COVER GIRL

After Marti appeared in the Christmas issue playing nude snooker we had all these letters from readers who wanted to tell us what she had done for them and what they could do for her so of course next time she was in London I gave them to her to read and my goodness did she blush! She went fiery red and shivered with delight and said 'bloody hell' faintly several times. I realised I had forgot that despite her 37-23-36 figure she is only 18 and some of the things *Escort* readers think up can be startling if you are not used to it. Anyway she took some of the letters back to Bristol with her cos she wanted or re-read them while alone so chances are she'll be used to it soon. — Julia.

Reader's Letters

Black again

My husband was really turned on seeing my letter in *vol.5 no. 11* – he hadn't realised that one of my fantasies was a "threesome" with him and Mohamed Ali, so last week he decided to give me a treat.

One night he came home and told me that he asked a black friend from the office over for a drink. With a twinkle in his eye, he suggested I put on sexy underwear, so I went and put on a my really pretty black teddy and black stockings under a very revealing dress. Now, I've always fancied making love with a black man and have always had the "hots" for both Mohamed Ali and Sidney Poitier. Still I've always been too shy to do

anything about it.

I started to get a bit nervous about what was to come and when the doorbell rang I disappeared upstairs in embarrassment. Downstairs I could hear my husband, Jim, talking to someone else. Then the door opened and Jim came in on his own telling me to relax and have fun. He slid my dress off and told me to squat doggie-style on the bed with my bottom in the air. Gently he undid the bottom poppers on my teddy and began stroking my clit and my cunt lips. I began to moan and could feel my love juices starting to flow as Jim forced his tongue into my cunt. Jim gets a kick out of taking raunchy photos of me and he snapped off some quick shots as I was getting warmed up – it

would turn him on to see this one printed.

Jim then slid under and after sucking my tits, gently pushed his cock into my cunt. At that moment, the door opened and I felt an extra pair of hands fondling me, pushing a finger slowly up me.

I was still on all fours and turned round to see this beautiful, muscular, gleaming black man standing behind me with an enormous erection. I shuddered in anticipation and wondered if I could really manage two men at once. Slowly, Leon pushed his prick against my bum while Jim was pumping up my cunt. But seeing Jim wasn't going to give up his hole, Leon came round to my head and I began to suck on him.

The pace increased and both cocks began ramming into me. I was having orgasm after orgasm and felt like my mind had floated away. Finally Jim and Leon came at the same time and when they were both out of me, my body shook for minutes afterwards.

Okay, so Leon wasn't Ali, but physically he wasn't too far away from my ideal, so my next fantasy is the entire

Bottoms up

My most exciting experience happened last year. My girlfriend surprised me for my birthday by dressing up in a little nurse's uniform

complete with seamed, black stockings and high heels and full red lips. She paraded around in front of me for ages, bending over to reveal tiny black knickers and lots of firm bum cheek. However, she wouldn't let me touch at all!

Finally when she did decide to release my cock from my trousers, she began to lick and suck me. I slid my hot six inches between her cherry red lips and she looked up at me through her long eyelashes with a look of total innocence!

It didn't take very long before I was jerking my cock in her mouth and shooting my sperm over her face. After, when I had recovered, she went down onto all fours and thrust her big bottom at me. I wasted no time in kneeling behind her and running my hands over those cheeks before thrusting my penis into her hole and giving her a long hard fuck!

Please find enclosed a photo of that delicious bum. I wish more people would give me this sort of pressie! *Tiger* (full name and address withheld by request), Northants.

Dirty trick

My earliest fuck was with the older sister of a girl I had been going out with for several weeks. Laura was my girlfriend and we were very much into heavy petting although we hadn't actually fucked. Then one Saturday afternoon, I ended up in the garden shed with her. We were having a kiss and a grope, Laura had my cock in her hand and I had one hand in her knickers with two fingers slipping in and out of her sopping fanny. We had been in this position for

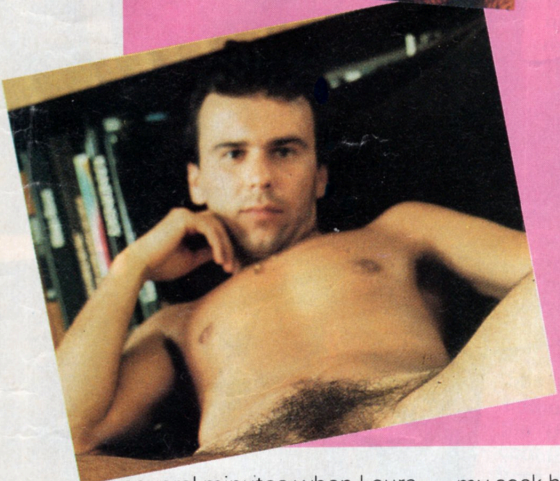

Maid in Switzerland

Hello People. I am saying you just three things. I am writing to tell you how I enjoy the best magazine in the world - *Escort*, fantastic! And I am sending you two pics of Gerda from Munich.

Gerda is 19, 38-26-36. She likes tools with a big head. She wears no knickers and is always wet between the legs. She likes to stand at the mirror, play at her pussy and talk dirty - a fantastic cock teaser.

There is also one pic of me. I dedicate this one to all those terrific ladies like Jan B. The Girls of Yeovil and to Heather of your latest issue, she looks like she likes cocks, do you think she would like mine? I am twenty three and would like to meet all of the ladies I have mentioned at once. *L.M.* (full name and address withheld by request), Switzerland.

several minutes when Laura told me to take my hand out of her knickers. She then leant back against the potting bench, lifted her skirt and opened her legs, displaying the very wet crotch of her pale yellow panties.

She then grasped my cock and started to rub the exposed knob round the crotch of her panties while pushing her hips forward against my prick. The sensation caused by the wet, slightly cool nylon of her knickers rubbing against my cock was fantastic and I told Laura that I felt close to coming. This caused her to increase her gyrations and she called out that she was already coming. I then grabbed her buttocks and pulled her towards me as I climaxed, soaking her already wet gusset with my spunk.

As we tidied up Laura said that she had enjoyed the feeling and wanted me to fuck her properly and soon. She then told me her parents and elder sister would be out on Wednesday evening and that she wanted me to go round to keep her company.

Wednesday finally arrived and at seven p.m., I was knocking on Laura's door,

my cock half hard in anticipation of the delights to come. Imagine my surprise when Kay, her elder sister answered the door. She explained Laura had gone out in her place as she was feeling unwell. Not wishing to impose on her I said that I would call back but Kay said that I could wait on Laura inside.

Kay made us coffee and it was while we sat drinking it that she dropped her bombshell. "I saw you fucking Laura on Saturday afternoon," she said in a clear voice. Well, I almost choked on my drink. As I coughed and spluttered she looked at me, smiled and said I shouldn't worry as she had no intention of telling

anyone. Once I had recovered I explained that I hadn't actually fucked Laura or anyone else for that matter. Kay smiled again and said "We'll have to remedy that then, won't we?"

