that his denims were bulging.

Dee was wearing a pair of baggy shorts and a loose

pull off the road into a quiet wood.

As soon as the van stopped, Graham and Dee piled out. **By the time I had got out Dee was naked, her sun-tanned body glistening with perspiration.**

She lay on her back on the grass, with Graham

THE GIRL NEXT DOOR

My wife Sami was thrilled when she saw her photos in our great mag (Vol 13 No 6) and she gave me the fuck of my life to say 'thank you' for sending them in.

In the last letter we told you of the fun we have with our neighbours. One afternoon Sami and I thought we would pop over as we were feeling very randy. Sami wore a red satin half-cup bra and deep red suspender belt. She had a narrow black PVC thong just covering her cunt, black seamed stockings and high heeled red shoes. **Sami often tosses me off by rubbing my cock with the rubber inside of the mac and spurting my spunk all over her 38D tits.**

The door was open, so we slipped in and saw Tracey, our neighbour's 22-year-old daughter. "Oh", she said, "I thought it was Bob" (her boyfriend).

Tracey told us that she knew about the sessions we had with her parents and she said she often wondered what happened. So Sami and I invited her to try. **I came up behind Tracey and rubbed my cock between the cheeks of her arse.** She stood up and leaned on the table top as I put my arms around her and squeezed both tits.

Sami put her hand between Tracey's legs and massaged her juicy cunt. She pushed one, then two, then three fingers into Tracey's cunt. I was rub-

bing my cock furiously between Tracey's cheeks and my spunk was aching to come.

Tracey moaned with delight. **Sami knew I wanted Tracey's cunt so she encouraged Tracey onto all fours, opened her dress and found she was wearing a lovely black bra, black suspenders and no panties.**

I put my cock into her tight, juicy cunt and banged away as Sami lay under Tracey and licked her clit. We both came together and she

screamed with delight as she came whilst my spunk squirted into her throbbing, gripping cunt.

Then, we left her, ready for her date with Bob... Ted & Sami, Mddx

Kathy

My wife and I have decided to try to get our pictures published again. We have enclosed some photos of my wife, Kathy, who has appeared in your magazine before. It always excites her to know she is being viewed by millions of your readers. We hope you will

ice I came back to find both men feeling her up and Kathy sucking on their cocks.

It was great, **I instantly got hard as I watched them take her clothes off and begin making love to my wife.** I watched them fuck her in every position possible and one of them shot his cum all over her

print them as it is a tremendous turn on for her.

She loves threesomes and foursomes and loves to have her big tits felt. Her best experience was when we met two blokes at our hotel in Hawaii. She invited them back to our room for drinks, and when I went down the hall to get some

tits and then smeared it all over her chest.

When he did that I walked over to the bed and slipped my cock into her pussy as she sucked on the other guy's cock. It wasn't long before I exploded into her. We must have fucked for about two hours. She couldn't get enough! They left at 4 a.m after giving Kathy the best fucking she had ever had. It was certainly a great Hawaiian holiday!

Kathy, as you can tell, loves to pose for the camera! *J., California.*

Well met

I met a woman in a pub who invited me back to her place. When we got there things quickly progressed to sex. After a while she got up and went through to the bedroom telling me to wait.

When she reappeared she was dressed in a white teddy, suspenders, high heels with shiny stockings and a short fur coat. She said she got a real kick out of dressing up and like to go to charity shops to pick up items for her outfits. She had got a nice silver leather belt and some beads for this one, along with the coat and shoes.

I always carry a camera in the car and asked if she'd let me take some photos. She said yes and put on a silver mask which made her look very sexy and mysterious. After I'd taken some pics including some of them using her vibrator, **I knelt on the bed with her head between my legs and leaning forward parted her cunt lips to lick her wet pussy.** At the same time she took hold of my stiff cock and sucked it greedily, pulling it back towards her mouth. It wasn't long until we both came, my spunk shooting into her mouth as I nibbled her cunt and clitoris. After a short rest she brought me back to life and I ended up screwing her from behind as she lay flat out on the bed and I crouched above her thrusting deep into her wet cunt. *G., Aberdeen.*

PIPING HOT

Last December, my wife was at home for a week whilst the plumbers installed our new central heating system.

On my return from work the first night, she told me that there were two plumbers, John in his early forties, whilst Tim, the other, was about thirty and looked like Mel Gibson! There was also a young lad about eighteen straight from school learning the trade.

