COVER GIRL

It is not everyone who would agree to go to a wood with a man and undress and have their photograph taken and in this weather too. I might of course because I am obliging that way unless the man happens to be an *Escort* photographer in which case it is advisable to think very carefully of what you could be letting youself in for only this time it was Photographer Gurgul so Therese got off lightly as some of the others are capable of Going All Peculiar but Photographer Gurgul is always scrulpuously fastidious about his personal habits so if he told me to get up against a tree I would have no hestitation just like Therese obviously didn't as when she got back to the office she had bark marks completely all down her back and places of that kind and while I was untweazling all the bits of leaf and twig and squished beetle out of her hair she confided to me that young though she is, she has always had a Thing about Outside not because an air conditioned coach load of unsuspecting tourists could suddenly pop out from behind any tree but because she likes to be amongst Nature cos it gives her ideas and what with that and the way Photographer Gurgul's lips curl at the corners – well one oughtn't to be surprised. Therese is nearly nineteen, five foot seven, 35-22-36, eight stone three pounds, hasn't had her appendix out and lives in Bristol. Love Julia Jones, Executive Secretary person.

Pools news

I have purchased every issue of *Escort* and I must say I think vol. 4 no. 11 is by far the best yet. I congratulate you on a superb magazine. To start with we have the lovely Alex on the front pages. What a beautiful specimen she is, then Sally, an attractive and sexy 24-year-old, in many ways this man's ideal girl. Two gorgeous big-breasted beauties, Donna and Debbie then the beautiful Carla enjoying the fruits of life.

You have certainly excelled yourselves bringing together six terrific girls. The ones from Earl Shilton are gorgeous, all six of them. I went frantic over those lovely small firm breasts of Toni's and what terrific thighs she has.

All of the *Show Us Yours* pics were super. Now Bev did something to my prick. She is fantastic for a seventeen-year-old.

I've just been having a fantasy about the girls from Earl Shilton, I win the football pools and travel down and get them. Take them all on a holiday with me to some exotic island. Once there, boy, what a time we have. Perhaps that's why I had this enormous erection while I was filling in my football coupon! *Mr. A. J. P. (full name and address withheld by request), Cheshire.*

Sharon

Sharon and I have been married for five years and we are both in our twenties. Our sex life has never really been very adventurous and recently we seemed to be fucking less and less. Sharon has usually needed persuasion (and the effects of alcohol!) before she would allow her inhibitions to disappear and participate in any more than just straight forward intercourse.

Our sex-life at the moment has been rejuvenated however, because of a simple "game" which I know is hardly original but which for us has been tremendously exciting. Last Sunday I woke feeling incredibly randy, a feeling which persisted even after making love to Sharon.

Life with Sharon is a whole new ball-game

We were going for a picnic in the countryside so I asked her to wear a pretty skirt and a sexy pair of knickers. I didn't tell her what for but she had a good idea: one of our favourite games is for Sharon to remove her knickers whilst she is sprawled on the settee watching TV so that I can sit on the floor, close up and look at her cunt, which always juices up nicely as she becomes aroused.

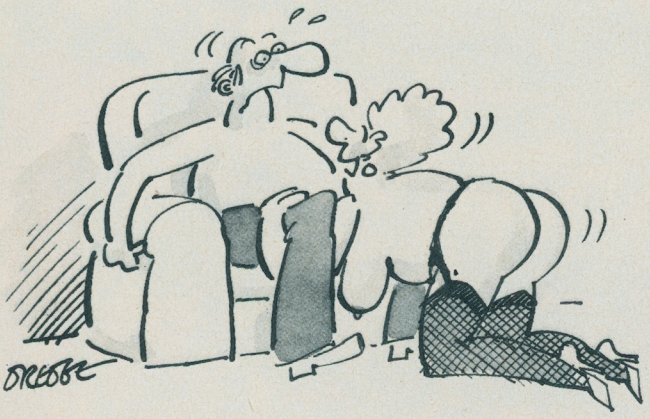

It was a hot day, so of course, she wore nothing on her legs, which were nicely tanned from our recent holiday. We found a place for our picnic next to some locks on a canal bank. Boats were coming through at intervals and people strolled past down the towpath occasionally, right next to where we were sitting. As we ate our picnic, all the time I was wondering whether Sharon would dare to play our little game outdoors in such a public place. I need not have worried, she needed very little persuasion to sit on the slight rise at the side of the canal and open her legs to reveal a tiny pair of white lacy knickers.

She responded to all my requests to open her legs wider, to raise this knee and that, to lean back and thrust her crutch up etc. I sat at her feet and enjoyed the show. She was nervous in case anyone saw her, but I could feel that she was getting turned on. It took very little therefore to persuade her next to remove her knickers completely, which she did, quickly stuffing them into the picnic bag. There was no mistaking that she was turned on now, as she spread her legs wider and wider to my every request, leaning backwards so that I could see her hole opening up and becoming moist, the sun shining on her fully exposed cunt. I asked her to sit on a small bollard next to the towpath for an even better view. When someone approached, I moved close to her and as they walked past, although she closed her legs, I had my hand up her skirt squeezing and fingering her soaking wet fanny. After about 15 minutes of this, I was so turned on, I wanted to fuck her there and then, but although she too was so aroused I could see that she wanted to, she was nervous, so despite my pleadings, we packed up and left. I thought that would be the end of our sex fun for that day – how wrong I was!

In the car as I drove back along country lanes, I couldn't help glancing down at Sharon's bronzed legs. Obviously I still felt very horny. Suddenly as I steered with my right hand, I lifted her skirt up with my left and began to maul her still wet and swollen cunt lips. I could see her bush whenever I looked down. I thought she would protest but no, she opened her legs even wider and lifted her skirt right up above her waist. "Wider! I croaked hoarsely and she shifted in her seat. "Push it

In Which Auntie Jayne Meets Another Fan, Debbie Tries To See Through Her Bra, Several Girls Get Stuck In A Tent On A Windy day in Taunton and The Mystery Of The Knickers Revealed: It's a brave man who took this little lot to Taunton for a weekend's camping. Stand up photographer Wilson wherever you are if you still can. Actually auntie does tell me that she has always found Mr Wilson jolly well behaved and an absolute gentleman – until the weekend in Taunton. She thinks the fresh air went to his head and the wide open spaces confused him because after the girls had spent hours putting the tent up he let all the guy ropes go and the tent fell on top of them. It was marginally better apparently than Photographer Wilson falling on top of them, she tells me, but not much. It was jolly freezing too and everyone's nipples got jolly stiff which may have set Mr Wilson off feeling stiff himself. Auntie also tells me her new fan is called Daisy and was a friend of the farmer who let them put their tent up in his field. So there. She tells me the farmer was jolly nice and after the tent fell down several times he let all the girls sleep in the barn or somewhere and fed them food and everyone was grateful and it showed.

Watch The Bridie Dept We've all heard of girls who don't do it till they marry, well, I.B of Birmingham reveals (though not as often as his lady friend) that Sonya won't if they do.
Hardly a blushing bride, Sonya enjoys to consumate their photo-sessions in a natural environment. She reckons she can teach the birds, bees and peeping Toms in trees a thing or few!

Arggggggg Dept: Yes men, you've discovered our secret. Most girls don't actually really want to be photographed for *Escort*. According to those who know, his equipment is to say the least a surprising size (but then most *Escort* photographers are known for the healthy size of their equipment – it's one of the qualifications for the job). So here's Cindy pretending she doesn't want to be photographed but when you see the pictures on pages 66 and 67 you'll realise it was all just an act anyway because she's obviously quite a frisky lady.

Actually Caught Doing It By a Passing Reader Dept: Well, that's how photographer Gurgul does it. Since the man Wilson disappeared with the Paddy Hopkirk Explosafe Europetrolcan and twelve gallons of Ruddles Extra Sepcial Falling Over Beer in the general direction of Scotland, we've had to resort to other chaps and here's photographer Gurgul getting his bum in the shot. Obviously the lovely Therese had done somthing to get his lens steamed up and he is wiping it with his thumb. Or perhaps he was zooming in and out so fast it got a squashed insect on it like when you drive down the motorway on your windscreen. For avid photo fans, photographer Gurgul is 42-40-39, he likes mushy peas, Fullers Old Horizontal, and has a very large whotsit which he keeps in the bathroom.

Is That A Caterpillar Or Are You Just Pleased To See Me Admiring Your Earthworks Dept: Is nothing sacred? Is nothing sensible? The lissom Charlotte B. from Blackpool is one of at least half a million *Escort* readers who can't resist dressing down in public. You've seen them around – flashing hither and thither throughout the Western world. In fact it's all husband C.B. can do to keep up with her. He gave up trying to get her to dress properly and bought a camera instead. Just shows *Escort* isn't always responsible for this sort of thing though we usually get blamed for it anyway.

up!" I ordered. She knew what I meant: by leaning back in the seat, she shifted her sitting position so that with a bit of difficulty I could slide 2 or 3 fingers into her as we drove along. I had never seen her so obviously randy. Even as we drove through villages or passed people on the side of the road, she did not close her legs and I continued to feel her mercilessly.

"I've got to fuck you." I said and I drove the car into a narrow lane. Still no objections. Christ, I was rampant! I pulled in next to an open gate. "In there," I said. We could hardly wait. She lay on the grass and I held her skirt right up to her tits. I dropped my trousers and sank into her. It was all over very quickly as we were both so turned on. Even then, my afternoon of sex was not over.

When we got home as soon as we walked through the door, we were at it again. I stripped her off completely and we fucked on the lounge floor. We then had a shower and lay on the bed to "rest". Some rest! We ended up screwing again after an incredible "sixty-niner". What a day! The great thing is, she is keen to do it again next weekend and she has already said she will wear sexy clothes and let me photograph her. I will keep you informed!

Jay
Many thanks for passing on my bit of fan-mail. Was that all? Maybe it's because you got my age wrong in the copy that accompanied the spread – twenty-bloody-three! I am not twenty yet! I had some explaining to do to my friends, I can tell you.

What do you think of my new image? I've been told I look better with my hair like this. Incidentally, the Navy got in touch with me and as a result I am to be "piped aboard" the "Exeter" as guest of honour.

I'd like to wish your readers a Happy New Year, take care. *Jay, (full name and address withheld by request), Doncaster.*

We're sure we remember sending off a huge envelope bulging with mail from amateurs who wanted to photograph Jay – must be Lost In The Post. Anyway here she is folks – willing to model for genuine amateurs and not even twenty yet (Julia's finger must've slipped as usual). – ed.

Jay: Willing to model for genuine photographers

Tight one
In response to the letter of J.L.D. of Enfield. I am in total agreement, more tights please! Nylon clad, not all these fishnet tights and stockings. Lets have your girls in black or white 15 denier snug fit tights. I am a great reader of *Escort* and can only recall certain girls posing in tights.

I wank myself silly at the sight. I myself have a collection of 37 pairs in all. I wear a pair every day under my trousers then I wear seamed tights to bed and I can guarantee that by the end of the night I will have spunked in my tights.

I hate stockings and wish I'd been old enough to appreciate the arrival of the mini-skirt in the 60's when all these young women would have worn tights with their minis. Born too late!

Maybe I should pose for you, Julia, wearing my best tights, you'd be sure to see my erection through the sheer nylon, now I would like that! *R.L.S. (full name and address withheld by request).*

Eleven day wonder
I have just purchased *Escort* vol. 4 no. 11 and as always I went straight to the *Readers' Letters* and *Show Us Yours* and as could be predicted, my prick immediately sprang to attention.

I have only ever written to you once before and last month I was taken by the same urge when I saw Jane in *Show Us Yours*. This month was too much to resist when again my two favourite pics of Jane appeared ooOhhH! Here we go again. Prick in hand. Jane with her legs spread and (didn't anyone else notice her vibrator?) her vibrator between her legs. Only wish she had been playing with it. Last month as I say, I intended writing to you to let you know, or rather, let Jane know that I had wanked over her every day for eleven consecutive days then I lost count and here I am a month later still doing it. That lovely bum and hairy fanny. How I imagined playing with her and that vibrator, the things I have done to her. Perhaps she would let us know how all our wanking affected her. How about some more pics especially with the vibrator?

Mustn't be too unfair though, after all what about the others. Lovely Lynda, Debbie of Hull, Devon Delight and Bucks Fizz have all had a special rub and the others needn't worry as they have all had their turn. Carry on the good work *Escort* and all you lovely girls, you are all worth a million. *Exhausted (full name and address withheld by request), Surrey.*

Going up
I have simply got to write and praise your super magazine which provides one of the highlights of any month in the year. I have been an avid reader since November 1981 and calculate that I must have enjoyed about 700 wanks in that time whilst looking at the magazine. In fact I'm sure all the stimulus I find in your mag has helped enlarge my prick which used to measure about 6 inches when fully erect but is now three-quarters of an inch longer. My wife says I should send you a pic of my erect rod which she says has a beautiful purple head as big as the head of a large mushroom.

Two girls you featured recently were really quite outstanding. Paula Jayne (vol. 4 no. 9) had the hairiest cunt I think I have ever seen and a beautiful little arse to boot. How I would love to fuck her for a few hours! How does she get her hair to grow over her arse and over her groin like that. Please let us have some more pictures of her soon.