She then asked me to join her on the settee, then I lay, my head in her lap. Kay then opened her blouse, exposing her braless tits which she told me to suck. As I did that, she opened my flies and took out my cock which she began to wank slowly. A couple of minutes later she said I could feel her cunt. That I did by placing my arm behind my head and slipping my hand up her skirt. The next surprise came when I reached her thighs. I discovered not the tight

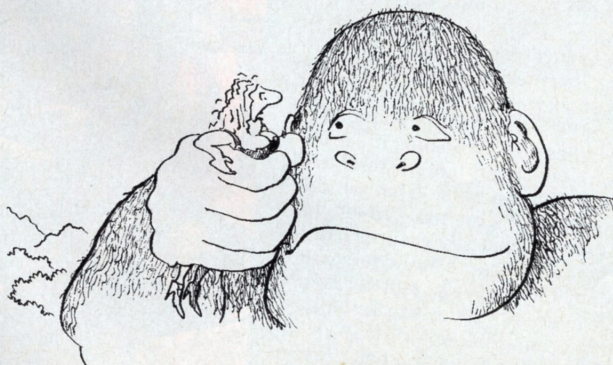

nylon panties favoured by Laura but the loose fitting, easily accessible French knickers.

I also discovered that Kay lubricated as much if not more than Laura did, not only was her gusset soaking wet but the tops of her thighs were also very wet and slippery.

I slipped a couple of fingers in and out of Kay's very swollen cunt and she increased the speed and pressure of her wanking. It was another few minutes before Kay called a halt to the proceedings and asked if I wanted to exercise my animal instinct. Unsure of her meaning, I looked puzzled, so she said again in that calm, clear voice, "Do you want to fuck me?" I answered in the affirmative and she said we had better go up stairs.

Kay led the way and as she climbed the stairs she lifted her skirt at the back to show off her bottom below the hem of her knickers. Once in the bedroom she knelt by the bed and flicked up her skirt telling me to fuck her from behind.

I moved close to her, my cock nudging the cheeks of her arse. Kay reached back through her open thighs and

Please be gentle - it's my first time."

Photographers On The Rampage In Portsmouth Lark Dept: It's not often we catch our photographers at it - they're usually far too cunning for that. But here is an exclusive preview of Photographer Wombats at work "covering" (as the gentlemen of the press have it) Portsmouth. Here he is stuck in the hatch of some kind gentleman's boat for a start. Here he is adjusting a young lady's knickers and here are the young ladies putting on their make up in a fresh Sou-easter on the prom, the fresh sou-easter having blown almost all the tourist back into the bars. What we don't understand is the picture of Wombat in the bar too - which there isn't one of if you see what I mean. We can only assume like our other lensmen, there is a sort of news blackout anywhere within about fifty yards of a pub. Usually they move so fast at opening times that it is almost impossible even with today's technology to capture the event of "an Escort photographer entering a pub" on film. Which is probably why all the girls are waiting half dressed on the sea front. Unless of course they had the tipple hidden in their suspender straps all the time.

Yo ho ho and a bottle of rum to all our readers. - Love Julia.

Look What Happens When You Go Out Without Your Wellies Dept: It happened to Geraldine G. of Grantham when out innocently picking gooseberries in the nude, according to reader M.L. of Penge. "There we were out in the countryside with nothing between us and a nice sensible ramble but about eighteen pubs, when she fell into a ditch without warning. That was probably on account of the last seven pubs we'd been into. "Well, I tried, but I couldn't get her out. She was stuck fast," enthuses M.L. "Even the farmer's tractor couldn't unstick her from the mud. As far as I know she's still there. If she isn't, would whoever has got her please clean the mud off and send her home please." How sweet and affecting! xxx Julia.

Nude Man Barks Up Wrong Drainpipe Dept: While it's jolly refreshing to stumble across the Average British Escort Reader snapping at shoppers' heels on a blustery spring day especially if one is wearing awfully tight hot pants hicked up between the cheeks of one's bottom, I can't help feel there should be some sort of by-law preventing readers having to read sentences this long. This is actually Alistair of Congleton apparently and it's what he does on Tuesdays. He says it's the only way he can persuade his lady to give him a bonio or was that a boner or I can't read his writing anyway. xxx Julia.

I Can't Get My Bearings For Balls Dept: Here's a picture of the two things S.K. of Gloucester lusts over in his front garden. Which is odd, because they're usually in his living room. You should see the picture of motorcycle bits all over his carpet. Of course we're not legally allowed to publish that one because there's nothing nude in it. Luckily that doesn't stop Debbie doing rude things to S.K. whenever there's a spare bit of floor space going begging. And if she rubs her tits hard enough, writes S.K. (or rather he doesn't because we're ignoring his letter and making this up) it polishes up the chrome on his chopper beautifully. I must admit I like something a bit different now and then but chrome on a chap's chopper is very odd - perhaps S.K. has bionic parts.

Grobble Grobble Dept: This is the sound made by the Escort editors looking under the secretaries desks in the morning to make sure everyone is in their offices as certain people go absent and leave cardboard cutouts of themselves in their places and nobody notices the deception for days. This is Heather in her office in the morning as seen by the editors. And here is also a picture which looks suspiciously like one of the editorial team crawling towards her to make doubly sure she is there. That one must have been after lunch. See how easy it is to work these things out? Meanwhile Heather will of course, be back very very soon indeed as we are thinking up devilish ways to get her into trouble, ho ho!

pulled my cock down between her legs. She then started to rub my knob up and down the length of her swollen cunt lips for the first time. As my cock became soaked with her juices I pushed my hips forward and felt her cunt lips part as my cock slid into her up to my balls. Kay sighed and said, "Now fuck me hard", nature took over and I began thrusting in and out as hard as I could. Kay kept muttering how good it felt, how big and hard my cock seemed to feel inside her and how she wanted filling

with spunk.

She was soon getting my load of spunk as my body took control and I shot my seed into her in several convulsive squirts. Satisfied, I slumped forward over her back, somewhat out of breath.

Kay had other ideas though and she told me to get up and then she climbed on the bed. So I started to move my hand around Kay's cunt and she started bucking her hips. As her climax approached, she pushed down hard with her hand forcing three of my fingers into her soaking cunt. After a couple of minutes of this she climaxed and lay back on the bed exhausted.

Half an hour later the family returned to find us drinking coffee down in the

lounge all nice and composed. Later as I was saying goodnight to Laura, she asked if I had enjoyed fucking Kay. Before I could say anything she told me that I shouldn't deny anything as both she and Kay had planned it all. She

told me that she was going to have her turn next if it was all right with me and it certainly was! *B.F. (full name and address withheld by request), Berks.*

Lady luck

At the age of thirty-five, I am fortunate to be living with an incredibly randy lady, called Julie, who is ten years my junior. She is totally uninhibited where sex is concerned and knows exactly how to turn a man on.

I knew when we started to live together that I could never hope to keep her to myself but it pleases me that she always asks my permission before she goes out without me.

One day last week, she told me she'd been invited to a party on Friday night and I agreed she could go. I even encourage her to go out as it makes her so happy. On Friday evening, I shaved her pussy then fucked her hard and passionately until she climaxed. I lay back on the bed while Julie went for a bath then I watched as she paraded naked in front of me as she did her hair and make up.

Watching her get dressed is almost as exciting as watching her strip and my cock stiffened again as Julie put on her suspender belt and stockings then fitted a white, front fastening bra to her lovely tits. I thought for a moment that she wasn't going to put on any knickers but then she stepped into a g-string and stood in front of a tall mirror. From where I lay, gently wanking my prick, I could see Julie's front and rear. The front view, reflected in the mirror, showed Julie's cunt lips almost enveloping the material of the g-string but

Brave Brits

Now there's something we can tell you with full authority. Not only were *Escort's G's of Brighton* a charming bunch of lovely lassies, they were true British heroines as well.