That night in bed whilst screwing I related a fantasy

the seed was sown in her mind.

The next day I went to work and during the day had rung home three times without reply. I left work early and arrived home at around 5 o'clock to find my semi-naked wife in a similar position to that in the photos.

She took out my cock, and wanking it she told me what had happened.

She'd dressed in style that morning with black stockings and matching garters and high heels with

to her concerning her being shagged in every position by the two plumbers. She 'came with a bang' and so

just her towelling robe over the top. She'd let them in at 8 o'clock and went into the kitchen to make them tea.

John and the lad were in the hall whilst Mary took the teas into the lounge where Tim was kneeling on the floor.

As she squatted down to place the mug next to him, her wide open legs pulled the robe apart giving him a perfect view of stocking-clad thighs and her hairy wet pantie-less pussy. **He smiled and cupped her mound telling her how slimy and wet it was and how gorgeous she was.** Her legs buckled and she fell back whilst he wriggled out of his trousers and got between her thighs.

She felt for his cock and

motioned for him to come over to the stool in front of the dressing table where she was sitting.

She released his long thin cock and popped him into her mouth, watching his face, as he watched her gobbling him in the dressing table mirror.

He came suddenly and filled her mouth with his sperm. She swallowed, smiled and he left the room zipping himself up.

I came all over her pumping hand at that point, but recovered enough to screw her silly in bed that night. *A.D., Brighton*

SNOWED UP!

as it slid in she let out a cry which attracted the attention of the other two.

John came into the room and said he half expected something like this and, pulling out his cock and kneeling down, helped himself to her mouth which he fucked huffing and puffing until coming with a groan in seconds. She swallowed it all and felt Tim thrusting hard as he too came deep inside her.

She recovered first and slipped into the bedroom. Minutes later there was a knock on the door and in walked the younger lad, red-faced, asking if she was alright.

Mary smiled and

I am a 48-year-old rep for a lingerie company and travel throughout Scotland and I love to pose in our products.

Last winter, whilst on business, I became strand-

ed in snow and it was soon obvious that I was stuck. I accepted a lorry driver's offer (Alec, who was also stranded) to share his cab. Later we were joined by John, a delivery man.

We'd been sitting chatting for hours when I noticed that John had a bulge in his trousers. I

looked at Alec and he too had a bulge and then I realised that my stocking tops were showing.

It was such a turn-on that these two men had hard-ons over me that I just couldn't resist a bit of a tease so I slid down the seat slightly to show even more thigh. **I began to feel extremely horny and I realised that I was soon going to be shafted by someone other than my husband** for the first time in 28 years of marriage. I raised my foot and

placed it on the dashboard and then Alec put his hand on my thigh and gently caressed my bare skin. I

could feel myself getting wet in an instant. **John undid my blouse and hungrily took one of my swollen nipples into his mouth whilst Alec's hand slid down my knickers and started to finger my pussy.**

As our clothes were flung all round the cab I reached down to find two hard, throbbing cocks dying for attention. Hands were caressing me all over and I groaned delightedly. I shuffled round onto all fours and took John's swollen cockhead into my mouth as he gasped with pleasure. Alec took me from behind

GENEROUS GINA

My wife Gina has never had much confidence in her body but since her photos were published in this superb magazine her confidence has gone from strength to strength! She exhibited this new-found strength, amongst other

Her inhibitions faded as her juices soaked through. She eased the crotch of her bottoms to one side and **the lad had a clear view of her fingers sliding in and out of her wet fanny.**

She slowly removed her fingers from her hot, juicy love hole and groaned as she licked them clean. The lad ran to the apartments clutching his crotch.

Gina dashed back to me and recounted the story while I sucked on her throbbing clitty, finally bringing her to a wild orgasm by burying my eager stiffie in her sopping wet fanny. *M.W., North Yorks.*

and **I felt his cock slide into me and then his hands cupped my boobs as he began to thrust in and out of my wet hot fanny.**

John shot his load of warm spunk into my mouth which made me suck harder in excitement. Then with a hard thrust from Alec he whipped out his manhood and came over my back and bum.

We flopped down and went into a blissful sleep. The following morning the snow had cleared and we all went our separate ways. We will probably never see each other again but it is an experience I will never forget! *Mrs M.C., Lanarkshire*

things, whilst on holiday.