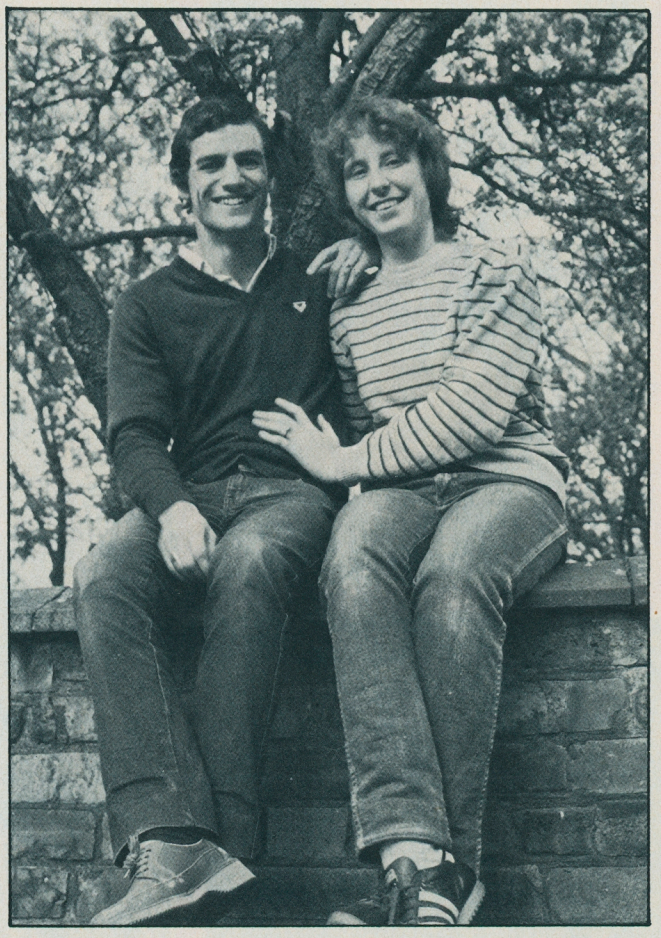

Then there was Anabelle of Newcastle in vol. 4 no. 10 – what a stupendous pair of tits with super, big nipples and a fantastic arse. Please more of her too.

By the way, when are you going to be featuring the G's of Edinburgh? With such a

GIRLS STARTED RINGING HIM!

Most of us form friendships and relationships through the people we meet at work. So what do you do if you have a job which never brings you into contact with the opposite sex?

Susan Griffiths, a 22-year old machinist from Manchester, joined Dateline Computer Dating, and soon met John Hook, also 22, a radio design engineer from Oldham.

Having left her parents' home, Susan found that life was rather lonely. She did go to discos — mostly in the company of married friends, but she never met anyone she liked. 'In the end, one of my friends who was using Dateline recommended I should try it,' said Susan. 'He said it would do me good to meet new people, and I agreed.'

Recommended by a friend

John's circumstances were very similar. 'I just wasn't meeting anyone,' he said. One day he read a Dateline ad, and being very fed up with a social life which consisted of drinking with his friends in the evenings, he sent off to Dateline for a free computer test. He joined straight away — some months before Susan — and quickly got his first list of six names. It was then that his courage deserted him a little, and he just could not bring himself to telephone any of the girls on the list. Fortunately, girls started ringing him!

'It began from there,' he said. 'Once girls started contacting me, I was able to telephone the ones who appeared on my list. I was nervous, of course, but when I started talking I got on fine.'

'If they sound nice, they look nice....'

Susan, in the meantime, had joined Dateline. 'I met one man but that first date wasn't too successful, so I moved on to the next name on my list which was John's.' 'When I spoke to him he sounded really nice,' she said. 'To me, if they sound nice, they look nice!'

Susan and John agreed to meet and the following week he picked her up from her flat and they went out to a local pub. 'It was a very enjoyable evening,' said John. 'We couldn't stop talking, and we haven't stopped since!'

After her initial shyness, Susan too began to enjoy herself. 'I liked John as soon as I saw him,' she said. 'He looked just the type I wanted — he spoke nicely, he had good manners and a good personality.' The couple decided they very much wanted to see each other again and in fact arranged to the meet the following evening. 'I asked if it would be all right if I came to see her tomorrow and she said 'Any time you want to'. Since then we have seen each other virtually every night!'

Susan knew almost immediately that she liked John a lot. 'But within two weeks I knew he was the one for me,' she said, smiling. John took a little longer — about five weeks! 'Really we clicked almost straightaway. We managed to communicate so well and we always seemed to know what the other was thinking.'

Within two months John had proposed to Susan and she accepted without hesitation. Their formal engagement and marriage will take place later in the year. 'We've got a date in mind for the wedding,' admitted John, 'but we're not revealing it yet because I'm a bit broke!'

And how is that friend of Susan's, who originally recommended her to Dateline, getting on with his membership? 'When he first found out about the engagement I think he was a bit jealous,' she said, 'but he's now met someone through Dateline and they're getting engaged as well!'

This is your Wife

The dinner has gone well. In the large, luxurious living room half a dozen male guests sprawl on deep sofas and armchairs, sipping brandy and liqueurs and puffing cigars.

Their waitress is a stunning girl in her mid-twenties. Tall, blonde, statuesque, she wears a cheesecloth blouse through which the outlines of superb, braless breasts are visible. When she bends, giggling, to pick up a cigar dropped by a guest the tiny red mini-skirt she wears rises high up her shapely thighs.

From the far side of the room another guest catches a fleeting glimpse of knickerless buttocks above her stocking tops and almost chokes on his brandy.

'Jesus!' he hisses to a companion. 'I thought our host would give us a good time but I didn't expect this much. I wonder who'll get a ride on that before the evening's out.'

The companion puffs at his cigar. 'Hang around – you might be surprised at what happened.'

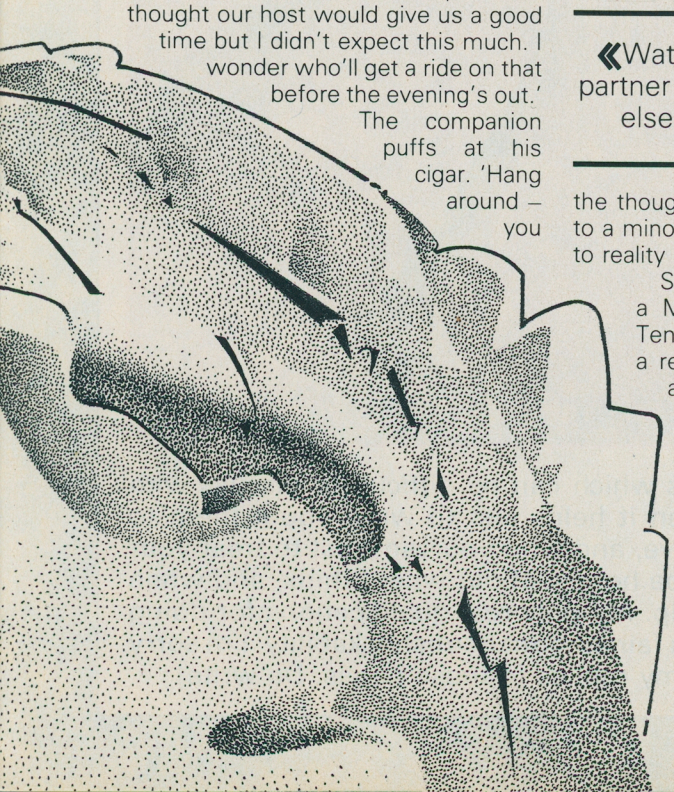

The first man whistles softly. 'Where does he get knock-out birds like that?'

The companion smiles. 'You've never been here before, have you?' As the first man shakes his head there's an excited shriek followed by laughter as a guest tries to sneak a hand up the girl's skirt.

'He didn't get her anywhere,' the companion says. 'That's his wife . . .'

One of the most potent of male fantasies is the idea of watching a wife or permanent sexual partner having sex with somebody else. The situation contains elements of voyeurism and masochism – of all manner of taboos flouted – and for the majority of men the thought is more than enough. But to a minority the temptation to bring it to reality can be overwhelming.

«Watching your wife or sex-partner have sex with someone else is a potent fantasy»

Stephen is 30, a designer with a Midlands advertising agency. Ten years ago wife watching was a remote fantasy, if he thought about it all. That, however was before he met Don and Judy.

'I was an art student, living on absolute thin air – economy's never been my strong point! I was always on the look-out for ways of making a bit extra.

'One of the easiest was modelling for the life study classes, because they always seemed to be short of people. The thought of dropping my pants in front of a roomful of fellow students – male and female – didn't really appeal to me. But there were other art classes in the area – mainly adult education and night school – and I thought of them instead.

'There was a fellow called Don who drank at one of the most popular pubs near the college and I was told he had something to do with hiring models – he was supposed to be some kind of photographer. It was all very vague and I got the impression of a slightly dodgy feeling about it – I assumed there might be some kind of fiddle involved.

'Anyway one night I saw him in the pub and asked him about it. He was there with his wife, a woman called Judy. She was a tiny little redhead in her late twenties, I'd say – about ten years younger than him. Facially fairly average but quite a full little figure – I didn't realise how full until later!

'Don said he had this sideline, providing models and locations for artists and photographers, and the rates he quoted sounded great. Then he told me that with newcomers he liked to run this very brief, informal sort of audition, take a few pictures he could show round, generally see that everything was OK.

'I couldn't object to that because I'd never done this sort of thing before, so I agreed to go round to his house one Sunday.

'When I arrived it all started a lot more informally than I'd expected. Judy was there, handing out very generous drinks, I was invited to lunch afterwards. It must have been over an hour before we got going.

'Don wanted to work upstairs be-

Auntie Jayne Can Handle It

All of us have problems, tendencies or characteristics which can be difficult to discuss with people we know, even good friends or partners. Often it helps just to write about them to someone who can be both understanding and objective, and who you can trust to treat your letters in the strictest confidence. I will always try to be honest about what I think, and when possible, suggest other places that may be able to help. My only real qualifications for doing this are a lot of experience, some common sense, and a fair amount of unshockability. I'm sorry that I can't write to you personally and must limit my replies to these pages. Do write!

Dear Auntie Jayne,
I'm a 22-year-old redhead and my measurements are 35-24-36. I am writing to you so that my boyfriend Dave who is 24 years old can read your reply.

During our foreplay, I love riding Dave's cock, stroking his balls, and watching his cock get rock hard. He doesn't mind me kissing it, but he won't let me suck it. I would love to suck his cock and experience his come in my mouth – I've never tasted a man's come and I would love to.

The girls in the office where I work often speak of what their boyfriends do and they say that sucking a man's cock and swallowing his come is fantastic. I've told Dave what the girls have said, all he says is, "That's dirty'.

He's very particular – even after we fuck, he washes his cock, and he won't lick my clit. If he reads you saying it's OK, maybe he'll try it and make us both happy. *Love, Wendy, Suffolk.*

I'm very keen on giving fellatio myself but there's no doubt that feelings about it differ widely and while I've known many men who say it's their favourite form of love-making, many feel that while being sucked off is quite pleasant, there's nothing like having your cock inside the hot grip of your sex-partner.

Likewise, while it true that a few women actually orgasm while giving fellatio (this is rare), some others are very uncomfortable at the thought of it, and many very much dislike having the man ejaculate in their mouths though they enjoy the process up to that point. What I'm leading up to is that oral sex is a practice that couples should choose whether or not to include in their sex lives, and you have no need to feel that it's something every other couple but you is enjoying.

Having said that, I get the feeling that your Dave won't try it because he feels that your genitals and his are dirty somehow, and while it won't do too much harm to have them in contact (provided he washes after) it wouldn't do to put them near anybody's mouth. Generally, people who feel like that have been taught in early childhood that 'down there' is dirty and mustn't be touched or looked at or talked about, and this unfortunate attitude persists into later life and disturbs their sexual relationships. All I can suggest is that you talk together about where he got this funny idea from, and see whether you can't get rid of it. Then you can discover whether you actually enjoy oral sex or not. Love, Jayne.

Dear Auntie Jayne,
I read with interest the letters from Dave from London and P.C. of Dorset. I also have a penis that is only 4½ inches when fully erect, but I derive a weird sexual excitement from the fact that I am so small.

> «I love stroking his balls, holding his cock and watching it get rock-hard – but he won't let me suck it»

I like to fantasise that I am being thoroughly humuliated by a domineering woman who punishes me for having such a tiny prick.

I sometimes visit one of several 'strict governess' types that I know to have my fantasy brought to life. I like these sessions to finish with 'the mistress' using a huge dildo on herself to stretch her cunt before I fuck her to exaggerate the feeling of my cock's uselessness. During the session I like to have my prick whipped lightly and my testicles tied up then kicked and squeezed hard.

I am married, 29-years-old, and have a rather uninteresting sex life with my wife. She seems very happy with my love-making and the size of my penis and knows nothing of my fantasies or my visit to prostitutes. I do not seem to be able to be happy with my home sex life and am always looking forward to my next visit to the mistress. Am I just a pervert? *Love, A.L. Watford.*

I don't see any point in bandying words like 'pervert' about – you feel your cock is an inadequate size, and since you probably have a masochistic tendency anyway, you have chosen this way of dealing with that feeling. I do hope I won't be spoiling all your fun if I tell you that your size is well within the range of 'normal' and not all that small. For 'pornographic' films and pictures, men with freakishly large genitals tend to be hired; and writers of 'porn', lurid sex fiction and men's magazines can of course make up any nonsense they feel like, which has led many male viewers and readers to believe that unless they have at least eight inches of monstrous tool, sex is going to be a disappointment for them and their partner. I always think it's a good thing that the 'love-making' in this sort of fiction is usually kept down to a couple of thrusts and a spurting of gallons of boiling come, since most normally-made women would be rubbed raw in no time by a thing that size. I have had many a

> «Do you think I was unlucky, or is she a typical woman, or should I have been more masterful?»

thoroughly good time with men of smaller dimensions, often because they tend to be more inventive, where larger men would just let their size do all the work.

I expect, with expert counselling, you could see yourself in a different way, and then start having a sex life with your wife that you were both happy with – but you may be having too much of a good time belittling youself to make the effort. Love, Auntie Jayne.

Dear Auntie Jayne,
I am 20 years old and think you are gorgeous. I've only had sex once with a woman and felt used afterwards.

My partner on that occasion was Anna, a 40-year-old friend of my mother's who I always thought was a good laugh, anyway, we somehow ended up in bed together, and that's where it all went wrong.

Anna quickly brought me off between her tits, which felt great, but I'd wanted it to last longer. Then she sat on my erect member, bobing up and down for ten minutes, careful not to bring me off, but coming off twice herself.