Our authority on this subject results from the attempt my wife and I made around mid-August to emulate Wilkins and his victims. For us it was the south of the Scheldt, (a place named Terneuzen, in Holland) instead of the Channel but the weather was even more horrid than in Brighton. So there was no getting any part of my wife out of her clothes, (many clothes) and when

her teeth she stopped chattering she kept asking how many of your models had frozen to death immediately after the pics were taken.

... Well, not exactly any part of her, as the wind was blowing with gale force, she couldn't remember what she had forgotten to put on before that mad trip, I knew but didn't tell her.

Anyway I thought perhaps you could use some of these snaps. I want to show how *Escort* can inspire its readers with some pleasant ideas about what can be done with a candid camera and a willing and very able model like my wife. *F.F. (full name and address withheld by request), Holland.*

Suzanne and Tim — engaged
'I thought Suzanne was too attractive to be a member of Dateline. I thought the only people who used dating agencies were the real lonely-hearts types, but not at all!'

Sue and Martin — married
Sue says: 'I met genuine men who honestly and truly wanted to meet new people as much as I did; who wanted to make friends, and have a good time — and I met Martin.'

Margaret and Louis — married
'When you meet other members of Dateline you know they have gone into it with the same attitude as yourself — they want to meet people. Some people think Dateline is cold but you are meeting men who have something in common with you, and quite frankly how else do you meet them?'

WOULD YOU HAVE THE COURAGE TO JOIN *Dateline*

— for friends, love or marriage?

WHO JOINS DATELINE?

People just like you! Currently 2,000 people a month join Dateline, so you probably already know people who have used the Dateline service, or possibly met through Dateline.

People who join Dateline come from all over the country — from farms, villages, market towns and cities. The problems of meeting people are not confined to any particular locality. The backgrounds and occupations of Dateline members are equally varied — MP's, surveyors, solicitors, engineers, doctors, journalists, teachers, secretaries, stockbrokers, nurses, chemists, receptionists, bus drivers and even zoo keepers. Loneliness is classless. What all Dateline members have in common is an optimistic, positive attitude in tackling the problem practically. Meeting someone special is difficult, but after that the romance is easy.

WHY?

If the disco is not for you, your friends are all married, you don't meet anyone through work, you have just moved to a new area, or you are newly single again — just where do you begin? There really are very few ways you can meet the kind of people you want to meet. Dateline is simply the most honest and realistic way of being introduced to a wide choice of compatible partners. It also saves a lot of wasted time and expense!

HOW DOES DATELINE WORK?

When you join Dateline you will complete a very comprehensive questionnaire, information from which will be confidentially locked into the memory of our computer; the matching process, in which your data is compared with every Dateline member of the opposite sex, will then begin. Finally the computer will have found the most compatible matches for you, and their details will be forwarded to you. You will also be matched to other compatible people living in your area, and they will contact you. And so, with your year's membership, a whole new social life begins.

IS DATELINE SUCCESSFUL?

Yes, in many different ways! Some people simply have a wonderful time, meeting as many new people as possible, sharing new interests, going out, just enjoying themselves. Some are looking for the companionship, the love and romance of one or two relationships, and others are looking for a special love with marriage in mind.

Many thousands of couples have met and married through Dateline, as the Dateline questionnaire is designed to match couples through many facets of physical type, personality and life-style; not just matching those who want to meet people similar to themselves, but those who also want to meet someone different. With Dateline you meet the people you want to meet, who also want to meet you.

If you would like to be one of the many thousands of people nationwide who have been enjoying a new social life, and finding love and happiness through Dateline, complete the simple questionnaire below. We will send you confidentially and completely free, full details about Dateline and how it works, and details of just one of the Dateline members who are compatible with you. Send to: *Dateline Computer Dating, 23 Abingdon Rd., London W8.*

WENDY

Wendy, 33-23-35, 18, Ulster. "It's a great chance to show off. I'd never have the nerve to behave like this - even in front of a boyfriend . . . it must be the camera."

BOSOM PALS

WHEN GIRLS COLLIDE

There is an air of mystery about woman-to-woman sexual activities, and a tendency from the male point of view to believe that Lesbians are all dyed-in-the-wool butch types who cut their hair short and walk around in men's clothes. This is as much a fallacy as the assumption that transvestites are all homosexuals. A woman will seek comfort in the arms of another for a huge variety of reasons, and she doesn't have to be a classifiable Lesbian to do it.

Vivien is thirty six, and describes herself laughingly as a 'Spinster of this Parish'. She's had several heterosexual affairs – which is hardly surprising, because she's very attractive, despite her air of bristling efficiency and a slight aloofness that comes from having to order other women about. She's a departmental supervisor in a big chain store, and one of her jobs is to act as a sort of agony aunt to the girls on the counters.

"There was one girl who was having very genuine problems, and I felt quite concerned about her. She was eighteen and had been with us for about six months. Pretty little thing, with long fair hair and sad blue eyes. One morning I noticed she was a bit red-eyed. I'm a great believer in a stitch in time saving nine, so I asked her to my office for a cup of coffee and a chat before the lid came off and she retired blubbing to the loo.

"The old story. A boyfriend she thought she was madly in love with had found another pair of legs to get between. I spent half an hour talking to her – which is longer than I'd normally spend on such things, and she seemed a lot happier. I did something else. Something I'd never done before, and I don't know why I did it even now. I gave her my home phone number and my address and told her she could come and see me any time for a chat but to call first in case I wasn't in. Maybe it was my subconscious at work? When she stood up to leave, I stood up too, and she suddenly threw her arms around me and dissolved into tears of gratitude. I felt quite emotional myself, and I found myself stroking her hair and crooning comfortingly to her.

When she finally went, I realised my legs were trembling, and I sat down rather hastily and found some paper-work to take my mind off what had gone through it. I actually felt physically attracted to this girl! I tried to tell myself it couldn't be true, that it was only the state of my own emotions, but now and then I found myself wondering what it would be like. I did an awful thing. In some kind of mental backlash, I was very hard on the poor girl the next few days, and I got very close to the slap and pull yourself together routine. Afterwards, I was sorry, but I couldn't help the way I was behaving.

"Then, one night, the doorbell rang. I'd just got out of the bath, and I'd only just finished drying myself. I put on a towelling robe, opened the door, and there she was. Crying, needless to say. 'I know you told me to call first, but you've been so horrible to me the past few days I thought you'd say no, and I've nowhere else to go.' I felt my own eyes stinging, and I put my arm around her and brought her in. I sat her down, gave her a cup of coffee, and went to my bedroom to dress. Then the door opened, and there she was, smiling nervously. I smiled back and she sat next to me on the bed and put her head on my shoulder. Neither of us spoke. The most incredible thing happened. She began to nuzzle my neck! There was nothing in the slightest bit platonic about it, either. I opened my mouth to tell her not to do that and closed it again. The feel of those soft lips on my skin sent shivers down my spine, and I could feel my nipples swelling against the towelling. I knew very well what I should have done, but I simply couldn't make myself do it. Nor, at this stage, could I bring myself to reciprocate in any way.

"Her hand slipped off my shoulder and I jolted as if I'd been given an electric shock. My robe was loose, and her hand had fallen straight down inside it and brushed my breast. She looked up at me and told me she wished she had a figure like mine, and I said something stupid like 'you've got a lovely figure' – which

Auntie Jayne

Can Handle It!