While sunbathing by the pool, Gina noticed she was attracting the regular attention of one young man. **He had positioned his sunbed so that he had a clear view up between Gina's legs.**

On our last morning the young man appeared so Gina decided to make his day. She took off her top and slowly massaging some oil onto her tits till her nipples were erect. She moved her hand into her tight bikini bottoms. **She spread her legs wider to ensure the lad got a good view of her hand making its slow rythmic motion under the thin material.**

SHAG OUT

These photos were taken on a weekend away in the Lake District. My boyfriend and I were sat at the bar in a little Bed & Breakfast talking dirty to one another and decided to go for a walk.

As soon as we got into the woods Jimmy undid his

flies and lobbed out his throbbing dick. **Desperate to have him up me I pulled down my jeans and lent over a tree trunk, my juices were really flowing.** Jimmy rammed his cock right up me making me scream. I pulled my cheeks apart and was

getting really wet. My knees were buckling. Jimmy shouted as he was coming so I began to ram backwards onto him. We had huge orgasms together.

We walked back to the Bed & Breakfast, **my jeans were wet from my pussy juices and we went upstairs to carry on...** The whole weekend was brilliant! Hope you like the photos. *Katie, Lancs.*

attention and then I saw why. **She had taken her panties off and was sitting so passers could see her bare cunt.**

Jean then carried on said she was turned on enough to enact her

favourite fantasy and walk nude through a public car-park. I got an instant hard-on as we had often talked about this when we had been fucking and now I knew she meant business.

We soon found the ideal spot, a beautiful sunny car park just off the main road. I couldn't believe this was really going to happen so when I got the camera out of the boot and Jean was sat there with the door open, skirt up and her tits out I nearly spunked in my pants.

I have never seen her looking sexier so before she could change her mind I started snapping away and she got even more daring and walked across the car-park and put her leg up on the bonnet of someone's car so that her pussy was on full view.

I pushed her back on the bonnet and shoved my hard cock up her and she went wild with delight and started to cum at once.

When she had calmed down she asked me to stand up and she grabbed my cock and began to suck me off. The traffic was rac-

ing passed the car-park but we didn't care.

I was about to cum my load when Jean grabbed my arse and nearly swallowed me! It was ecstasy as I did come and we were both grinning like hell.

My name is Anne, I'm 38 years old, and 32-24-34. My husband has been buying *Escort* magazine faithfully for the past two years.

Recently he asked me how I would guarantee keeping my job during the recession. I told him that my boss is a keen photographer and that I thought I would do some nude modelling for him. My husband

IT LOOKS LIKE... IT CAN'T BE!!

HAVE A GO!

These photos are of myself when I posed for my husband Keith and his mate Andy on the kitchen worktop.

Before I had a chance to get down, Andy had

become so excited that he pushed open my legs as far as possible and started working his fingers deep into my pussy.

It wasn't long before my juicy cunt was begging to be fucked, and with Keith watching, Andy thrust his thick, hard cock straight into my aching hole.

Keith, already turned on, had started to wank himself off and then I could hear him telling Andy to give it to me harder and faster. I was loving every second especially knowing that Keith was too.

Just as I was about to reach my peak, Andy beat me to it. A little disappointed as we'd been going so well, Keith lifted me off the worktop, carried me into the lounge and layed me on the floor. Then, turning me over, he finished me off doggy style. It didn't take long, the penetration was fantastic. Keith carried on pumping until once again I was filled with hot thick spunk.

It was one of the best experiences I've had and I'd highly recommend it to anyone who's thinking of having a go! Tina, Middx.

DAWN AGAIN

While devouring the last issue of *Escort* it suddenly occurred to me just how many years has passed since I first had my photo published in *Show Us Yours*. Searching through my entire collection I found it: Vol 1 No 6 page 51.

The memory of those two photos came back in

an instant – I was just eighteen and the photographer was a friend of my parents, who through endless amounts of charm convinced me with the help of generous measures of wine that I had potential to be a model. The black stockings and suspender belt even belonged to his wife –

unbeknown to her of course!

I recall his advice that all top models should have erect excited nipples, expertly easing and teasing my tits from their lacy cups, I offered no

objection, accordingly giving him further confidence to free me of my panties. I remember the sensation I experienced when I felt his warm breath and tongue lap at my pussy, of course he expected this compliment in return hence my first ever 69!

Our affair continued for some years, even after I married. During those years together we amassed a large collection of photos, appearing in subsequent issues of *Escort*, one actually revealing my face...Shock!...Horror!