I found it painful, and she wouldn't let me come inside her. Do you think I was unlucky, or is Anna a typical woman, or should I have been more masterful? Please set my mind at rest. *Yours anytime, John, Dundee.*

Wait a minute, John, you were there too! Many a man reading this page will be turning bright green with envy, and some people might say that, instead of being used, you have misused an opportunity.

However, since I'm a fair-minded woman, what I say is that what went wrong was that you were too inexperienced to know that you could make your wishes clear, and next time should be a great improvement.

If I'm making love with a man who is new to me I might do exactly what I like, or I might do what I think he'd like, but if he's not showing or telling me anything about what he wants, I'm just going to have to get on with it, aren't I? And if he just let me take over, and then complained of being used, that would be a bit unfair of him, wouldn't it?

I don't think she could have been bobbing up and down on your erect member for ten minutes and be careful not to bring you off – I think you mean you weren't ready to come. And if you'd wanted the first part to have lasted longer, it's up to you to learn to control your reactions, or to move your position, or to get your lover to move hers into one that's not so unbearably pleasant; and if she didn't want you to come inside her, it might mean that she wasn't using any contraception, just as you weren't.

I'm not blaming you at all for your inexperience – if you're clever, you'll learn something every time you make love, but not if you leave the the responsibilities to someone else, and then complain you haven't enjoyed yourself. Love Jayne.

This is your Wife

cause the main bedroom doubles as his work room, he said. So up we went and the first thing I had to do was strip.

'Well, I'd been expecting that. What I didn't expect was Judy, coming up with us – especially when she didn't exactly seem to be doing anything, apart from taking a good look while Don snapped away. I could hardly object in their house and, anyway, there'd be women in any class I posed for, so I said nothing.

'Then after a while Don said, "You know, it's Judy who should be telling you what to do. She's the model in this family." That's when they told me she was Don's chief hiring model and how she really loved doing it.

'Looking back, it was so obviously a set-up – they'd been through it all dozens of times before. "Here, love," Don said, "why don't you have a go, too. We get a lot of call for mixed posing – it'll be good practice for you, Steve."

'It was bloody murder! She was out in a trice, back before I'd even finished humming and haaring, wrapped up in a dressing gown. Then off it came.

'She was starkers and if her face was average there was nothing average about her body. Boobs like bowling balls, pinched little waist, a bum like two footballs with a great curling ginger beard in between.

'And then she was all over me, giving me a hug, balancing on tiptoe to kiss my cheek with these massive tits squashing into my chest – it was like posing for silly holiday snaps. I was going through agonies, desperately willing my cock to stay down.

'It was a total waste of effort. I was standing there naked, feeling a complete lemon, with this nude woman prancing round me while her hubby took pictures and no one taking the slightest bit of notice of the longest, thickest erection I'd had in years sticking up like a flagpole in front of me.

' "That's enough playing about," Don said eventually. "I think we ought to try some of the classic poses, love. We do a lot of work for this sculptor, Steve," he told me. "Rodin-type poses – you know *The Kiss* – but a bit raunchier. It's all very tasteful, of course. He uses Judy a lot but he's always looking for new lads."

'In retrospect I'd had to have been a complete idiot not to realise there was something a little bit odd going on. Whether the sculptor existed or not, one or both of them was getting a big kick out of this kinky little game. But on the other hand I wasn't absolutely sure of that, I was going to get paid and I did fancy her something rotten.

'So we got on the bed and it all got more serious. Don set us up kneeling, facing each other and just touching – I had to apologise about my cock nudging her stomach and she just grinned and told me not to worry. Then she was kneeling over me with my erection waving between her tits. Then it was me kneeling behind her as she went down on all fours.

'It was just so obviously a fuck shot. I was staring down at this open twat, feeling the heat coming off her, my heart going like a steam hammer. Then Don got me to lean forward a bit, the tip of my cock brushed her cunt lips, I felt it jerk and that was it – I was up her, giving her all I had while she moaned and groaned and pumped her pussy up and down my shaft until I shot my load.

"Ready or not, I'm coming!"

«He got me to lean forward a bit so the top of my cock just brushed her lips»

'It was only afterwards, when I was burbling abject apologies, I realised Don had come in his trousers. "Don't worry," he's going. "You don't have to explain. It's just an accident. It could happen to anyone."

'The last bit was true! what really got me, though, was the hypocrisy of it all. Afterwards they let me have a shower and borrow a dressing gown and I went down in it for lunch. Judy was back in her her dressing gown – with a lot of cleavage showing. We had a salad, then Don started talking about this set of pictures of a couple in a kitchen a photographer friend wanted to do. There was supposed to be this opening shot where they touched each other up over the breakfast table.

'I was getting very chary about a repeat when Judy said, "Oh you mean like this?" knelt down in front of me, whipped the dressing gown off my lap and started running her fingers up and down my cock. "Well, I thought we'd start with the mouth," said Don, and before I'd got over the shock of being groped Judy had ducked her head and slipped my knob between her lips.

'In a bizarre kind of way it was like I wasn't there. I was just a convenient stiff cock and the fact that Judy fancied me – which I presume she did – just wasn't important.

'We both ended up stripping off again and I fucked her over the edge of the kitchen table, standing up between her thighs while she lay on her back with her knees bent. Don took close-ups of my cock pumping in and out of her pussy. And it was only at the very last moment when I started to let fly that Don dropped all the pretending, whipped out his own cock, climbed onto the table and pushed his cock between Judy's lips so that the moment I'd filled her cunt he was spunking into her mouth.

'It's really odd. *Now* that situation is one of my biggest fantasies, but at the time it was an enormous effort coming that second time with hubby clicking away. It was just too weird a situation – I just wanted to get out, and I never had any more contact. I don't think I even got paid, either! But I often wonder how many "auditions" they got through.'

Not all wife watching is so premeditated. Paula is 28, married and a personnel officer in the Swindon area. Two years ago she had sex with another man in front of her husband.

'It was only about a year after Philip and I got married. We went through a very bad time. Philip was declared redundant and couldn't find a job. I had two promotions in a row and ended up earning more than he had when he'd been working. And I was spending a lot of time at the office, too.

'Then I found out Philip was having an affair – with a girl who'd been his secretary. But what really hurt was when I found a pair of strange knickers under our bed and I realised he'd brought her home and screwed her in it.

'There were awful rows and in the end we separated. But Philip couldn't afford to move out the flat and I wasn't going to because I was paying the mortgage. So he moved into the second bedroom and I just acted as if he were a flatmate, or a lodger, and I was single again, which I believed I was in practice anyway.

'There was this fellow who'd fancied me for ages, and we'd flirted a bit but that was all. He was very good-looking and I've always tended to mistrust fellows like that because they seem to expect you to make it easy for them – and it only makes it worse if you do! Anyway, I invited him home to dinner. I didn't bother to tell Philip. He'd just have to like it or lump it. And in fact he wasn't in at all.

'Even before Colin and I had finished eating it was obvious he wanted to go to bed with me quite a lot. I hadn't had sex for over three months because of all the ructions with Philip and I really felt the lack. Colin was very attractive and it seemed stupid to disappoint him.

'I had more to drink than I usually do and I let him think I was a lot drunker than I was. We kissed over coffee on the sofa, then Colin started to unbutton my blouse and undo my bra. Eventually I let him undress me completely – I made him turn out the lights for that – and he began to lick and stroke my nipples and caress me very gently between my legs.

'It felt gorgeous – he was a very gentle, skilful lover. But it still felt strange – I don't know whether it was because Colin was the first man, apart from Philip, to touch me like that, let alone see my naked body, for at least five years, or it was just fear that Philip might burst in at any moment – which I told myself, I didn't care about at all!

'Then Colin started to undress and even before he took his pants down I could see he was really huge and he obviously wanted to have me there and then on the sofa. But I insisted we did it in the bedroom.

'He finished undressing there and climbed on the bed next to me with this absolutely magnificient-looking erection - much bigger than I ever remembered Phil!

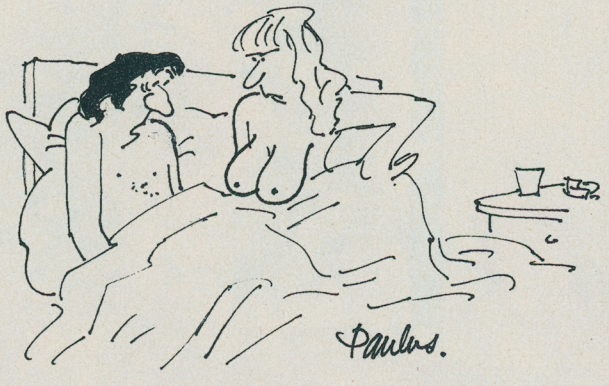

Then he gently opened my legs and went down on me. And right in the middle of it – when I practically had steam coming out of my ears – I heard the front door click.

'It was always very quiet, but unmistakable if you lived in the flat, and Colin

«It was an enormous effort coming again with hubby clicking away with his camera»

obviously didn't hear – with his head jammed between my legs. But I knew it was Phil.

'It was the oddest feeling. I had this incredible surge of really terrible guilt. Then I thought, "I'm only doing what he did!" And then it just turned into a kind of wickedness.

"It might have been only foreplay to you, but I'm whacked!"

'I started murmuring to Colin – I'm normally quite quiet! "Oh, yes, go on – lick me – up a bit – no – yes – oh *yes!* That's fabulous – keep on that spot. Oh my clitty – my clitty – ".

'And the daft thing was he obviously liked it! He got even more passionate, which spurred me on even more. I

«As I brought my mouth down onto Colin's penis I could see the bedroom door was ajar»

reached down and tried to pull him up, clutching at his penis and stroking it.

' "Oh what a beautiful, beautiful cock," I told him. "So stiff, so hard, so *big* – oh let me kiss it – I want to kiss it – ".

'I leaned over him, wetting my lips, and that's when I glimpsed Philip. I couldn't remember whether we'd closed the bedroom door or not, but as I brought my mouth down onto Colin's penis I saw the door in the wardrobe mirror. It was ajar – but there was the small pale oval of a face.

'As my tongue licked Colin's glans and I tasted a little blob of his sperm, he jerked and I knew he was about to explode. I pulled my head up quickly and fell back, spreading my legs and trying to drag him on top of me.

' "Now – " I hissed. "Please – get on me – put it in me – I want it in me – oh please – " I must admit he didn't need that much urging! He drew the tip of his cock against my pussy, found my hole and pushed, and suddenly he was there, stretching me, filling me, his chest squashing against my breasts.

' "Yes! I cried. "Yes – now push – push! – fuck me! *Fuck me* – !"

'I don't remember how long he humped me – not very long because we were both so close to coming. Then he groaned and I felt him jerk fiercely inside me and as I came I saw Philip's face fade out of the mirror.

'Colin was a bit peeved I made him leave afterwards. I think he'd make up his mind he was staying the night. But I just felt I'd paid Philip back in kind and that's all I needed to do for the moment.

'It was quite late when he went and Phil's room was dark so I had a bath then went to go back to bed. Phil was waiting for me.

'I was quite nervous, actually. Phil didn't have a temper unless he was really provoked, but I knew I'd gone about as far as any wife could. He started asking me about Colin so I told him. I told him about the dinner we'd had, what good company Colin was and then finally, "He's very good in bed, too. I really enjoyed it."

'Then I did think he was going to hit me. He went quite pale, and then just exploded. He pushed me back onto the bed – not hitting me but enough to make me fall over. "You *slut!*" he shouted. "You bloody *slag!* You let that slimy bastard fuck you in our bed! – "

'Then all of a sudden the dressing gown, which was all I wore, was open and the struggling and wrestling changed. One minute we were trying to kill each other, the next Philip's hands were on my breasts, squeezing and fondling them, rubbing my nipples with his lips. He was sliding between my legs and then we were at it, having one of the hardest, fiercest, most glorious screws we'd had in years.

'After that he stayed the night and things started to mend. So if a girl feels she's not getting what she should from her man let him get a glimpse of what someone else can do with her. I guarantee it'll work wonders!'●

Michele

Michele, 33-22-35, 20, St. Helens. "I've been dancing in discos since before I was old enough to be allowed in," Michele told us. "I used to creep out of the bedroom at nights – me dad never knew. Then the discos started to let me in for nothing if I'd do some flashy dancing to get the atmosphere going. Lots of men used to ask me out – sometimes just round the back! I didn't often bother though unless he was a bit special. Now I'm more careful in my old age – I've got a job in a show club where there's a disco later on. I still get asked out a bit – but I don't usually bother to go unless he's a bit special of course!"

D.I.Y. it's all your own work!

Just to remind us of the sort of thing we will be able to see among our fields and woods in a few months' time (if we're very lucky), here's Lynda. She's 25 years old, 36-26-37, and lives in Norfolk, as does her fortunate boyfriend and favourite photographer G.L. who writes that while outside is OK, they enjoy It inside too, especially as Lynda likes to make vigorous love with G.L. and carry on innocent phone conversations at the same time (much like our own Julia Jones). They get £60 for this set, which should help with the bill.

bevvy of talent in the place, surely you will find more than 5 willing girls. *J.S. (full name and address withheld by request), Midlothian.*

The whisper is we're crossing your borders about April as we have to wait for the snow to melt being delicate southerners but we are definitely coming. Let's hope you will be too. Love Julia.

The shape of things

Delightful Debbie with boobs so rare, 44" to 38"?

Must be filled with air.

And 42" sometimes which is pretty amazing.

I am just puzzled . . . not complaining!

Mr. P. (full name and address withheld by request), London.

Wouldn't it be boring though if we girls stayed the same shape all the time. Love Julia.

Something snapped

Yes there I was reading my favourite magazine when on page 36 what do I read? A letter entitled "Unleashed" written by D.W.

When I got to the bit about Kathy wanting to be fucked with hubby watching something snapped inside me. I whipped my dick out and wanked at great speed. Usually when I do this or have it off with my girl friend once I have cum, I need 10 minutes or so to recover. Not so this time!