Dear Auntie Jayne,

A letter appeared in *Escort* vol.5 no.10 from S.H., concerning his uncontrollable urge to steal women's sexy knickers for masturbating purposes. I used to do this sometime ago, but the urge wasn't uncontrollable, as I only did it when I hadn't had sex for along time. My reason for stealing them was to masturbate with while imagining what their owners looked like. Later, I began to wear them, and as I have a small penis, they were fairly comfortable.

I stopped stealing, as one time I was seen taking knickers from a washing line, and was chased from the garden which alerted me to the danger of what I was doing. Fortunately, I soon had a girlfriend who allowed me to wear some of her knickers, and to masturbate with them when sex was not possible. We have now split up, but I have several pairs of her knickers which I sometimes wear.

As I previously mentioned, I have a small penis (only five and a half inches long when erect; when flaccid, it almost disappears into my pubic hair). I realise I'll never be of average length, but it gives me problems with some girls. Although I have fucked several, some have complained of not being satisfied, while one girl I met at a party refused to be fucked by me, but we did have oral sex which partly made up for her comments. Another thought my penis cute, and would only perform oral sex with me. Because of this, I masturbate regularly, using a cardboard toilet roll tube, the inside of which I coat liberally in baby oil, pretending I am fucking you, or the other girls in the magazine. Sometimes I come, it is watery, and shoots a long way, other times it is much thicker and just seems to dribble out. I hope you can help with my many problems. Regards, P.B., Esher.

You are suffering from very low self-esteem, which I agree isn't helped by the comments of unpleasant-sounding girls.

Generally, pinching underwear for masturbation is done by men whose confidence is low, as is ringing up women and taking dirty; peeping in their windows; or flashing at strangers in the park. Men who do these things don't have sufficient confidence to talk to a woman face to face, so they keep enough distance between them to feel safe, or make love to

I stole knickers to masturbate with, while imagining what their owners looked like

things which remind them of women. I'm glad you've stopped the pinching, because apart from the fact that it means you're feeling better (and speaking as a woman with a washing-line), it's a bloody nuisance.

Of course, I think you're making much too much of your 'smallness'. You have not got a small penis, and as to not being able to satisfy girls, I have been disappointed by love-making many times – sometimes by my own, and sometimes by other people's, and several men who didn't please me were well above average size, as indeed, several men who have been ecstatically good lovers have been very much smaller than you. Your problem is not in your cock or in your come, both of which sound fine, it's in your opinion of yourself, and that you can change. Love, Auntie Jayne.

Most of us have problems which it can be difficult to discuss with people we know – even good friends or lovers. It could help to write about them to someone you can trust to be understanding and objective. I will try to be honest about what I think, and where possible, suggest helpful addresses (though I must limit my replies to these pages). My only qualifications for doing this are common sense, experience, and an open mind, so do write – I'd like to hear from you.

Dear Auntie Jayne,

I am 29 years of age, and up till six years ago I led a very sheltered life physically, then I met Brenda, my fiancée and lover, so life couldn't be better. My Brenda is everything a guy like me could wish for in a lover, having had plenty of experience, and being some nine years older than me, she's shown me just what I've been missing out on all these years, and is absolutely fantastic in bed. We have sex about four times a week and in between, we read your magazine and end up wanking each other off and I enjoy being sucked off by Brenda's fantastic mouth and pumping as much down her throat as she can swallow, and she does – every last drop!

Out of all this, one of our favourites is watching a sex video

and bringing each other off while watching the film, and invariably we end up by screwing each other silly, which does bring me to my question, which is: does my satisfaction mean that I may be overdoing things? Could this affect my ability to be able to come in, say, ten years time? The thought of drying up does rather frighten me. Love, Alan, Shropshire.

I know how you feel, Alan, things are going so well for you that you think there must be a fly in the ointment somewhere! The only thing you need to worry about is worry itself. There is some evidence to suggest that men who are having regular sex find that their energies (and semen production) are stepped-up to meet the demand, and if sex becomes a rare occurrence, the body will adjust to this. The human body is very responsive, but you will soon know when yours has had enough, because you simply won't be able to get an erection until it has had sufficient rest to recharge itself for the next time; your body won't let you overdo it, and rather than shortening your active sex life by getting as much as you can at the moment, you are probably prolonging it. I wish you both lots of fun. Auntie Jayne.

Dear Auntie Jayne,

You recently had a letter from a reader worried about only having six and a half inches, and wanting to know if penis developers worked. You asked for letters from anyone who had used a penis developer successfully.

I have increased my penis size from seven and a half inches to eight and a half inches, but this has had its drawbacks (no pun intended). I have just split from my wife after only a few weeks of marriage, one of the factors being a cock that was too big and painful for her, too hard and too often erect. I can stay hard for any length of time, come five times in an hour, and I would still not advise anybody to use these methods on the grounds that they made a man's sexual organ the ruler of his body, and the destruction of his being. Yours, J.G., Middlesex.

... And that's the only letter I've received from a 'successful' user of a 'penis developer'. Love, Auntie.

she had – and tried to pretend I hadn't noticed her stroking my breast. My God I thought, you're being seduced by someone half your age – and a *girl*, to boot!

"Frankly, I'm not sure whether I genuinely thought she'd stop before it went too far, or whether I knew she wouldn't and wanted her to carry on. I just sat there with my bosom heaving like someone out of one of those bodice-ripping novels and let her do what she wanted. Her hand fell further down inside my robe, and the sash, which I hadn't tied very securely, came undone and the whole thing fell open. 'Can I look at you?' she whispered. I wasn't sure what she meant, but I nodded. What she meant was that she wanted to *look* at me. Really. She opened the robe completely and just stared at my body! Then she put out a hand in a tentative sort of way and touched my breast, and I shivered and closed my eyes. I felt warm breath, and then those soft lips were kissing a nipple. It was utterly unlike anything I've ever felt before. Very gentle, very careful. Not like a man at all – which is hardly surprising. A little voice in my head said 'stop now, or you'll regret it', but the message stayed there and didn't reach

my limbs. I put my arms around her and fell back, pulling her down on top of me, and she kissed my breasts for a while then raised her head and whispered. 'Shall I take my cothes off?'

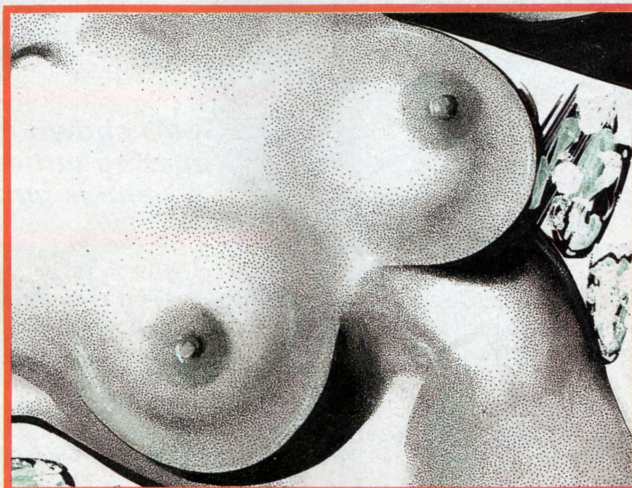

"Crunch time. That little word stuck in my throat, and she asked me again. 'Shall I?' Somehow I managed to say it – in a voice that didn't sound like my own – and I watched her undress, marvelling at her taut young body shining in the light from the bedside lamp. Naked, she pouted at me. 'You haven't taken your robe off'.