Feeling sentimental and having no secrets from my second husband I showed him various editions, but sadly I remembered that my all-time favourite copy was missing. The edition in which I graphically described how I committed adultery with an older man, titled, I think, *Dawn's Delight*, any chance of any

readers out there having a copy who like to sell or swop? I would love to read it out loud to my husband whilst impaled on his cock!

In an attempt to bring events up to date I've enclosed a few recent shots thirteen or so years on and despite the years and the children my sexual drive is no less diminished, unlike my first husband, my present one fully understands and encourages my need for other men especially those who appreciate my 38E-26-37 figure.

So *Escort*, make a loyal reader happy and I'll send some more shots – keep up the excellent standards! D.A., Hull

...and we remember begging you to pose for a professional set – the offer still stands! xxjj

MAGGIE MAY...

Although it's a bit late for you to print these in time for my big 21st birthday I would be extremely grateful if you could print them in time for my wife's big 21st. I have thought and thought and the best birthday surprise that I could come up with would be to have a letter and

nises Maggie. She then came over and slid a hand up Maggie's skirt and started to finger her in full view of everyone. Maggie was getting heated so we decided to go back to our place and indulge in a very hot fucking session.

As soon as we got in Maggie was undressing. As she undid her blouse, our new friend Lana was squeezing Maggie's boobs. **As Maggie moaned, I took my cock in hand and began to wank as this was just too much for me.** Lana then moved her head down and took one of

hands between her thighs to feel her soft moist mound.

"I want to taste you" Lana said to Maggie.

She moved her hand down between Maggie's legs and nuzzled into her hot, excited pussy.

I was about to explode so I lifted Lana's skirt, removed her knickers and slid into her. The next five minutes all you could hear was groaning and screaming until we all came in such an explosive manner I thought I'd done an injury! We collapsed with huge smiles on our faces.

YES!!!
It's *Escort's* notorious **WOTS THAT STUFF?**

There can be no mystery about a snap like this! Someone has become overexcited and has spurted on Linda's tit. Knowing her, she will have liked it, but that's not the point. The relationship between models and photographers *must be purely professional*, and by the time the rest of the incriminating evidence turns up on page 82 I intend to find which bloke it was and have it out with him!!

some photos of her sexy body in our favourite mag *Escort*.

My wife's name is Maggie and she was a virgin until she met me and I had my wicked way with her. **Although we have a lot of different fantasies our favourite is for another couple to join us.**

We often imagine that Maggie and I are in a shop picking up the latest copy of *Escort* when a very sexy lady walks in wearing a mini skirt, picks up a copy of *Escort* and flicks through the pages. She then notices my wife on the pages and looking round at us smiles when she recog-

BOB JOB

My husband has taken loads of nude photos of me and we always fuck after. Plus, he always shows these photos to his mate Bob.

Bob is very lovely and I've always wanted to bed him and my husband knows this. One day I decided to let Bob photograph me as he was asking if he could but up until now I have always said no. I didn't tell my husband that I was going round to Bob's and when I got there we had a drink and then I started to strip off. Bob snapped away whilst I took each

lay down and opened my legs as wide as I could and guided his throbbing tool inside me.

Bob sucked my nipples as he entered me and I was screaming with delight.

Bob pumped me harder

The next day having still not told my husband about me and Bob, he came into our bedroom with a whole load of photos of me and Bob fucking which he had just picked up for me from the developers.

I told him everything that

item of clothing off carefully and slowly teasing the hell out of him until I was totally nude.