You see, for a couple of years now, I have had a desire to screw a woman in front of her husband and the thought of it continues to make the old juices flow from my dick like a fountain of eternal life.

Anyhow Kathy, if you want to be "done" in front of D.W., I am your man. The evening would go something like this . . .

We would all have a drink or two and a chat to get to know each other then suddenly I would ask Kathy to stand up and I would kiss her full on the lips and tell her that I fancy her and cannot hold my feelings back in spite of her husband being there. Then I would kneel down, lift her skirt up over those sexy stockings showing her knickers and slowly pull them down over her knees and she would step out of them as D.W. looked on. Then I would ask Kathy to sit in a chair with her legs wide open and hanging over the arms. I would then lick and kiss up and down the entire length of her crack, easing her slit to a mind-blowing orgasm with my tongue, darting in and out of her silky little hole.

We would then go to the bedroom where Kathy would strip to her suspenders and stockings. I would undress, if Kathy hadn't already done the honours and we would suck and play with each other with D.W. standing in the doorway watching us. Then Kathy would open her legs wide and invite me to enter her which I would do with firm, long, gentle strokes. The tip of my knob reaching the very innermost parts of her body and as I played with and sucked her boobs we would both have a huge orgasm. The first of several in an evening full of sexual passion.

Please pass this letter onto Kathy and D.W. in the hope that they will contact me so that all three of us can live out our fantasies together. No doubt D.W. will write to *Escort* to recount the result of the meeting if I am lucky enough for it to take place.

C.J. (full name and address withheld by request), London.

Oh I do hope so . . . Love Julia.

How can I be cross that *Escort* has increased in price by ten pence vol. 4 no. 11, when not only do you print my letter but include a photo of the pretty Paula-Jayne sans knickers and go to the type-setting trouble of an apology?

This edition is really good I think. Sally is a sweetie, how heart warming it must be for her fellow workers to have such a vision of delight flitting about the place. The girls of Earl Shilton, all very bedable or floorable or sofable or diningtableable for that matter.

Show Us Yours once again a terrific section and I think you've a real discovery on your hands in Debbie Through the Glass Starkly of Hull. Do you think that you could persuade her to do a whole glossy spread for *Escort*. I think it would be lovely if you could.

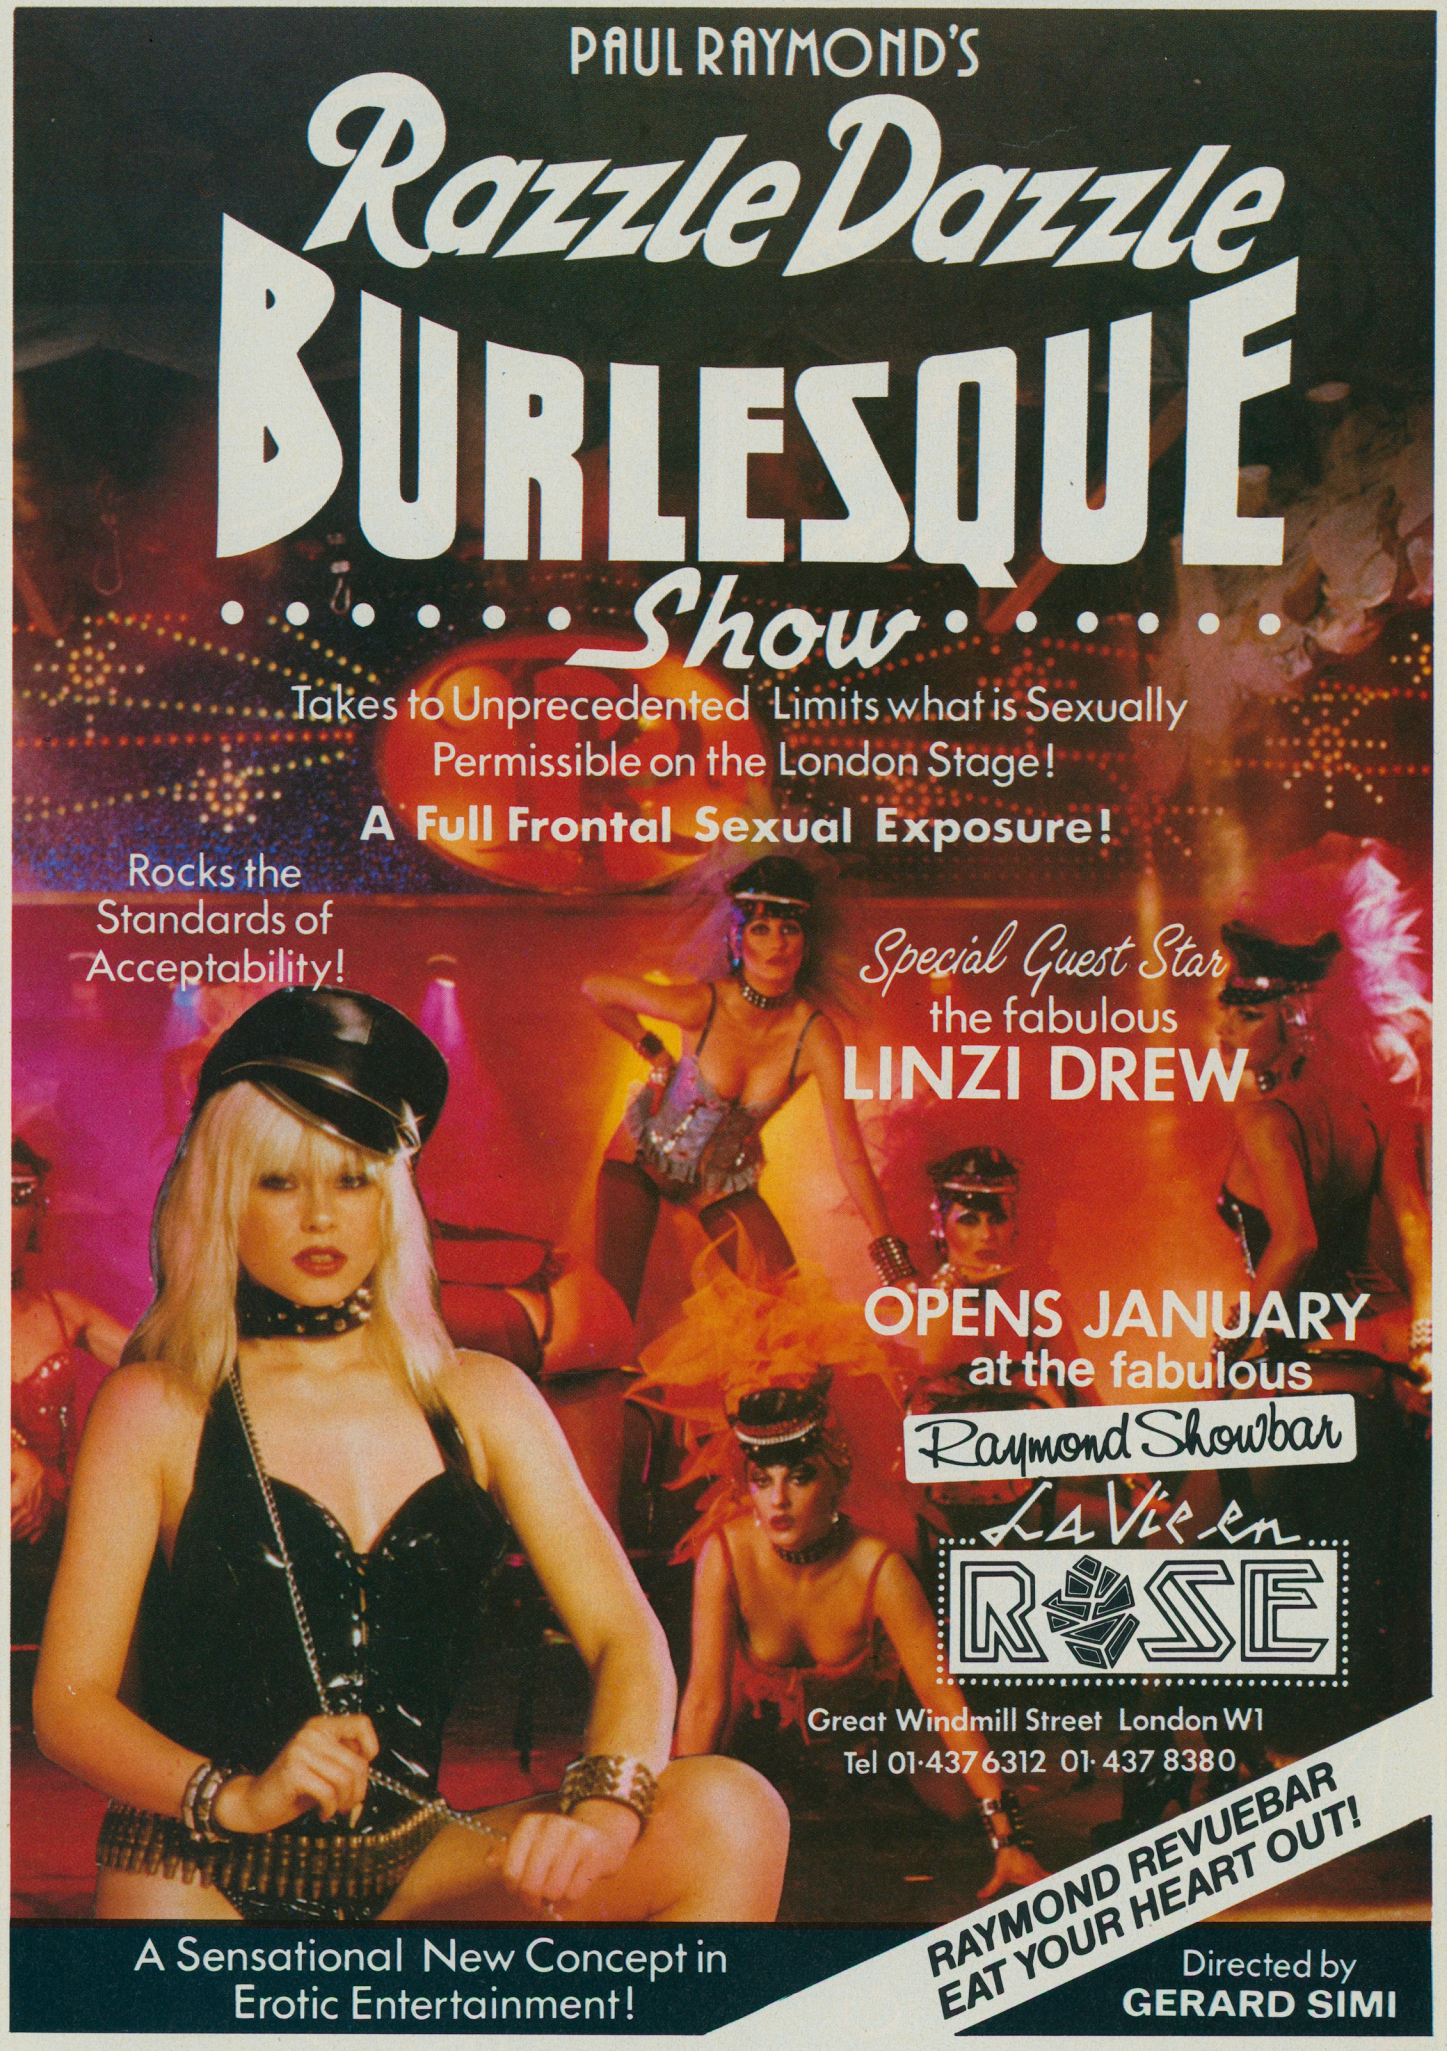

Then there is the caring face of soft-porn, Auntie Jayne's sensible advice column.

I do hope that you don't think my letter too sycophantic, I just wanted to say thanks Julia to you and all the girls of *Escort*. Perhaps *Escort* isn't pantie mad after all. This edition sets new standards, if you can keep it up so can I! *H.F. (full name and address withheld by request), London*

I had to ask the editor what "sycophantic" meant and he said it was something to do with arse-licking which I always quite like provided one is good friends with the licker and knows

LIGHTS CAMERA Action!

Making the video was Beryl's idea. Honest it was. I suppose it's just possible that something I said might have nudged her in that direction, but she was definitely the one who actually suggested it. I pretended to be dubious, which always makes her more determined to get her own way.

"You realise they'll *all* want to see it, don't you?" ('All' being the other members of the Wantmore Tennis and Social Don't You Believe It We're Really Only Interested In The Nookie And We Swap Wives Every Saturday Night Club).

"Maybe," she breathed excitedly, the light of inspiration in her eyes, "they could all be *in* it?"

"Don't be daft. What are you going to do, hire Wembley Stadium?"

"Now *you're* being daft. The dance hall at the club would be quite big enough . . . "

"Great. Apart from the fact that it's bloody freezing outside and there's only one radiator in the dance hall, don't you think it lacks a little something? Like atmosphere, for instance? I know lying on something hard is supposed to be good for the back, but I draw the line at rolling around on bare floorboards . . ."

"They're not boards. It's *parquet*."

"I don't want to roll around on parquet, either."

"You wouldn't have to – you'd be handling the camera."

"No." I put my foot down. "If you're really determined to do it. I'll have to give in as usual, but it's got to be with a select few, and in the right place, which is *here* – at home. I suppose it hasn't occurred to you that we've got up one or two people's noses by leaving them out of things? A couple of phone calls, and it'll be a case of POLICE BREAK UP ORGY AT TENNIS CLUB. RUMOURS OF BLUE FILM CONSPIRACY."

"Oh my God," she shuddered, "I see what you mean. Agnes would do it."

Agnes would do *anything* like a shot. Ugly Agnes, that is. Say no more? We got it down to a shortlist of six, including ourselves. Seven.

"Oh no," I protested, "not bloody Medallion Man!"

"I know you don't like him, but he . . . well, he . . ."

"If you mean he's got more staying power than the rest of us put together, why don't you say so?"