"That didn't take long. She lay down beside me, and I could feel her warmth pressing against my side. She raised herself on one elbow and traced the lines of my body with a finger tip. Breasts, ribs, hips, legs . . . When she began to entwine it in my red curls I grabbed her wrist and stopped her. I wasn't that I'd had second thoughts, exactly. I just resented her making all the running! Somehow it didn't seem right. I pushed her gently onto her back, and for the first time in my life, I touched another woman's breast, then kissed it and sucked gently on it. Denise began to wriggle, and I felt more confident. The only thing was, I didn't know what to do next! I caressed her, squeezed her, stroked her and kissed her for what seemed like ages, which I suspect made her think I was quite an expert! She was rolling her head from side to side and moaning, and eventually she gasped 'Please, please . . . I can't stand it any longer'. She made it very clear

what she wanted me to do by parting her legs and pushing my hand down, and I did it again, easing a finger between her wet lips and making little movements with it.

"Then I slipped it right up her and began to use it like a substitute penis, very slowly at first but getting faster. There was plenty of room for another finger, so I repeated the exercise with two, watching her face all the time to

gauge her reaction – which wasn't overly enthusiastic. I thought furiously. What would I want her to do to me? Of course! Pricks were easy to come by – if you'll excuse the expression. What we had going was something much more subtle than simple shafting. I took deep breath and bent down, and I didn't need the 'oh yes' to tell me I'd found the answer. She had a very pronounced clitoris, and I was able to suck it into my

mouth, hold it with my lips, and flick it with my tongue. Her legs went round my neck, and she began to rearrange her position on the bed. What's she up to, I thought? Then I felt her hand between my own legs and I fell in – she wanted to return the favour.

"A bit of twisting and pushing, and we clicked together like two pieces of a jigsaw puzzle, in a classic sixty-nine position. I'd done that with man, but when you both have exactly the same equipment, you can send little messages to each other, like pressing a Morse code key. 'I like this . . .' Frenzied lapping at the clit. Wait a moment, feel the reply. 'How about this . . .?' A nibble with the teeth, a probe with a finger, a tease with a fingernail. Instinctively, you know when she's approaching a climax. I you're a little behind, you can slow

down a bit, impatiently wiggle and she gets the message and speeds up.

"Mutual orgasms are almost the monopoly of those bodice-ripping novels I mentioned – but they don't normally cover this sort of activity. I have no doubt they're much more common amongst women who . . . well, do what we were doing. And that's how it turned out. As we shuddered and groaned together, it felt almost as though we were one person, our bodies were so completely merged. It was only when I felt her thighs gripping my head like a vice that I remembered I was much more powerful than her and that the poor girl must be suffocating down there. I managed to relax a little, and we

held onto each other's bottom and tongued gently as the spasms faded away.

"Now that the urgency was over, we had to face each other, and it wasn't as difficult as I expected. We kissed, swapped tastes with our tongues, smiled at each other, and subsided onto the pillow with our hands casually clasped. There was no discussion about what we did, and we haven't talked about it since. Denise moved in with me on a 'temporary' basis, and I swapped my single bed for a double. I don't think we'll be able to sustain the relationship very long,

I'm sorry to say. She's very possessive, and I find her occasional sulks a bit irritating. It's a little embarrassing at work, of course, because she's not exactly the soul of tact and discretion!"

Shirley was also 'between men' as she put it, adding 'Chance would be a fine thing', when she realises what she's said. "I'd just unloaded the most selfish pig since Attila The Hun, and the one before him wasn't much better!" She's twenty three, and works on the check-out of a supermarket. "I like it," she says, grinning again and pointing out that she means she likes her job. "But I like that too, of course! The girls are a fun-loving lot. We have a lot of laughs, believe me.

"It was Marion's idea to hold the glamourwear party. At thirty-two (she claims) she's more or less the eldest of us, but that doesn't stop her being the most attractive, the bitch! That didn't stop her old man bugging off with a girl ten years younger, though. At the time, I suspected there was a bit more to the glamourwear party than she made out – she had a lot of bills to pay, and running a three-bedroomed house out of her wages must have been difficult. A few of the other girls thought the same thing, so the party was better attended than it might have been – they're good sorts, and buying a few things off Marion to brighten up their love lives was a good way of helping her out without making a big deal of it.

"There were about a dozen of us, and

we took a few bottles of wine to turn it into a real party. Marion looked stunning – I'm sure she could have made it as a model if she'd really tried. She was wearing a skintight catsuit in black, all zips and pockets, which would have been a bit butch if she didn't have such a terrific figure. It turned out to be one of the items from her catalogue.

"One thing led to another, and she persuaded me to prance around in some of the goods to show them off. It was a scream!

"I'd had enough of being the butt of all the jokes, and said it was Marion's turn. What a saleswoman! She said she was already wearing some of it, and whipped down one of the zips and showed how she'd made her waist even tinier than it usually was. She sold three of those waspies on the strength of that! Then she disappeared for a few minutes. We knew she was up to something, and we expected her to come back in stockings and thigh boots, cracking a whip or something. But she appeared through the door backwards, and as far as we could see she was wearing exactly the same gear. Then she turned around and said 'Right, who's first?' It brought the house down. She was wearing one of those strap-on dildos, a bloody great thing the size of my forearm. 'Come on girls, don't be shy,' she said, parading up and down and offering it to us one by one. We were falling on the floor! She pretended to be disappointed and said 'Alright, I'll get something smaller,' and went and fetched a selection of vibrators. I reckon she might have sold a few, but the women weren't quite liberated enough to admit they'd like a bit of that sort of thing. I wasn't even brave enough to admit it myself – although I had my beady eye on one that I wouldn't have minded a quiet evening alone with.

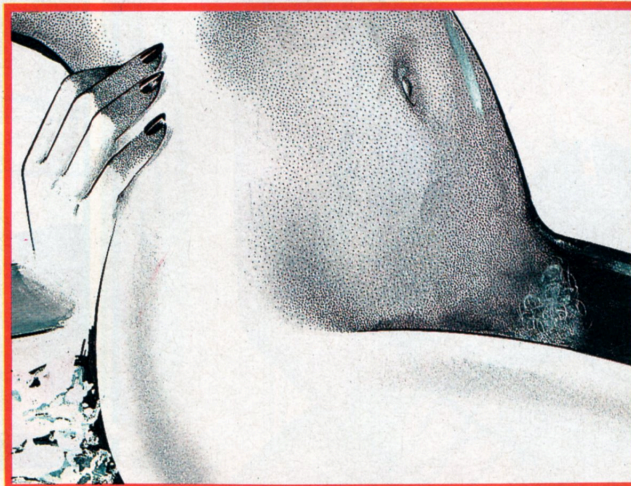

"The party began to break up, and I thought about going home to a cold empty bed and decided to hang around and be Marion's only vibrator customer after the others had gone. I'd kept on some stockings and a pair of panties that I'd modelled for her, and I used them as an excuse to stay behind and settle up with her.

"We had some coffee, and Marion collapsed into an armchair and undid her zip to the waist with a sigh of relief. Her breasts bulged out, and I realised that the waspie was equipped with what she called 'boob-lifters'. Not a bra exactly, because her nipples peeped over the top. 'You don't need any uplift yet,' she told me, 'but when you get to my age . . .' She was joking, of course. 'I'll tell you what I *do* need,' I blurted. 'Same here,' she sighed, reading my mind, 'a good length would do *me* the world of good too!'