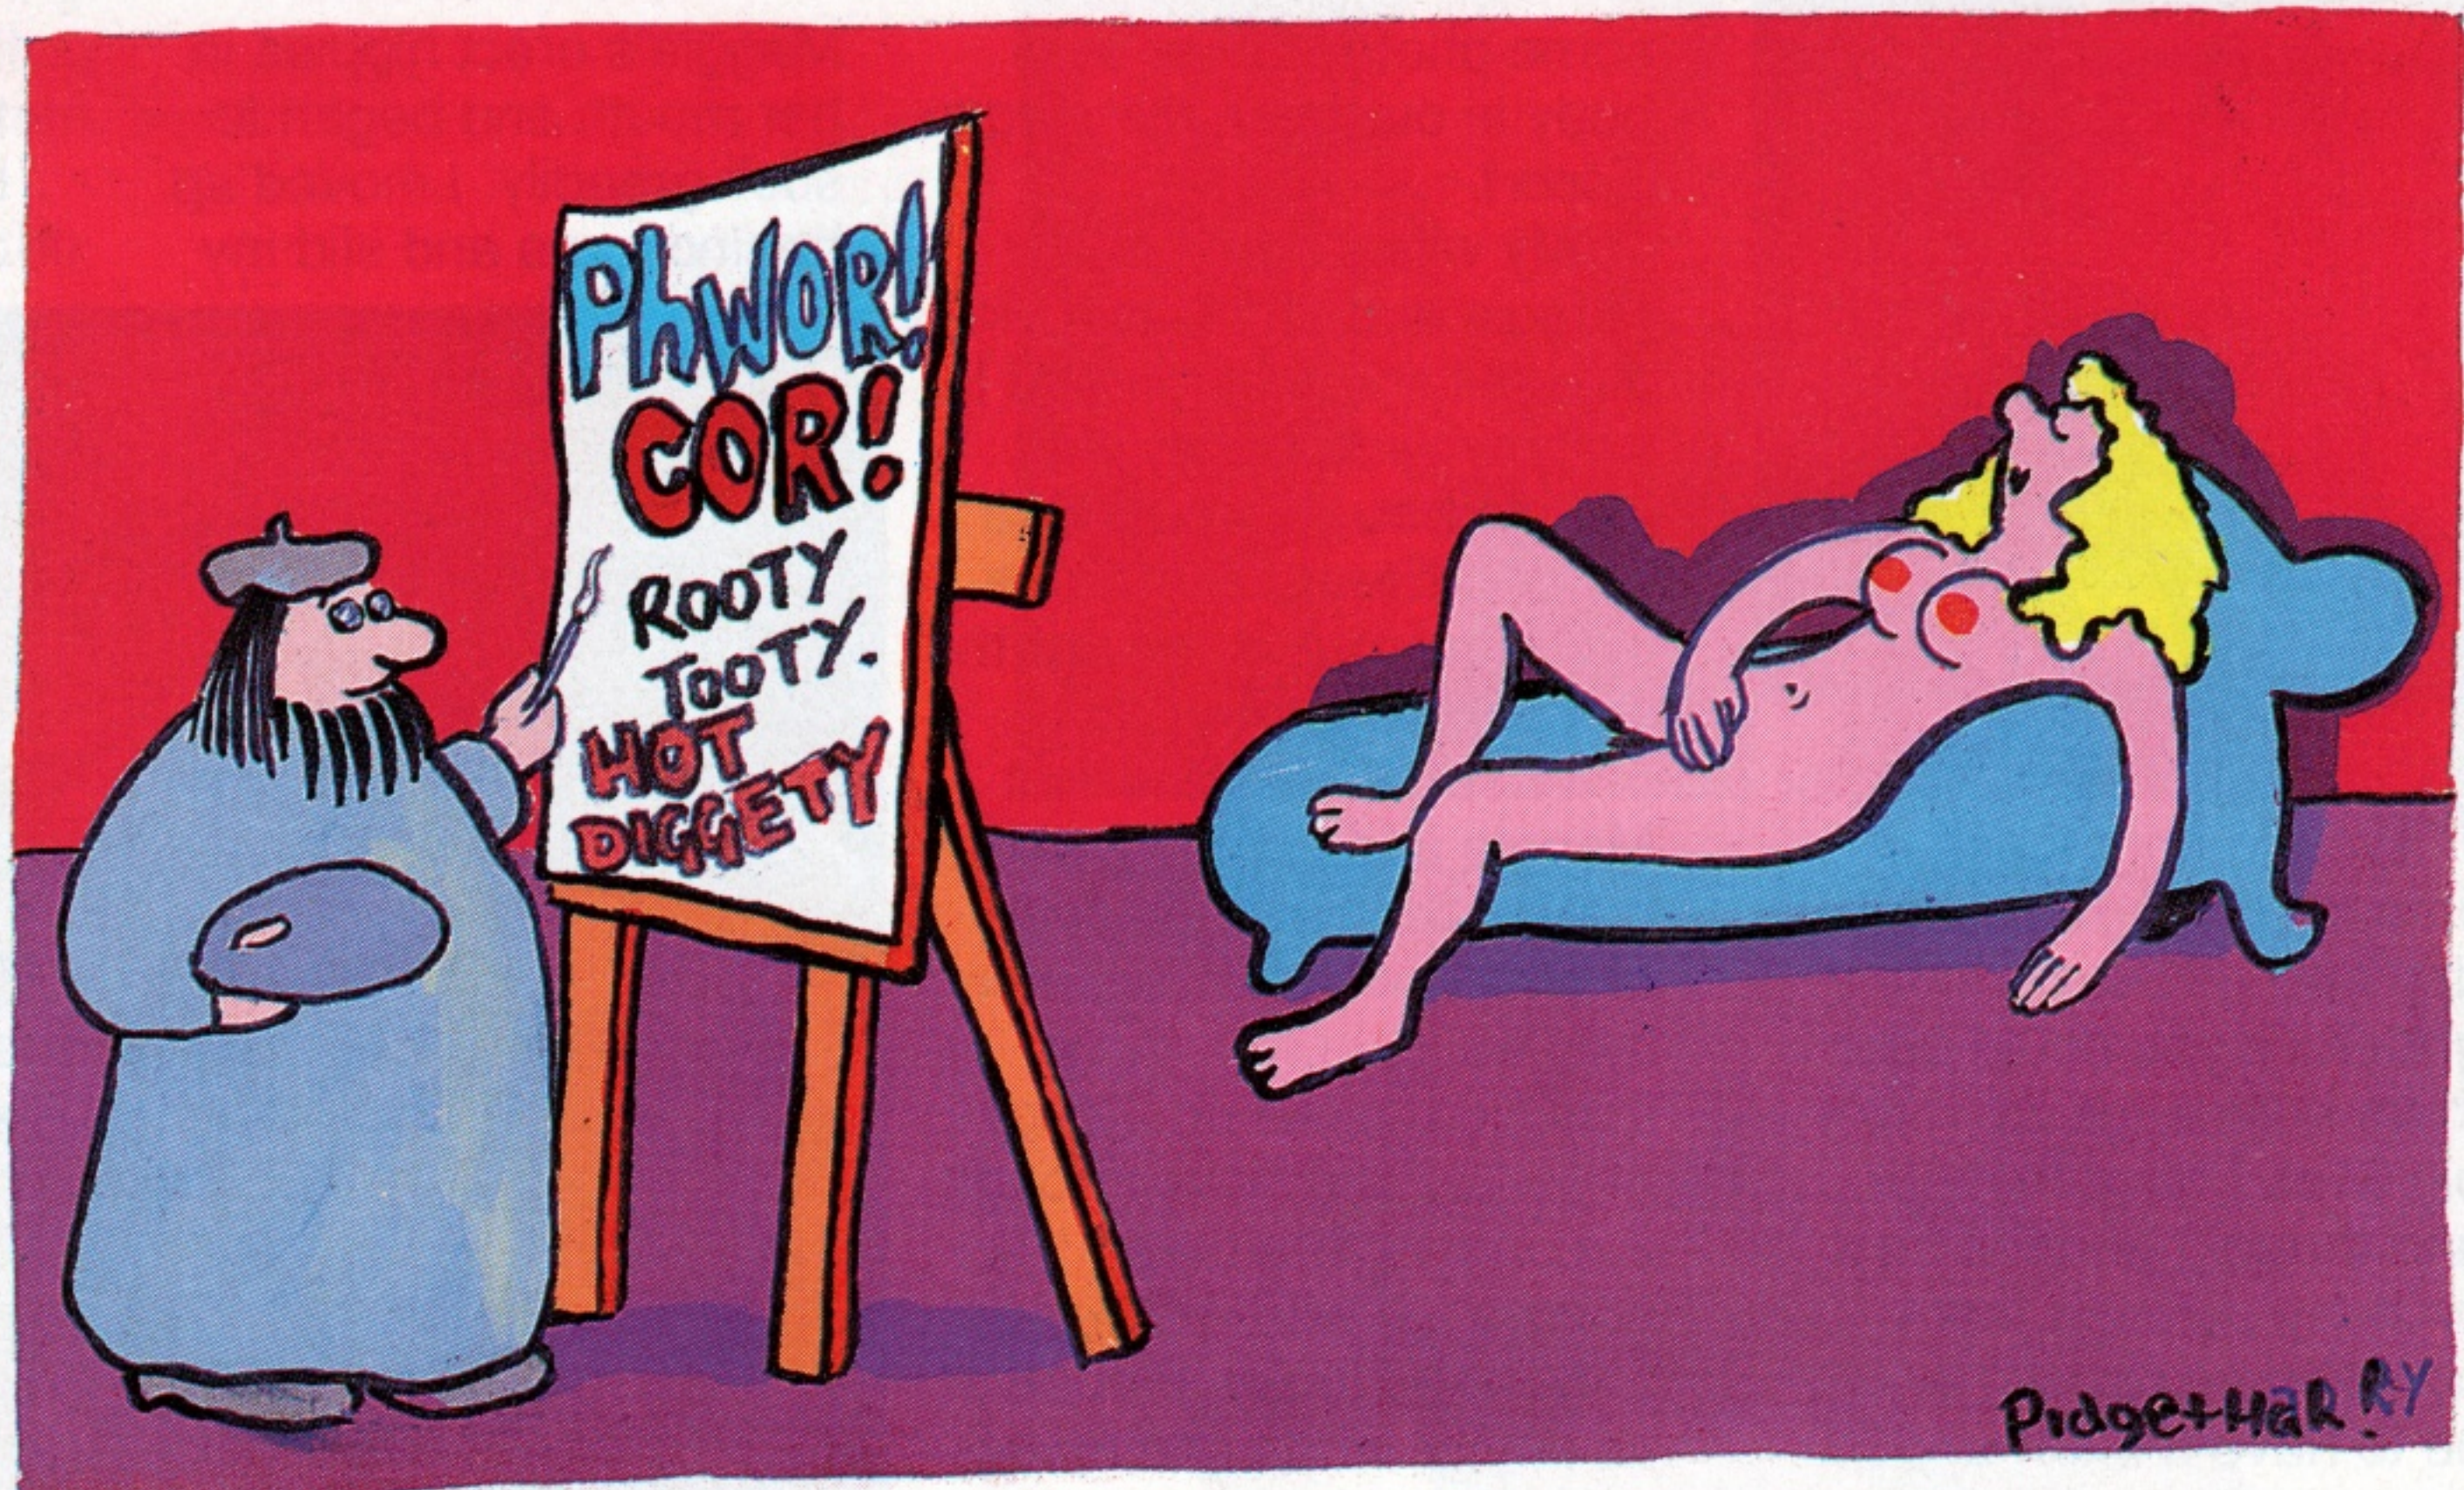

Next I'm on the floor with my legs wide open, rubbing my clit and I noticed a bulge in his trousers and made myself come in front of him.

I told him that he had enough photos so he put the camera away. I walked over to Bob, undid his flies and stooped down so that I could take the length of his cock in my mouth. **He slipped his hand down to my cunt and stroked my clit. "You're so wet. Let me fuck you," he said.**

Letting go of his cock, I

and faster and we both to an almighty climax. Bob rolled off exhausted and I lay there with his spunk dripping out of my fanny. I got dressed and went home, more than ready for a session with my husband.

Bob and I did together and he said that he would love me to do it again so that he could watch. So *Escort*, it seems that soon I will be sending you another letter soon telling you about our threesome! K.W., Norfolk