She didn't have to. All the blokes were a teeny bit jealous of Medallion Man, including me. We didn't admit we were jealous, of course. We just took the piss out of his dark glasses, hairy chest and jewellery and made snide remarks about it being quite common for blokes of a certain inclination to last as long as him because they weren't actually turned on by women.

"Anyway," Beryl pouted, "with you working the camera, there'll be an odd number . . . "

In my opinion, Medallion Man was an odd number himself. I began to get the germ of an idea.

"All right then, but instead of having mixed doubles, why don't we make it five women and Medallion Man? I expect I can talk the other husbands into it, and I don't suppose we'll have much trouble finding enough willing females." Evil, aren't I? Well, he always boasted he could handle all our wives one after the other. I was only giving him the opportunity to prove it. Beryl thought it was a great idea, and after I'd explained it to the other blokes, so did they.

"Two questions," Beryl said as we finalised the arrangements, "do all blue film producers work with scripts, and why have you chosen all the youngest women?"

"All the best ones do," I guessed, scribbling away merrily, "and I've chosen the younger women because . . . well, you'll see why when you read it."

When she did, she was quite happy. Well, she would be. She was first.

Medallion Man humped away energetically at Beryl in the standard missionary position on our bed while I sat in a chair smoking a cigarette and occasionally pointing the camera at them and giving it a whirr.

"Not," Medallion Man puffed as he looked over his shoulder, "that I'm complaining, but isn't it time we brought the others into this? You don't want to use all the film on us, do you?"

"I'm not. Don't worry. You just enjoy yourself. I don't think Beryl has any complaints either, do you dear?" I shouldn't bloody think so. She'd already had three orgasms, and she didn't answer because she was in the throes of her fourth. This time even Medallion Man couldn't hold himself back.

"Phew!" He wiped sweat off his forehead. "Give me a minute or two to recover, won't you?"

A minute or two! Flash git.

"Right, time's up," I said five minutes later, "Can you get it up yet?" He grinned at me and pointed.

"Point it at Beryl," I ordered. Even Beryl wasn't too happy about that.

"I'm a little bit sore," she complained.

"It's only for show. I'm calling the others in to help out."

Medallion Man jumped on Beryl enthusiastically. Beryl groaned as he rasped into her. I gave it a couple of minutes and then called the next contestants in.

"Okay girls, you're on!"

Enter two young girls, looking as though they'd be better employed studying for the 'A' levels. Blouses, gymslips, black stockings, the lot. I began to have second thoughts. What had Medallion Man ever done for me that I should leave this little lot to *him?* He interrupted my carnal thoughts by disentagling himself from Beryl and making a move towards the newcomers.

"No, not yet. They're supposed to *watch* you for a while!"

"Oh no," Beryl moaned, "Couldn't we just *pretend?*"

Of course we couldn't. Or rather *they* couldn't.

"Right girls, you can begin your own thing . . . "

The idea was that they stumbled accidentally on the goings-on in the bedroom and had decided to stick around in case they could learn something. There wasn't much *those* two could learn, believe me. Within a few minutes one of them was leaning against the door frame while the other one sucked her nipples and delved into her little white panties. There was a lot of heavy breathing going on. Some of it mine. The camera whirred. Medallion Man whirred, thinking it was pointed at him. It wasn't, needless to say. Beryl complained again, bringing me out of my trance. I ignored her.

"Don't forget you're supposed to be watching *those* two, will you girls?" One pair of eyes didn't open at all. The other pair obligingly swivelled and peeped over the hillock of soft flesh. Yes, it was time. They were getting carried away.

"Okay, you can notice you've got company now."

Medallion Man eagerly did so.

JOY

Joy, 34-24-36, 21, Leicester. Student Joy is a part-time barmaid: "It helps with money and there's nothing like flirting from behind a bar – you can always come out if you want to."

1st TIME

It was all such a rush, I had to get to the garage that afternoon to collect the car and it was already 4.30. Tom, my husband's twin brother was arriving from Australia in the morning and Joe had promised him that I would be at the airport to pick him up.

When I got to the garage the mechanics were knocking off. As I waited for a verdict on the car the thought of meeting Joe's identical twin and driving him back to the house where he and I would be alone all day was just too much. I flushed with guilt at the possibilities. No way could I face this fantasy!

The car wasn't ready, thank God. Tom would have to make some other arrangements.

That evening Tom was ranting and raving about the car as if it had been my fault. Ignoring him, I turned the telly on. It was one of those lousy melodramas, not unlike the scene in my own living room! Joe got up and turned it off.

"You didn't want to watch that, did you?" he asked flopping down on the rug beside me.

"Well, I was hoping they would show some rude bits," I said reaching for his fly "but I suppose I can look at your rude bits instead." I felt his cock grow big and hard under my hand. Joe loves to hear me talk sexily before we fuck and on this occasion I decided to put it to good use.

"I never did tell you why I walked out on Paul," I had been engaged to Paul before meeting Joe and then 2 days before Paul and I were due to marry, I cried off.

"You did mention that he never gave you any of this," Joe said unzipping his trousers, thrusting his pelvis forward. I ran my hand under the elastic of his knickers squeezing his cock gently between my fingers.

"He didn't have anything to give me, Joe. I met him a virgin and was foolish enough to believe his lack of lust for my body was out of respect for my mind!" Joe burst out laughing.

"Don't get me wrong, Julie, I love your mind too but the poor sod missed out. I've only got to feel you close to me like this . . . and well, you can see the result," He ran his hands over my body then resting them on my bum he asked, "So, why did you ditch him?"

"I had a date with Paul. On my way to meet him that evening I took a short cut through the park. It was almost deserted. I could see two park-keepers raking leaves from the footpath. As I got nearer the younger one sloped off and the other pulled out his cock and as I walked passed he started to piss on the leaves. His prick was long and thick, not like the stiff pencil I'd felt through my fiance's trousers. The keeper saw me looking and we both started to giggle. His cock began to grow as he slowly started to wank. For a moment I was overcome by the desire to feel and rub that swollen cock. I stepped towards him, unbuttoning my blouse.

«He eagerly led me to the bushes and put his cock in my hand»

Desperately his grubby hands reached for my breasts. Digging a hand deep into my bra, he began to grope me roughly. I was so wet! I'd never felt these things before.

" 'Please not here! I pleaded. He eagerly led me to bushes nearby. There he put his cock in my hand and said.

" 'Say after me, I'm wanking your cock and soon I'm going to suck it.' I couldn't take my eyes off his knobbly cock. So I said it and then we both said it and then I was doing it! He almost choked me with his length as he thrust quickly into my mouth. Then he pushed me onto my back.

" 'This is Dick's lucky day, this is,' he said as he came down on top of me. His rough hands reached under my skirt, 'You randy little bitch,' he muttered as he felt my buttocks and thighs, 'you randy little cunt' he went on and on, a hand moved in between my legs, probing for my cunt. I bucked and squirmed beneath him. Putting my hands to my breasts, I eased out of my bra and began to fondle my nipples, rubbing them against him. Ripping through the gusset of my tights, he fingered my crack before slipping his hands into my panties. Oh, I was so wet. The throbbing in my cunt was so intense, all I wanted was his cock up me. He held my panties to one side as slowly, slowly he pushed his cock all the way up. It was an incredible feeling, joy and pain all at once. For what couldn't have been more than a few minutes, he belted up and down, groaned and then collapsed on top of me.

"Over his shoulder I saw the other keeper standing there wanking. The old one rolled off, the younger one took his place. It went on and on like a blur, the two of them.

"They made me promise to go back to see them the next evening but I didn't. I staggered home, forgetting Paul and my date with him. I felt so free and blissful. The next day I packed up and fled to London. You know the rest."

«Ripping through the gusset of my tights he fingered my crack»

The effect on Joe was electric. We met in mid-air and hit the floor tearing at each others clothes like savages. It had never been like that with Joe before.

The next morning Joe 'phoned the office and took the day off. He collected the car and brought his twin brother back. When I saw the two of them together it was incredible, I remembered last night – I wanted them both! Tom was identical but blonder and I wondered if his cock would be the same as Joe's, short but very thick.

I left them both to talk, it had been years since they'd seen each other. I brought my glass of wine through with me to the kitchen. As I cleared away last night's supper dishes I could hear Tom's comical accent ring out above Joe's laughter. My heart was pounding, my panties quite wet.

I headed back through to refill my glass. When I got to the door I could hear Joe telling Tom about last night. I waited until Joe had finished, took a deep breath then walked in. Tom looked at me quizzically then at Joe, pulled his cock out and said.

"Say after me, I'm wanking your cock and soon I'm going to suck it." I looked at Joe.

"Say it, darling, we both want you to say it." He said softly as he pulled out his cock. Both of them were erect, both of them the same. Joe peeled my sweater off me as I knelt down in front of Tom and put his cock into my mouth. He moaned and began to stroke my head. Joe moved in behind me, he cupped his hands over my bra-less tits. It was as though his cock was bigger and faster than ever before. Gently but urgently, Tom was speeding my head. One of Joe's hands moved to my clit. I grabbed a hold of Tom by the cheeks of his arse as I started to come. One then both roared as together, they came. I've never known such pleasure.

Much later and exhausted, all of us sipping creamy coffee, Tom said.

"So this is the second time you've had two for the price of one." and laughed.

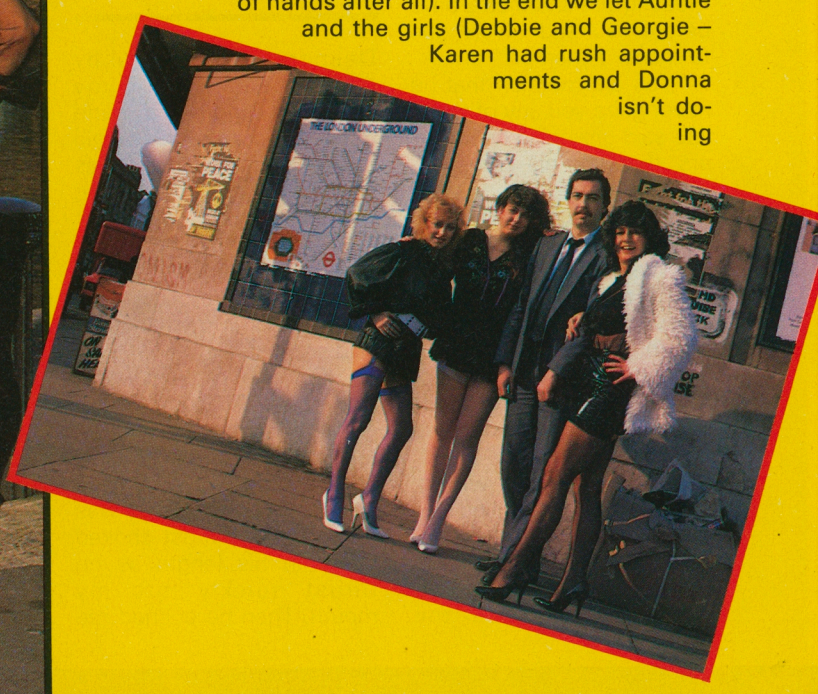

"Not quite, Tom" I replied, "you see, there was no second park-keeper!" *Mrs. J.A. Hatton Cross.*●

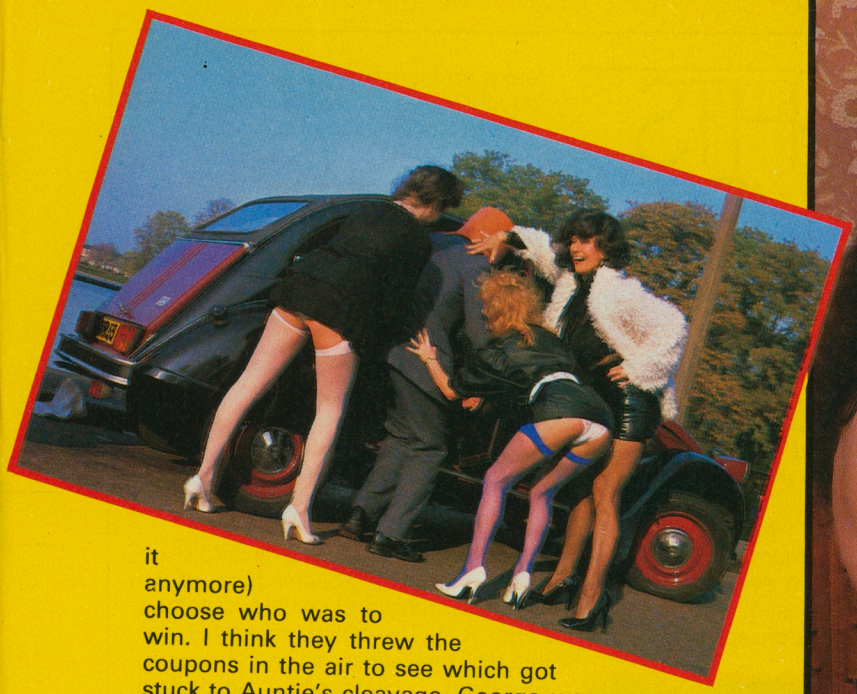

The WINNER!

What a nice reader George P of Basingstoke is. I think George was as surprised as everyone else that he was the winner actually, although as he told me when I rushed to S. London to interview him on Auntie Jayne's bed, being a window cleaner he reckons he is something of an expert where buckets are concerned and even arrived in his own! There were so many entries for our Bucket On The Head Comp., and every single last one of them was so good especially about what they wanted to do to Auntie Jayne's bosoms, that I wanted everyone to win but the eidotr thought that even Auntie Jayne couldn't handle all those readers – simultaneously anyway (she's only got one pair of hands after all). In the end we let Auntie and the girls (Debbie and Georgie – Karen had rush appointments and Donna isn't doing

it
anymore)
choose who was to
win. I think they threw the
coupons in the air to see which got
stuck to Auntie's cleavage. George *was* very
devious and wrote on the bottom that he was a big
healthy boy, so they chose him 'cause they wanted
something nice to play with. Here's lucky George arriving
at Clapham South tube station, getting in Auntie Jayne's
car and fooling around on the bed with a silly expression
on his face (which you would have too if you
fooled with girls like these). Obviously after
everything that went on at the weekend,
George was so ashamed of all the naughty
things he did with all those bosoms, he now
wears a bucket full time to hide his blushes
whenever he thinks about it which from what I
gather is too often for his own good or anyone
else's come to that! – *love Julia.*

"Ouch," said Beryl as he withdrew "Do you really need me for this? Couldn't one of them . . . " Considering it was her idea to bring dildoes into this – against my better judgement, I might add, because I wanted Medallion Man to take all the credit – this was a fine time to start changing the script. "I'm ever so sore," she bleated.