"We sat staring at each other, and we

were both thinking the same thing. She had *several* good lengths in a cardboard box in her bedroom! 'We couldn't . . .' I gasped, biting my lip. 'Of course not,' she smiled, 'but if we did, we could rely on each other never to mention it to another living soul, couldn't we?'

"'Of course we could,' I agreed. 'Come on then,' she giggled, 'I've got just the thing!' I followed her into the bedroom, and she rummaged through her box of goodies. 'I didn't bring this one out for obvious reasons,' she said. It was similar to the one she'd put one earlier as a joke, except that it was double-ended, and it wasn't quite so huge. Bigger than anything I'd ever had, but still manageable, I reckoned.

"She shrugged the catsuit off her shoulders and peeled it from her arms, her breasts jiggling. They were really bulging over the top of the waspie, all tight and swollen-looking, and her nipples looked huge. She struggled to get the legs off, and when she made it, she sat on the bed in nothing but the waspie, looking first at me and then at the dildo lying next to her. 'I don't mind starting, if you're shy, but you're not going to run

out on me and leave me looking silly, are you?' I shook my head, and she knelt on the bed and put one of the business ends between her legs and began to lower herself on it like on of those native girls deflowering herself in South America or wherever it is. 'Christ, I don't think I can take it,' she grunted and started frigging herself to provide some encouragement. Then she stopped, and said 'I'd feel a lot better if you'd at least take some of your clothes off'. I removed my dress and sat on the edge of the bed watching her. There was a look of rapt concentration on her face, and she was beginning to bounce up and down very gently. Suddenly it was all the way in, right up to the hilt, and she gasped, sighed, and gave me a little smile. 'Well, if I can do it, you can! Come on, get your knickers off – it's your turn!'

"I slipped off my bra and panties while she did up the strap that helped hold it in place, her fingers fumbling in anxiety. Then she lay on her bed with my end of the thing pointing up in the air, wriggling her backside against the bedclothes. 'I think this is the best way,' she grunted. 'You can make your own pace – I don't want to hurt you.' I hesitated for a few moments, then I knelt astride her and followed the same procedure she had. As I pressed down, she moaned, and I felt her pushing back up. 'Don't rush it, for God's sake,' I winced, easing myself apart with my fingers. She subsided and managed to keep still until my bottom was resting on her.

"I began to move up and down slowly, getting the feel of it, completely forgetting that there was a woman under me and not a man. Marion added to the illusion by gripping the cheeks of my bottom with her hands, and I leaned forward and put my own on her chest. I was even a bit shocked to find them full of soft female boobs and not the flat hairiness I half-expected! 'Nice,' she mumbled, and I thought 'What the hell, you can't get any more intimate than we are now,' and started kneading them, getting quite rough as I bounced up and down, and she let go of my rear and

did the same thing to me. 'I don't think we've got this quite right,' she complained, 'you're getting all the action! Lie on top of me . . .' *That* did it! It turned into a fight, with each of us trying to wrap her legs around the other! Eventually we compromised, and took it in turns to do the shafting. Even then, the one doing the work got quite a lot out of it, because it was impossible to hold your own end completely still. It didn't take long to get the hang of it when Marion begged me not to stop this time because she was going to *burst*.

"She very nearly did, too. She also very nearly cracked a couple of my ribs. 'NOW,' she screamed, and I bashed a way as hard as I could. I don't know quite what happened, but suddenly I was coming too, and I forgot all about her, and looked after Number One. Then I fell across her, and we shuddered away together. Eventually, she opened her eyes, smiled up at me and said 'I think I'll buy this one myself!' She did, too. I know because we used it a few more times before her husband crawled back home to her. I was a bit upset, because I was still on my own, but I did have another little gadget to keep me company on those long, cold dark nights. The only thing that worried me was whether I would ever be satisfied by a mere man again, but I needn't have been too concerned because as soon as one came along it was as wonderful as ever. But I keep a little bit of insurance hidden away at the back of my wardrobe and practice with it sometimes!"

D.O.I.Y. IT'S ALL YOUR OWN WORK!

"The camera was a Christmas present and I'd been snapping the family all over the holiday, then I took these of my girlfriend Linda while she was getting ready to go out on New Year's Eve," writes Tom from Surrey. "While taking the pictures, we were overcome with passion, so we screwed the new year in!" Linda is 23 years old and 34-22-34.

Shoot your own set of your favourite lady: indoors or out, stripping for the camera, or simply posing in the ways that excite you most. We need at least ten different, good quality colour prints to choose from. If we print your set, we pay you £100.

STICKY

S T U F F !

I haven't had so much fun since I showed my nephew how to make a model Cruise Missile out of Gloria's vibrator – which pissed Gloria off no end because he took it to school for Open Day and one of the teachers pinched it. (Wait till the teacher finds out I also showed him how to make a warhead out of the red bits off the end of matchsticks.)

Gloria, you may remember, is the lady in my life who thinks variety is the spice of it, and if you're waiting for an update on the black bootpolish on my prick, you may care to know that methylated spirit gets it off. But it takes a while, and I couldn't resist the temptation to take a break for a cigarette. . . . Fortunately I keep a bucket of sand around for this sort of eventuality, and the skin grafts have healed quite nicely – even if there is a drawback in the form of a tattoo on my foreskin that used to be on my arse. (*Drawback* – get it? Please yourself.) To be honest, Gloria is a constant drain on my ingenuity, but so far I've managed to rise to the challenge of living with a raver to whom arrest is as good as a change – providing I'm dressed in my secret policeman's outfit and I'm well-equipped with handcuffs, rubber truncheons and the like. This sort of thing goes both ways, of course – like Gloria. She often wears a wig and dresses up in something different so I can pretend I'm having it off with somebody else like *she* did during the boot-polish episode. But when it comes right down to it, it's always the same, because there isn't much you can do to disguise your naughty bits, right?

Wrong. A couple of weeks ago I talked her into having a shave. (No, not her face.) Fair's fair, said Gloria, and I ended up with bald bollocks. No, don't laugh, it's not funny. Bollocks aren't the easiest thing in the world to shave. 'Course, you wouldn't know if you haven't tried it, but you can take my word for it. I already had a couple of cigarette papers stuck on them when Gloria had her bright idea and produced a jar of stuff that takes hairs off without pain. Without pain unless you happen to have a couple of razor nicks already, that is. It pissed down with rain shortly afterwards so I'm pretty sure I performed an authentic Commanche Rain Dance. Which is all by the by. What isn't by the by is that Gloria used

it on herself as well, because she'd shaved a couple of days before and she was beginning to get bristles that made her itch, and she got thrown out of our local supermarket for having a quiet scratch behind the soap-powder display.

Now, everything Mother Nature gives you has a purpose. I don't know what function she had in mind for pubic hairs since she gave us it before zips were invented and I doubt whether she's that cruel, but after a little while I began to miss it, and so did Gloria. But it didn't grow back, and I didn't quite see how I could make a complaint to the firm that made the depilatory, because it had worked even better than they claimed. I thought there might be something in it for us anyway, and wrote to the firm asking whether they wanted us to endorse their product, but the Sales Manager didn't seem to think a picture of my testicles on the label would help his sales at all. I wrote back and offered him a picture of Gloria's bald bits instead, and amazing as it may seem, he didn't even reply. I don't know how some of these firms manage to survive, really I don't. That's the trouble with British Industry. No get and go. No drive. No imagination.