FILM FUN

This is my girlfriend Emma whose measurements are 38C-25-38. She really enjoys dressing up for our sex sessions. We recently bought a second-hand camcorder and tripod and I suggested that we make our own video.

Emma said we should move to the kitchen as that is one of our favourite places to fuck. By the time everything was set up Emma had taken her bra and knickers off and was standing in just her stockings and suspenders and was playing with herself with a long thin cucumber. I jumped out of my clothes and replaced the cucumber with my tongue. Emma was sitting on the edge of the sink with her legs over my shoulders. The video was running by now. I moved up her body and pushed my prick up her warm wet cunt. I started to move in and out faster but then I

stopped when our next door neighbour knocked on our back door. She was looking in the window and could see us both clearly. Emma motioned for our neighbour to come in. Without saying a word, our neighbour (Sue) took her top off to reveal a large pair of tits which she started to rub into my back. I carried on fucking Emma whilst Sue took off the rest of her clothes. I was just about to come when Sue pulled me out of Emma and stuck my prick in her mouth. She

sucked and wanked me till I came down the back of her throat. Emma then grabbed the end of the cucumber and started fucking Sue with it.

I went round the back of Emma and pushed my hard penis right up her. I started fucking her furiously and couldn't contain myself for long as both girls were moaning and screaming. I pulled out at the last moment and came copiously over both of them.

We then cleared ourselves up and sat down to watch the video of the three of us. J.G., Middlesex