"Oh all right. One of you will have to take Beryl's place. Do you mind?" I had to say it again, because they didn't hear me over all the noises they were making. One of them was already being well and truly shafted by Medallion Man. The other girl saw her opportunity and fetched Beryl's little rubber friend over to me to attach it to her. I obliged after I'd given her a bit of a diddle with it to keep her pot boiling. Then she returned to the bed and it was 'all change'. Medallion Man backscuttled furiously at the sandwich filling. I wouldn't have minded a bit of that.

"Would you like a rest?" The sandwich filling squealed in disappointment as she lost her inspiration. I stepped quickly into the breach. The situation being what it was, it wasn't very long before I was stepping out again. "You're on again," I told Medallion Man as I did up my zip with a satisfied sigh. Now I could be a little more objective. The door opened and the other two 'schoolgirls' came in. More complaints.

"What about us? You haven't forgotten us, have you?" As if I could!

"I think he's about ready for you now . . . "

"No I'm not," grunted Medallion Man as he came all over a pert and wriggling bottom. Withdrawal symptoms?

There was a chorus of groans.

"Not to worry, girls. I've got another piece of equipment here. Why don't you take it over and play around with those two?" I handed them a vibrator.

Wheeee!" They leapt on the bed, shoving Medallion Man aside. A bit put out in more ways than one he lit up one of his French cigarettes and sat on a chair. A few minutes later I managed to catch him in the viewfinder as I panned away from the orgy on the bed. He was doing all sorts of things to try and get a hard on, and as he was doing them he was *flinching*. I chuckled.

"Are your ready yet?"

"Almost," he said, his hand a blur. He stood up. On his feet, I mean.

"That's a bit half-hearted isn't it?" I gestured. "I would have thought that with all this going on you would have been able to do better than *that*."

"I'll be all right once I get going," he insisted. He managed to 'get going' with one of the girls while the other three attempted a manoeuvre us initiates call a 'daisy-chain' on a bed that wasn't really big enough. Medallion Man collected a kick in the chops from a wildly kicking stockinged foot, and he slipped out. The girl frowned at him and stuffed him back in. He struggled on gamely, sweat dripping off him as he

desperately banged away. I remembered what we were all there for and gave the camera trigger a squeeze.

"I'm coming!" he grinned, the merest touch of triumph in his voice. The girl opened an eye. "Well, that's what you're supposed to do, isn't it? Don't sound so surprised!"

Medallion Man dragged himself off the bed while his unsatisfied partner located her clitoris with a long nailed finger and proceeded to do for herself what he had been unable to do for her. Beryl re-appeared, looking refreshed.

"Wow, look at that bed! We'll probably have to trade it in for a new one! Right, aren't I supposed to give him a hand job at some stage while we watch the girls?"

Medallion Man stared in horror. I must have forgotten to give him a copy of the script. Beryl went over to him he kept his crutch covered. Beryl levered his hands away.

"Oh." she stared at the shrivelled object. "Looks like it'll have to be a blowjob. Okay?"

I nodded. Blowjob? It would have needed a hurricane job!

"I'm sorry," Medallion Man said as he put on his trousers, "that's my lot. You must have some great film there."

"Film? I haven't shot any *film*. Yet."

"You haven't . . . What do you mean, *yet*?"

"We haven't done this sort of thing before, you know. I thought it might be an idea for us to run through what we're going to do before we actually start shooting – if you'll excuse the expression."

"You mean . . . you mean . . . that was a fucking rehearsal?"

Four hot females looked at him expectantly. Beryl also looked at him expectantly. Beryl wasn't hot yet, but she had recovered enough to be feeling a bit warmer by now.

"I think we're going to have to exert a little influence," observed one of the cast, disentangling herself and getting to her feet. The others joined her and together they advanced on the cringing superstud. Lucky for him, he backed into the door. The last I saw of him he was being chased down the garden path by a horde of hungry women, who, being in states of undress ranging from gymslip and sod all else but a pair of stockings to a pair of stockings and sod all else, returned quickly to the warmth of the house.

They were not happy.

"Can't take a joke, some people," I muttered.

"What do you mean by that?" demanded Beryl.

"I was only kidding when I said I hadn't been filming. As we professionals say, it's all in the game – especially that lovely shot of you all charging down the path in hot pusuit!"

"Very funny. But you've miscalculated, haven't you? As you said – 'hot pursuit'. And you're the only man in the house!" They all grinned at me. They looked like tigresses preparing for their evening meal.

"Whoa there. I know my limitations – unlike some. Just a mo'." I banged on the wall between our house and the next semi-detached.

"What's all that about? There's only one sort of banging *we're* interested in!"

"And you're going to get it, love. There are four gentlemen next door who will be willing to oblige.

"Our husbands?"

"Yep."

Some time later, when Beryl had completed a little battery-recharging with her magic mouth and I was ready to take on all-comers, she looked up at me with narrowed eyes.

"You planned it all, didn't you? Just to put Medallion Man in his place?"

I grinned and ignored the question. "I think I'm about ready to be put in *my* place now!"

"You sod! Which place do you fancy? I'm still a bit sore." I looked around the room, my eyes lighting on a dishevelled female sitting with one stockinged leg thrown over arm of a chair. "Ready when you are, Mr De Mille," she called.●

What with all the extreme Fun they have been forced to have together The Enormous Five have begun to get quite matey in private life and are always nipping round to one anothers houses or meeting in restaurants for lunch to reveal the degenerate things they are made to do for Paul Raymond Publications and then they often lurch around to Raymond Towers in the afternoon especially when its Friday and spread themselves out to dry on the Editorial leather couch and demand strong coffee and it was on one of these Friday afternoons that one of them (probably Debbie) was wondering what was the silliest way to spend the coming weekend and Donna said that going camping was about the daftest thing she could think of in this weather and they all larfed not realising that the Ed was listening or possibly even alive – well it's hard to tell when Somebody is coiled up in a feetal position clutching a half full bottle of Chateau Leoville-las-cases 2me Cru St Julien 1977 (a present) but in fact the Editorial ear was uppermost and had had enough to drink as indeed had the rest of him to recognise a Good Idea when he heard one.

Photographer Wilson was asleep using the Editorial typewriter as a pillo which was partly the reason why there was no Editorial Typing being done as no Photographer relishes having a carridge return crammed into his ear but we managed to rouse him enough to make him lend us his tent and then we all rolled into a couple of cars and whizzed off to The Country. Have you ever seen five largely bosomed persons trying to put up a tent dressed only in stockings and suspenders (*not* the tent) and making vulgar boddily gestures to the nice man with the tractor in the next field? I can reveal it is a giggley sort of experience with lots of shrieks and lustful moans in it especially when they all clapsed into a fleshly heap inside and one of them said I wish that plowman would get in here and bring his lunch then they all discussed in intimate detail who would do what to whom if he did poor man but then the Big Five have a known streak of vulgarity which is why we like them. *Julia Jones.*

MY SEXUAL FANTASY

The fair, nervous-looking young man cracks open the door, glances inside, then carefully eases himself through.

'Brian!' a voice hisses. 'Good to see you!'

The young man shakes hands with a tall, urbane-looking middle-aged man who stands to one side in the gloom.

'I didn't mean to barge in,' the young man murmurs. 'I thought you might have finished filming so I could give Suzanne a lift home.'

The tall man shakes his head. 'You're not barging in – after all, Suzie's your wife.' He smiles. 'She's doing marvellously by the way. A really natural little actress. It's the actor we're having the trouble with. Come and have a look – '

The young man hesitates as the other moves off. 'Suzie was a bit nervous this morning about this big romantic scene today. I think she's afraid I'll put her off.'

The tall man shakes his head. 'She won't see you beyond the lights. Come on – they're nearly ready to go again.' They move across the floor.

'I still can't believe this is happening,' the young man says, wonderingly. 'I mean, my Suzie actually acting in a film. It's like a dream come true for her – for both of us – '

The tall man smiles back. 'Well, you spotted her potential, Brian, when you sent off your snap of her to that men's magazine. So many young actresses look down on what I call saucy films, because that's all they are – just a bit of fun for everyone. It's only acting, after all – doesn't do any one any harm. We're not pornographers, for God's sake – '

The young man nods sympathetically as they reach the ring of tripods and lights. But he still blinks, startled, as he catches sight of a young woman sitting on the end of the bed in the middle of the set. She is small, blonde and pretty and, but for a pair of tight, pink pants, quite nude. A girl is dabbing powder onto her large, bare breasts. Nearby a broad-chested man in his thirties, dressed only in Y-fronts is chatting to a man in jeans.

'OK, places everybody!' a voice calls. The set clears.

'Right, Suzie,John,' the man in jeans announces. 'We'll run through the whole scene. OK?'

The young man positions himself behind a light as his wife and the older man nod. She straightens on the end of the bed, while her companion stands in front of her, feet astride, his back to the camera.

A voice calls, 'Quiet everybody! Action!'

'Do you like what you see?' the man in pants asks. The blonde smiles at him.

> «She is small, blonde and pretty and but for a pair of tight, pink pants quite nude»

'I haven't seen anything yet,' she says. 'Be my guest,' the man says.

The blonde's grin widens. She lifts her hands, sliding her fingers up the backs of the man's thighs onto the sides of his Y-fronts.

'She does that so sexily,' the producer murmurs next to the young man's ear. 'Wait to the climax of the scene, though. Her conviction is amazing.'

The young man glances at him, a flicker of unease crossing his face. The girl is slowly peeling down the man's underpants, baring hard, hairy buttocks. 'I didn't realise the fellow was stripping too – '

'Oh God yes,' the producer murmurs. ' It's got to look real these days. No close-ups, mind. Can't have stiff, hairy dongs bounding about or we'll end up in court.'

The man is stepping out of his pants and stands up fully naked. The blonde sighs, her wide eyes focusing on his unseen crotch. She reaches up her hand and leans forward, her blonde head disappearing behind his thigh. In a moment it begins to bob slowly backwards and forwards. The man shudders.

'Jesus – that feels good – ' he gasps. 'Oh suck it – suck it – '

The young man blinks rapidly. 'Here, I'm not sure about – '

The producer beams at him. 'Looks fantastic, doesn't it? You'd think it was the real thing.'

'Oh – ' The young man's face drops. He sighs. 'It just looks like she's really – will *he* be alright?'

'What, John?' The producer nods. 'Don't worry. He's an old hand at this game – a real professional. Can't imagine how he keeps a cool head with a girl as sexy as Suzie, but he does – !'

The young man nods uncertaintly; he is sweating.

The girl is rising now. 'My turn,' she smiles. The man sinks to his knees in front of her. He reaches up and begins to slide her tight, pink knickers down her thighs. She stands, hands on hips, grinning down at him as her thick blonde pubic bush rises into view. Her husband stares, his mouth tightening, as she steps out of them, glowingly nude, sinks to the carpet in front of her partner.

Instantly he embraces her, kissing her fiercely on the mouth, bringing his hands up onto her full, firm breasts, stroking and kneading them, dropping his mouth to kiss and lick and tease her stiffening nipples.

The girl's head falls back with a gasp,

her eyes shut, her mouth falling open.

'Look at that!' the producer whispers. 'That's the kind of acting that sells movies – '

The young man is frowning more than ever. 'I really thought there'd be more dialogue – it just seems sort of straight sex – '

The blonde shudders suddenly as her partner drops a hand from her breast and slides it down between their naked bodies. The girl moans as he rubs it up and down between her legs.

'Look,' the young man breaks in suddenly. 'I'm not sure he should be touching Suzie like that – '

'Like what?' the producer asks as the girl gives another loud groan. Her head tosses. Her skin is flushed. 'Oh you can trust, John. He's an expert at making things *look* much worse than they are. Suzie's alright.'

'Dialogue, Suzie!' the man in jeans calls.

'Quick!' the girl gasps, her breath racing now. 'On the bed – I want you – I want you in me – now!'

The girl's partner rises to his feet, grasping her round her waist, lifting her with him as her arms encircle his neck and her slim, shapely legs fold around his back. Her face, red and gasping now, is visible over his shoulder. Then her eyes widen in shock as he suddenly falls forward onto the bed, pinning her naked body under his.

'Oh yes – oh yes – !' she hisses as he pulls back, fumbles at his crotch then lunges forward again between the girl's thighs. She grunts as he begins to hump her, his hard buttocks clenching and unclenching with each thrust.

The young man blinks sweat away from his eyes and finds his hand trembling. 'This is quite an eye-opener. I'd no idea you could make it look so – real – these days – I can see why Suzie wanted privacy – '

The producer shakes his head. 'It's just a natural shyness – ' 'Oh God!' the girl cries. That's so – deep – you're breaking me – !'