Imagination is something I've got plenty of, and I quickly turned my mind to a remedy for naked wedding tackle. This was high technology stuff, not the sort of project you could trust to a woman, so I left Gloria to finish installing the new washing machine and retired to my laboratory. It's not really a laboratory. It's a garden shed. But it's a laboratory to me, and that's what counts. It's a pain in the arse to the neighbours, but they're a lot of narrow-minded shits, so fuck 'em'. Do you know, they actually complained about the smell of aphrodisiac I made in there? I must admit it ponged a bit, but the chemical reaction between powdered rhino horn and vodka was totally unexpected. Who knows what blessings I might have been able to bestow on mankind if that turd of a factory inspector hadn't poked his nose in and cut my experiments short?

Gloria emerged from beneath the sink with her monkey wrench and politely enquired what the fucking hell I wanted now and why I was wearing a dressing gown and wellies.

Reader's Letters

my eyes focused mainly on Julie's bottom, the round cheeks bisected by the white tape. After a few moments off came the g-string, Julie muttering something about it being uncomfortable. She tried on a pair of French knickers but they weren't satisfactory either as the waistband didn't sit nicely on the suspender belt. She settled finally on a pretty pair of bikini panties which she probably intended to wear in the first place. Trying on the others was just for my pleasure, bless her.

The sexy sight of Julie in her undies was cut off when she slipped on her dress but as soon as she zipped up she came over to me and took my cock in her mouth. She sucked, licked and squeezed me until I shot my spunk into her mouth. She swallowed it all without hesitation and within ten minutes she left by taxi for her party.

I settled down to read and watch T.V. not expecting Julie to return until Saturday lunchtime so I was surprised, when at around midnight, I heard a key in the front door. Julie came in and even more surprisingly, was followed by a gorgeous black girl who was simply introduced to me as Sam.

Sam's hair, braided and decorated with beads hung to her shoulders and she wore a bright scarlet one piece flying suit. She sat silently while Julie fixed drinks and I wondered what

Lindy rides again

Thank you very much for printing the two pics of me in *vol. 5 no. 12*. The turn on was unbelievable.

Thank you too for your offer to me of modelling although kind, I must decline. I do enjoy modelling and showing myself off to your readers but I would rather let my husband take the pics of me and send them to you.

However, to show how grateful I am, I am sending more pics of my exposed body which measures 38D-26-36.

My sister thought it was tremendous to see her big sister in a glossy magazine and wants to be in it too.

Her name is Anne and she's 18 years old and her measurements are 36-24-36.

Remember my husband's letter telling you how he lost his virginity with Auntie June on a boat along with his mates and how it was my fantasy to be such an auntie myself? Well, it has two thirds come true, again as a direct result of your printing my photos. Let me tell you more. My husband plays rugby for a local team and the other night after training he brought back two of the younger players for a drink. Steve and Matthew were their names.

the hell was going on. All was revealed as Julie told me what happened at the party.

Julie had gone along knowing that she was going to be the prize in an unusual competition. All the other party goers had to guess her vital statistics but without being able to see her. Julie stood in her undies behind a heavy curtain which had two armholes or sleeves in it. Competitors could then

As he went to get their beers from the fridge he handed them the *Escort* mag and said, "Have a look through that while you're waiting, you may find it interesting." Then Steve suddenly stopped and nudged Matthew. They were obviously looking at the page that featured me and they both looked up together at me in amazement.

My husband then came back into the room, saw what they were oggling and said, "That's right boys, it's Lindy, what do you think?" After a brief pause and red faces all round, Steve said "Absolutely gorgeous," Matthew added, "You're fucking lucky mate!"

By this time I was getting more and more hot between the legs, then my husband suggested that we all watch a video and have something else to drink. It was then that I realised that the whole treat had been arranged by my husband for me because the video we were about to watch involved one woman with three men.

As the video went on,

my husband began to kiss and undress me in front of the two lads. I should've been shy but I wasn't, I was too turned on. When I was naked, excepting for my stockings of course, he said, "Well, lads do you think Lindy can handle us like the girl in the video?" The boys needed no prompting and within seconds all three males were naked and I was ready for everything and that was what I got.

I think the most amazing thing was when Matthew was shafting me, Dave, my husband had his cock in my mouth and I wanked Steve until he shot hot spunk over my tits. Dave then withdrew from my mouth and placed his prick in my spunk-slippery cleavage and I gave him a lovely tit fuck until he shot over my face. This brought me and Matthew to our massive orgasms. After the boys left, I thanked Dave in no uncertain terms, if you know what I mean by that and promised to write to you about how my dream came true. *Lindy, (full name and address withheld by request) Kent.*

thread their hands through and by touch, estimate the dimensions of Julie's body. Only two minutes was allowed and the hostess, Julie's good friend, acted as time keeper and judge.

When the first pair of hands came through, Julie offered herself for inspection. The hands came to rest on her shoulders then quickly slid down to her boobs where fingers flickered over her rising

nipples. The hands continued downwards to the waist and hips but seemed more interested in Julie's suspenders and stocking tops than in anything else, only making a quick survey when given a fifteen second warning. The second competitor was obviously much more experienced as he gave Julie a thorough going over but in an almost sexless manner. Julie found