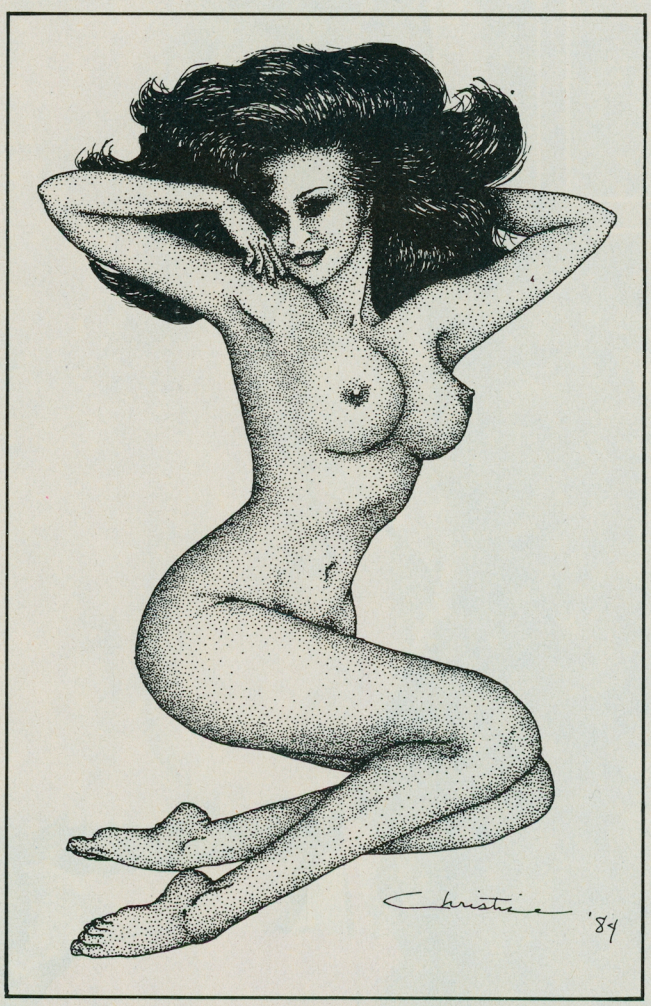

'Stick to the script, Suzie,' the director calls.

The girl tosses her head on the mattress, gasping with each thrust. 'Oh fuck me – *fuck* me – harder than that – harder – do it in me – do it in my pussy do it now – !'

The young man feels the producer's elbow in his ribs. 'Now don't miss this bit it's really classic – '

The girl's eyes suddenly snap open. 'Christ!' she gasps. 'it's happening – I'm coming – I'm coming – !'

And as her partner gives a final thrust she flings back her head and he slumps across her while she heaves and gasps. 'Great!' the director calls. 'Finish for today!'

Lights come up. Blinking, the young man takes a deep breath, visibly shaken as the producer touches his arm. 'Let's congratulate your wife,' he smiles.

'Suzie – that was just incredible,' he says. 'I just didn't know you had it in you – it looked so *real!*'

> «The girl is slowly peeling down the man's underpants baring hard, hairy buttocks»

Then his eyes drop as the girl's partner moves to one side. Plainly visible, a long, limp penis slides from the swollen lips of her pussy. 'Oh shit – ' the girl murmurs . . .

Suzanne T., who is 26 a resident of Birmingham and the authoress of the above fantasy relishes the idea of 'being very naughty indeed, and then found out just as I think I've got away with it. That's the best bit – and my husband thinks so, too!'

Twenty-four-year-old Jacqui, who hails from East Anglia, prefers an element of deceit in her fantasies too, though in a very different situation: the public swimming baths.

'When I was a teenager I used to go all the time – a group of us used to pick up boys there. We got into some right scrapes. I'll never forget one fellow who was about eighteen and really well-developed and sure of himself. He took a fancy to me but I was only sixteen then and he was *so* hunky I was terrified of him.

'Part of the problem was his size – he had a bulge in his trunks that looked like a corn cob! But it was real because he had this trick of getting himself stiff underwater and then nudging up against any girl he fancied and asked her if she liked it. That was the rumour, anyway, but I know it was true because he did it to me once.

'In my fantasy I imagine there's a special kind of nitty-dipping night at the baths. It's supposed to be for young people to enjoy a swim without having to fuss about costumes, but everyone turns up for much naughtier reasons!

'To make everything respectable boys and girls are only supposed to mix actually in the water. And being "boisterous" – that's any sort of public touching up or fondling – is strictly forbidden. Outside they have to stay on their sides of the pool.

'Another rule is against anyone seen "showing off". That really means if a boy gets obviously excited – either deliberately or by accident – he's told to leave. But of course the game is to get round the rules.

'Once you're in the water it's very crowded so there are plenty of excuses to bump into people or touch them up. The girls are always complaining that the boys keep "accidently" brushing their boobs or running their hands over their bare bums or even trying to touch

them between their legs. But never loudly enough to make them stop!

'It's very obvious, to people who know the score, that some couples are having quiet feels under the water. The fellow my friends and I wouldn't mind feeling is this big hunk who's very like my teenage Adonis. He's blonde and bronzed with a beautiful physique but what every woman in the place has noticed is the massive, meaty-looking *thing* slapping between his legs. It must be a good four inches long and looks as thick as my wrist. My girlfriends have long giggling conversations, wondering how much thicker he can get when he's stiff.

'Of course he's very aware of the effect he's having and really plays up to it, which annoys me. But I still can't help fancying him like mad, and it makes me even more annoyed when I see all these girls laughing and giggling round him whenever he gets in the water. It's one of the boys' favourite tricks to get themselves stiff underwater and then brush up against the girls or persuade them to touch them or even wank them off where no one can see. The thought that he's probably doing that with these other girls makes me really jealous, but I'm too nervous just to go up to him.

'In the end, though, one of my friends makes a move, and I can't have that so I summon up my courage. He's in a corner of the shallow end, which is waist deep, surrounded by about half a dozen giggling girls. To my delight, and horror, he grins straight at me as I come up behind them, and says, "Hello, love. Come to have a look at John Thomas, have you?"

'I look down and just beneath the water I glimpse the huge red bulb of his erection. Perhaps it's the effect of the water but I've never seen anything so gigantic. I go bright scarlet and then get really angry he's embarrassed me by being so crude.

' "I don't want to see your John Thomas!" I snap. But he goes right on grinning. "Oh that's a pity love, because I thought you might fancy giving it a suck. I feel in the mood."

'I blush even deeper, absolutely shocked, but before I can utter a word, my girlfriend suddenly chirrups: "I'll do it, Vince."

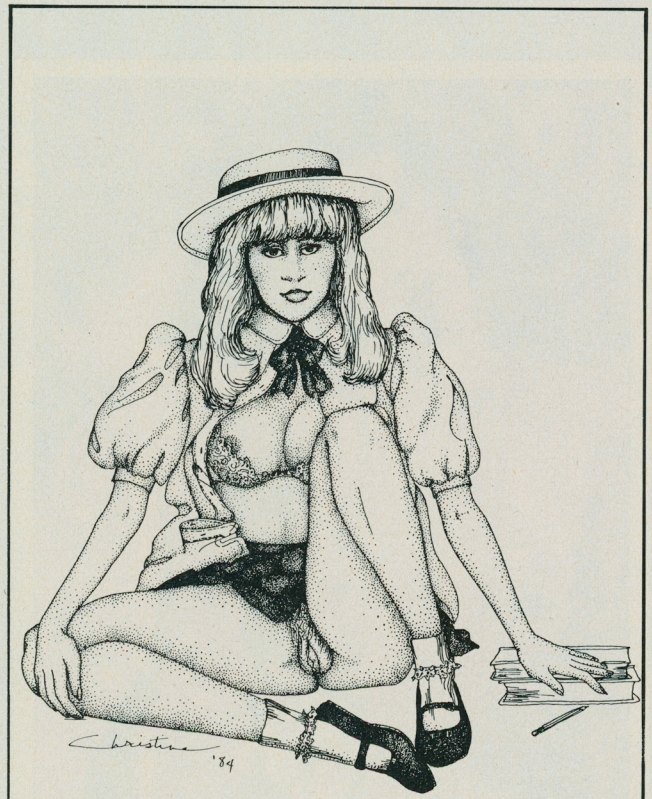

'His grin broadens as she wades forward and crouches down in the water in front of him, her face bright. The other girls exchange looks of astonishment and very obvious envy. My friend brings her lips right down to the water and we all get the tiniest glimpse of a red swollen knob breaking the surface just as the girl's mouth covers it.

'Vince tenses and breathes in deeply as the girl's head begins to bob up and down. 'Slowly now, darling." he purrs.

> «What every woman notices is the massive, meaty-looking thing between his legs»

"Not too obvious now or we'll get thrown out. And anyway I want to save it for later – "

'One of the other girls lets out a gasp. "You're not going to *here?*"

Our thanks to a lady this time. Christine of Norfolk drew the duo seen here and gets £25.

'He turns and grins at her. "Why not?" Then he glances up at the old fogies who sit at either end of the pool making sure there's no hanky panky. When he sees that neither is looking he leans over and cups the girl's bare breast in his hand. making her jump. "You know you've got lovely tits," he tells her.

> «I look down and just beneath the water I glimpse the huge red bulb of his erection»

' "Will you do it with me, Vince?" she blurts looking longingly at him.

' "I might give you a little fuck later, love," he replies and I can tell he's said "fuck" just to see the shock and the excitement in his girlfriends' faces. Then he says, "But the one I fancy right now is you." And he stares at me!

'For a moment my mouth goes dry. The girl who's sucking him stops and turns. All the girls stare at me as if to say, "What's *she* got?" Then I get my voice back. "I wouldn't fuck you if you paid me!" I snap.

'A couple of the girls gasp but he just laughs – he likes that. "What's the matter?" he says. "My cock too fat for you?"

'I feel myself blush which makes me even angrier. "I can take anything you've got," I hiss. And he moves towards me!

'The girls hem me in – I'm right in the corner of the pool. "Sure your pussy can stretch enough for me?" he grins.

' "Don't you touch me!" I cry. But he bumps against me, towering over me, and I feel the hot, thick rod of his cock prod my tummy. Then, very quickly, reaches down and darts forward so that his shaft slips right between my legs – I'm straddling him, his big knobbly length hard up against my pussy!

' "You shit!" I whisper, and then gasp as he begins to move, jerking his hips backward and forward so that his cock strokes my pussy lips., The pool edge is against my back – and the feeling is incredible.

'I can't understand why someone doesn't stop us. I glimpse one of the girls staring, open-mouthed, then I realise her hand is working below her waist, underwater – she's playing with herself.

'And then it starts to happen, despite myself. My whole body begins to throb and burn. I want him. I want *it* and it makes no difference what I think of him. And that's when we're spotted.

'A whistle blows and there's a shout. "Just having a game!" Vince cries out, and immediately his other girls start shrieking and jumping and splashing about all round us.

'But right in the middle of it Vince suddenly grabs me around the thighs, lifts me up and just sticks me on the end of his great cock. That's exactly how it feels – like being impaled on something hard and blunt and throbbing and gorgeous! And all I know is that as he lets go in me and he floods me with spurt after spurt of hot sticky come I have the most mind-blowing climax of my life. Now if I could guarantee something like that happening just once in real life I'd have webbed feet by now!'●

whereabouts their tongue was lost so keep it up H.F. Love from Julia.

Paris snatch

I like *Escort* very much. It is difficult to find it in France because of scarcity, but I do find it.

Your vol. 4 no. 9 with the five girls' big tits, was particularly delightful. It was a real huge boobs festival for me, a real "tits man".

But I especially loved Paula Jayne and her big mat of hair. In France we call such a big mat of hair . . . a she cat.

I am also a true "hair man". I love very wild, shaggy, thick, large she-cats. They give mystery to the female sex and it is very exciting to discover lips, clit and hole under this mat of hair with tongue, lips, fingers or penis.

I'll send you photos of my girl-friends' pussies if you would like. You can also ask your readers to send me their pictures of "shaggy pussies". I'll give them back ravishing, erotic samples of my own collection. Excuse me for my bad English, *M.B. (full name and address withheld by request), Paris.*

Could do better

I have toyed with the idea of writing to you on several occasions but then convinced myself that it would be pointless and therefore didn't.

However, with some time on my hands, I have decided to put pen to paper. I am torn between *Fiesta* and *Escort*. I consider that *Fiesta* poses their models better and contains more total nudity than your magazine. Usually I preview your mag before buying it and if I like the cover and or the busty end feature if you'll pardon the expression, I will buy.

One of the things that I like about your mag is that there is almost always a full busted model. My criticism is that there is a lack of total nudity. I must have bought more than a dozen issues before seeing a full length nude of Auntie Jayne and then it was just a small photo in *Meanwhile*, often the best part of your magazine but so frustratingly, containing only small photos. I think this feature should be spread over 4 pages and have much larger photos. I also think it would improve your mag immensely if the well endowed end model was also spread over 4 pages and always containing full length, totally nude full frontals (shoes permitted). Also an inside feature showing the cover girl again, nude.

Your features containing the Rude Bunch, vol. 4 no. 9 was a disappointment. Such fantastic talent and such poor posing. How about a repeat but this time full length nude poses that display their wonderful charms to the fullest. The female nude is so vulnerable and when posed invitingly, is the most sexually beautiful thing imaginable. Your regular Lynn Armitage is another truly fantastic beauty with a truly remarkable body, so firm and athletic and yet full busted.

I thought that your Girls of Newcastle group were the best that you have featured so far but here again the disappointment of not seeing them in at least one full frontal nude pose each – after all, they were available – such a waste. Is there a chance of a repeat of at least Karen and Anabelle displaying both breasts and pubes, after all out of 32 photos of the girls all but 10 showed only what can be seen on many beaches today. The best feature was *D.I.Y.* and although Alex was truly lovely I could go out of my mind imagining any of the Rude Bunch or Lynn posed in this way. Some of your photos in point of fact show very little of the models' bodies.

Paris snatch: 'In France we call it a "she-cat".'

Your series of pics on Kitten Natividad was excellent but oh! if this had been double length with more full frontal length photographs!!

I also thought that your comments on T.S.'s wife "M", page 54 unkind. I thought that she was beautiful and ravishingly posed. If you would possibly grant a frustrated, miserably married man a request it would be to see full length frontal nudes of Fran vol. 2 no. 11 and Jackie vol. 3 no. 9. I bought your Best of Escort to see more of Fran only to find that it was a repeat of the original set.

It may sound strange coming after all of the above criticism but keep up the good work, you can only get better. *F.D. (full name and address withheld by request), Reading.*

Crumbs, F., that's quite a list! I don't know if you know that there are well over a quarter of a million Escort buyers out there, and even more devoted readers (including its staff), and we're trying to please everyone every month, but constructive criticism such as yours is always welcome, as if we didn't know whether you liked what you were seeing, we wouldn't know what to change and what to leave alone.

We think you may have misunderstood our comments on T.M.'s wife "M", but we fully agree with yours, and hope you like us even better next month. – ed.

Barbara

My wife and I are avid readers of your fine publication. We especially like your letters and stories (in addition to the gorgeous models) and find many ideas which keep our own sex lives new and exciting.

Not to imply that my wife, Barbara needs any ideas. She is, in fact quite sexy and can get somewhat outrageous at times. She has, over the years, developed into an exhibitionist which we both find exciting.

Barbara always dresses sexily but on some occasions she gets very revealing. This involves wearing a short skirt with her favourite garter and stockings with no panties. In addition, she'll wear a tight low cut top which leaves nothing to the imagination. We have spent many afternoons on the buses during which she will sit across from another man and cross her legs so that he gets a good look at her beautiful shaved pussy.

Or we will go to several shoe stores where she will insist that the salesmen kneel in front of her to help

E1 VISTA VALLEY PTA
High school jinks. A new teacher joins the school and is shocked by the antics of the students. Sex in the classroom, in the gym, prostitution, night patrols and enough kinky sex to turn on even the new teacher who eventually relents to a good old fashioned gang-bang.

E2 THE BLOND NEXT DOOR
Barry discovers a unique cologne when he seduces 'Cindy' an innocent 'girl next door' virgin. With the cologne he discovers he is irrestible to women. His usually frigid secretary cannot get her pants off fast enough, his sister's best friends fall the same day. To maintain his supply of cologne, he must continue to satisfy Cindy's appetite-all of which we see + Cindy in action with super studs, Lesbians & a variety of fantasy situations.

E3 HOT RACKETS
Tennis players do it with deeper strokes? the answers in "Hot Rackets". The sexiest most expensive adult movie ever made. It starts with the women's changing room and lesbian antics and moves on into the homes of the wealthy, where the strokes get longer and deeper and sexier. Its where the action starts with lesbianism, high jinks and a lot more besides.

her get the right fit. All the while she is enticing them with a clear view of her crotch. I love to watch the reaction of these men as they become distracted from their appointed task. I must admit though, they never complain no matter how many shoes she tries on.

Our adventures reached a pinnacle last week when we stopped in at a local sex cinema. No sooner had we sat down when up came her skirt and she placed my hand in her warm juicy pussy lips. After playing with her clit for a while, I was rewarded as she quickly freed my rock hard cock from my pants and immediately went down on me. It wasn't long before she brought me off in her mouth in an incredible orgasm.

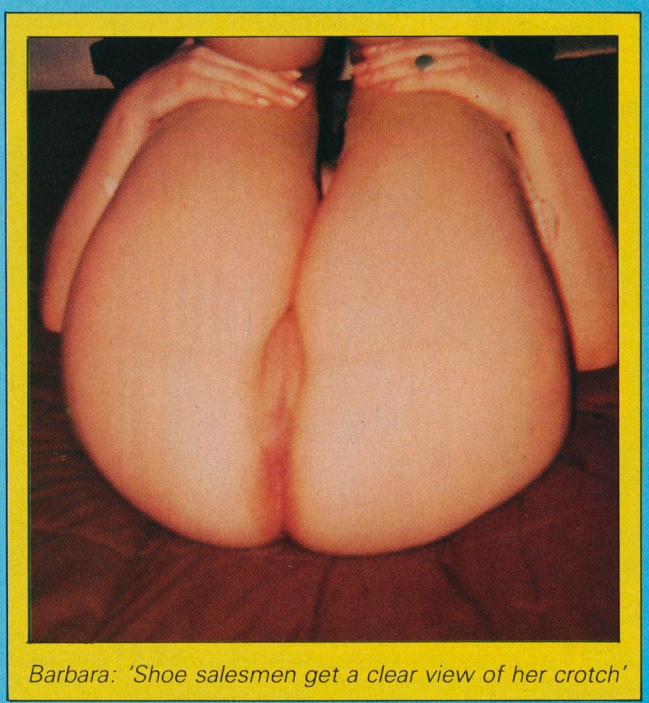

Looking up, I was surprised to find that several men had moved closer to us while she was sucking me. One in particular had sat just two seats from Barbara in the same row. She flashed him a big smile and he slid over between her legs on his knees. Barbara was delirious as he licked and sucked her pussy. She had to bite my sweater to stop from making noises. All the while, two or three other men sat watching and wanking. Barbara held his head tight to her crotch and muffled her cries in my sweater as she stiffened in orgasm. She quickly returned the favour and sucked him off before we left. *S.O'C. (full name and address withheld by request), Edinburgh.*

I agree that having to bite one's loved-one's sweater is the ultimate in turned-on-ness. Julia.

Scots surprise

I am, I suppose like many men and enjoy wearing women's underwear although I like to show it off. I have a pair of tight light blue canvas trousers and with them on you can see clearly that I am wearing women's panties, stockings and suspenders. It turns me on to hear ladies giggling to themselves as I walk past.

One Saturday afternoon I had a great plan. I was walking through the crowded park with three of my pals and when I gave them the signal they grabbed me and tried to pull my trousers down. I pretended to struggle and by this time a group of girls had gathered round to watch. Finally my trousers were pulled down to my ankles revealing white stockings and tiny white panties. I still wank myself off thinking about the gasps and laughter as I lay on the grass showing everything. *D.T., Glasgow.*

Barbara: 'Shoe salesmen get a clear view of her crotch'

Fantasy nurse

I am a twenty-six-year-old housewife and have often had the following fantasy.

I am a nurse and I arrive at work one evening for night duty on a male ward when I realise that I have no uniform. The only girl who has a spare one is only four feet tall and I am five foot six inches. I try it on and it just shows my stocking tops. "Oh, it will have to do," I cry, "I haven't time to go home for one."

I walk onto the ward and all the men stare at me. I feel self conscious but at the same time strangely excited. If I have to bend down the patients can see my knickers and they keep dropping things purposely to make me bend over.

Soon after the lights go out most of them drop to sleep except one young lad who I fancy. He asks if I want to play cards with him and I pull the curtains around his bed and switch his bedside light on. I sit facing him on the bed with my legs crossed and he can see my stockings and suspenders. As we play cards I can see his bulge growing underneath the sheet. Suddenly he reaches out and places a hand on my knee. I smile at him and tell him that he is naughty. He lifts my dress up so that he can see my knickers which are by now, wet with my juices as I am so excited by watching his bulge grow. "Why don't you uncover it," he asks as I stare at the sheet. I pull back the sheet and up stands the biggest prick I have ever seen. it must have been at least nine inches long and really thick.

I cannot resist tasting it so I lean over and tickle the tip with my tongue. He pushes my head down and thrusts upwards so that it all goes in my mouth right to the back of my throat.

We make so much noise that the other patients hear us and want to know what is happening and so the other nurse pulls back the curtains and puts the main lights on so that they can all watch us. I straddle him, pull my knickers to one side and slowly lower myself onto his prick. He thrusts upwards and sinks into my pussy. He opens the top two buttons of my dress and pulls my tits out. They are pushed upwards through my dress and it makes them look bigger. He squeezes my nipples really hard and makes them stick out. I look around and can see all the other blokes wanking themselves. The other nurse is sat on a chair with her feet up and her legs wide apart feeling herself. She takes her knickers off and pushes her fingers straight up her pussy. I start having orgasm after orgasm just thinking that it is me turning all of these people on. *Mrs. C. G. (full name and address withheld by request), Chesterfield.*

Short pants

Congratulations on a very fine magazine. How I enjoy my monthly copy of *Escort*. Whatever has happened to the more mature ladies? It seems now to be all young girls in exotic lingerie. In the past, you have featured several mature ladies in their more traditional undies, not tiny tanga briefs which they all seem to wear nowadays.

Whatever happened to the delightful Verona Sampson, the glamorous grandmother from Coventry? How I would love to see her pics again or some new ones if possible. As a magazine which features panties so much why could we not have more ladies wearing just their panties. I am still waiting patiently for some of your own staff to feature prominently in their undies. Can we not have a nostalgia spot for some of your models from the past?

Carry on the good work with lots of knicker shots especially one or two with them rolled down provocatively. Could we also have more girls in uniforms with their underwear on view.

Please, please, chase up Verona and get her to pose for us again. *H.T. (full name and address withheld by request).*

My editor features prominently in his why fronts but it is not really a sight fit for publication. Love Julia.

Reader's Letters

CONTINUED FROM PAGE 70

the elite band of *Escort* readers who has the whole set and I intend to keep it that way.

Okay, down to business. I've spent some time reading and re-reading my collection and the standard never seems to drop. The girls seem to get better every time and I shouldn't think I can make a compliment that hasn't been made already.

Flicking through the columns I am pleased to see that nearly every photoset includes a shot of that marvellous twinset, La derriere! I consider myself a connoisseur on this subject, my fiance being happily build in the hind quarters.

One of our favourite passtimes involves me tracing every contour of her warm flesh. It starts with a lingering kiss then to the neck and shoulders around her breasts carefully avoiding the nipples, down over her stomach until my tongue reaches her nest. Stopping here, its back to her breasts for 10-15 minutes or so of nipple worship which really warms her up. The final journey for my tongue and fingers starts at the back of her neck working all the way down her spine until I reach my favourite bit, a long lingering appreciation of her bum cheeks before my tongue slides at last, quiveringly over her small hole and into the warm wet depths of her pussy. You can imagine how we feel after this little lot, and that's before the main course. *Mr. D.H. (full name and address withheld by request), Herts.*

Skin cream

Many thanks for getting my photos of Liza and Auntie Jayne published. It's still the best magazine on the market and you do a super job for it, Julia.

The smashing smile and bottie belong to Helen B of Surrey. She is 25-years-old, 36-25-36, loves wearing stockings and suspenders and when she is not looking sexy for the camera she is dreaming of being screwed by a well hung male while sucking hard on another huge prick. Helen also loves to have her tits spunked upon after which she rubs every drop of come into her skin. Oh well, it's nice to dream!

Hope you can use her pics, she has always wanted to appear in the mag which we buy every month. *R.H. (full name and address withheld by request), London.*

Skin cream: Helen's favourite kind?

Sally, Sally

It is rarely, if at all, that I write to publishers of books or even magazines but I feel that I must write to compliment you on finding such an attractive girl as Sally, vol. 4 no. 11. As a rule I am a very difficult person to please because although I buy your mags from time to time, it is the charm of a girl with a pretty face and I mean exceptionally pretty, that really interests me. I don't suppose there is any chance of seeing her again or of obtaining some photo's of her, preferably in a mini-skirt or jeans as I am not very fond of stockings! *D.F. (full name and address withheld by request), Lancs.*

Not fond of stockings! What a rare creature you must be. Perhaps we should have you stuffed . . . Actually don't tell anybody but I don't always like them either and sometimes I don't wear them – the same with panties. Love Julia.

Rude bunch

Once again! This time the subject is "Statistics". I have never been bright academically, but for one who is studying this subject, I have come to the conclusion that the "Rude bunch" mean a stiff prick.

Perhaps others who look at the pictures but can not quite pronounce the words in different parts of the country are coming up with the hard facts. I have just noticed the rude nude bunch seem to be smiling at me, I think they know that it is only a matter of time before I will be holding another instrument.

I can not fight it any longer. So thank you Auntie Jayne and friends, your *Escort* task "exquisitely" done, for the lovely way you make us come! *J.A. (full name and address withheld by request), London.*●

YOUR COUNTRYWIDE PLEASURE GUIDE

HAIR LOSS? The Elvera Maughan treatment for baldness has been featured throughout the national press and on BBC Nationwide. Certainly many of you will have seen the current Prime Minister's Private Parliamentary Secretary photographed in several papers showing new hair produced by Miss Maughan's remarkable lotion. Most so-called lotions are either dangerous (use of hormones) or simply gimmicks. Penthouse Forum magazine has done no less than three in-depth surveys of Miss Maughan's treatment deciding quite independantly from interviews with many of her clients that it works! Why not find out for yourself. A six week course costs only £39.95. Compare that with the expense and trauma of a hair-transplant. Cheques, order or enquiries should be sent to: ELVERA MAUGHAN c/o, 10 Redcliffe Close, Old Brompton Road, London SW5.

Brrrr – isn't it. I have been sent a memorandum from the Accounts Dept begging me to try to generate more body heat which is cheap rather than continually sneaking into the boiler room to turn up the thermostat and I got the impression they were a bit surprised I was even capable of this as everybody knows I am not mechanical but let us face it – anybody can twaddle a knob and frequently does. They also said that they could not see the need to have hot water in the ornamental fountain in Reception as nobody is going to bathe in it but this only shows the poverty of the averidge accountpersons imaginative faculties as at the office party there is often keen competition to see whom can get wettest inside *and* out and by the following morning the water is sort of murky and has Stuff floating in it and then the memorandum goes on to suggest several Alternative Methods of keeping

warm (under the heading of Ways and Meanies) amongst which are several that I consider to be not quite nice – I think they have been reading *Men Only* – and then they say why don't I type more things . . . well really . . . ! Only this morning I was taking dictation from Auntie Jayne (jealous?) and I was struck by the the interesting things she was saying about testicles if you will excuse me mentioning them. Testicles aren't just jolly things to play with you know but are busy all the time making 50,000 per minute which is 72,000,000 per day so next time ones man sits idly watching England lose 5-0 to Dynamo Treblinka on the television one must remember he is really busy. Next month there are girls from Birmingham taking their clothes off and even more girls who are not from Brum doing it as well and just think you may have made 100,000 new sperm while reading this. *Love Julia.*