THE HEATHER REPORT

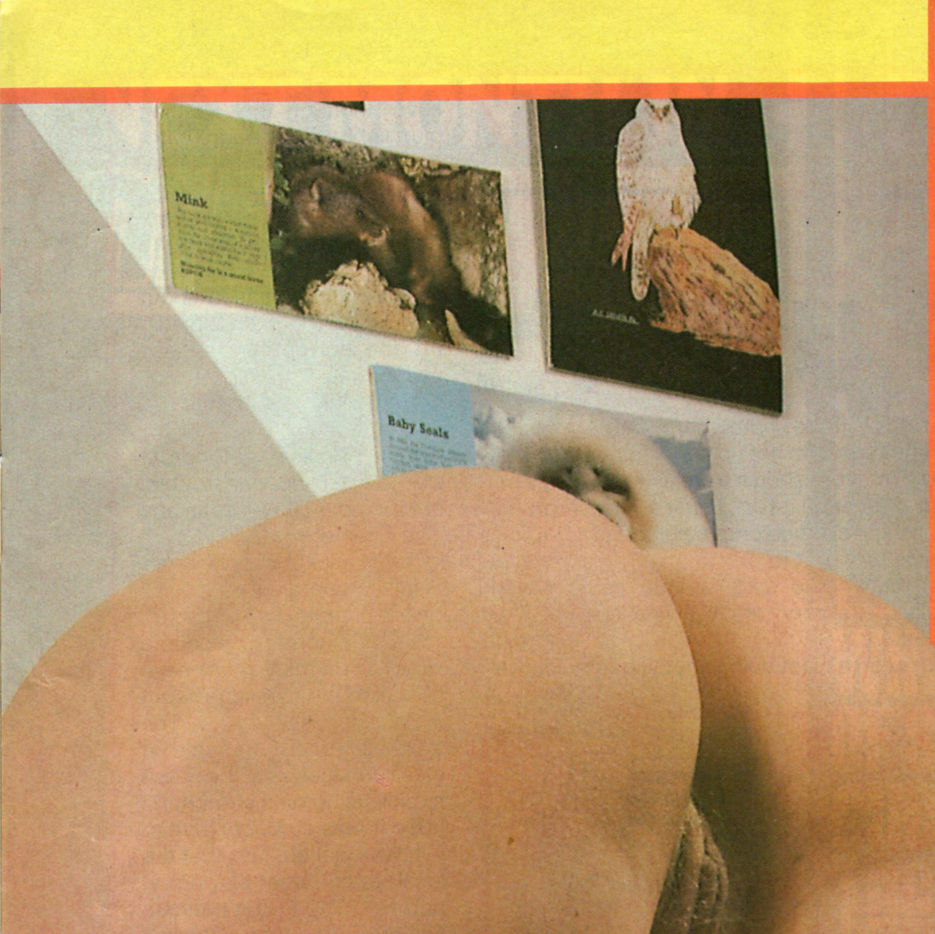

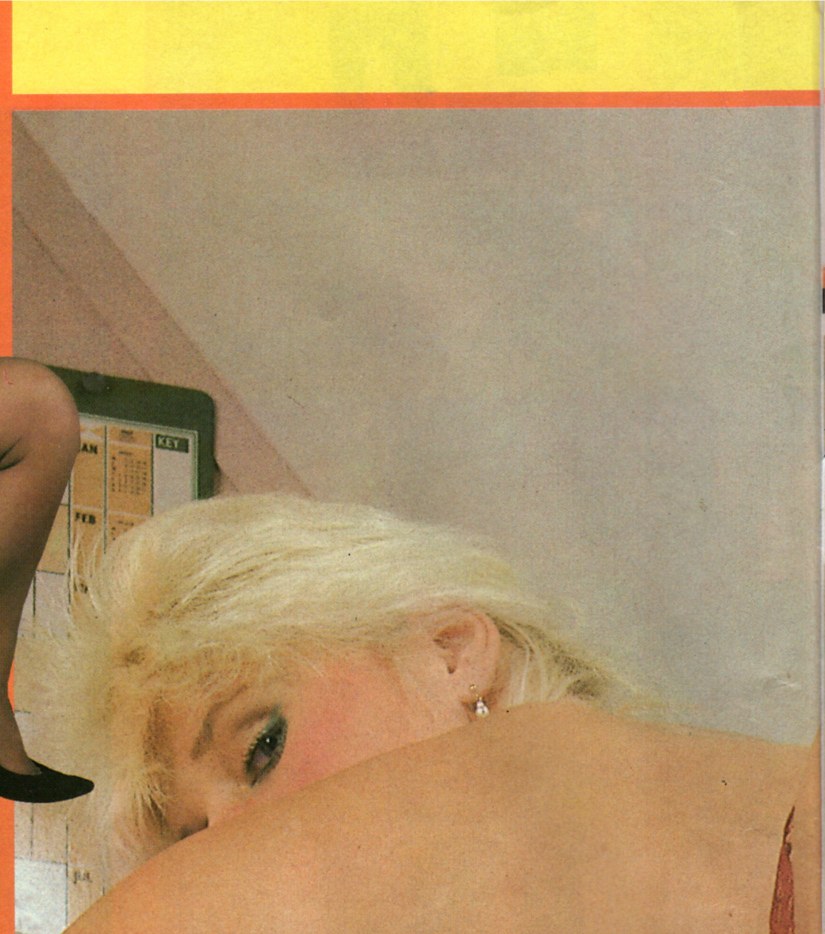

FIRM • FAVOURITE

Many of our readers feel that the more they see of Heather, the better off they are, and several readers have come up with things they'd like to see Heather doing (some of the suggestions were clearly unsuitable for a family magazine like ours), so, ever quick to respond to the wishes of its readers, *Escort* will be putting the Brighton Blonde (38-24-38) into some of your suggested situations, and watching to see how she does. This month, she's taken over the *Escort* secretarial office, and is pretending to be Miss Julia Jones for the day (few people spotted the difference).

If you'd like to see Heather serving drinks at your local, or getting plastered with mud, or joining the Marines (all done in her own inimitable style, of course), do write and let us know what you have in mind . . .

"It's muddy in the garden," I explained, "and don't shout at me. I've got a surprise for you. Close your eyes . . ."

"No way," she said firmly. "The last time I did that . . ."

"All right, all right. That was one of my failures, I admit it. But there was no harm done, was there?"

Not if you count a broken television and several dead goldfish, no . . ."

"Do you want to see what I've done or not?" I asked, getting on my high horse.

"If you insist . . ."

I opened my dressing proudly. She sort of went rigid.

"Now don't panic, whatever you do," she said, determinedly advancing on me with her monkey wrench held tightly in both hands, "but there appears to be a Triffid eating your privates . . ." She raised the monkey wrench, and I backed away. Well leapt away, really.

"No!" I screamed. "It isn't a Triffid – it's my patent pubic wig!"

"Oh, that explains everything," she smiled, putting down the monkey wrench.

Let's have a look . . . Here, that looks familiar . . . You haven't cut up that nice sheepskin rug mother gave us for Christmas, have you?"

"Only a little bit," I said.

"Honestly, couldn't you have found something else?"

"I did," I admitted, "but the stuff the doormat's made of is too stiff, and the bathroom carpet's too pink and it didn't look right at all . . . Don't worry," I added hastily, "I stuck the bits back – you can't even see where the join is . . ."

"I suppose you realise you look like a billy-goat?"

"Don't be like that, Gloria. I've made one for you too . . ."

"No chance," she said, picking up the monkey wrench again.

Same old Gloria, playing hard to get. But I knew she'd give in eventually . . .

"There," I said proudly, standing back to admire my handiwork. "How does it feel?"

She looked down at herself. "Where's my navel?"

"Yes, it is a trifle more extensive than what you had before," I admitted, "but that's the beauty of it – it can be trimmed just like the real thing. Shall we try it out?"

I was sure I left a hole in it somewhere . . .

"What's the matter?" she asked, concern in her voice.

"Nothing to worry about," I said, snipping away with the scissors. Ah . . . I

STICKY STUFF!

knew it was in there somewhere. A little cunnilingus to warm her up first, I think . . .

Bugger. maybe I should have used the vacuum cleaner on it first. I spat out the loose bits and climbed onto her instead.

"This is fun, isn't it?"

"Oh yeah," she said, a little sarcastically. "It's very nearly giving me multiples . . ."

"You mean it's not doing anything for

you stupid . . . ?"

"Now, now sir," he said, getting out his notebook. "We're in enough trouble, aren't we? It worked on an Alsatian and a King Charles Spaniel yesterday . . ." Maybe it did, but a bucket of cold water wouldn't dissolve superglue.

The bloody fire brigade was no better. They thought they'd come to rescue a cat from a tree. Somebody must have

misheard the message about a stuck pussy . . . The ambulancemen thought it was hilarious. Until they tried to pick us up on a stretcher. I hope it was a *double* hernia.

It was just our luck that the local team was playing at home. The Out-patients Department was dealing with its usual influx of riot-related injuries, and nobody seemed to have anytime for us at all. Bloody doctors. Anybody would think they were the only ones who had to work thirty-six hour shifts. I passed the time by shagging Gloria a couple of times on the couch. Well, they'd put a screen round us, hadn't they. Not that it seemed to make any difference. There's no privacy in this world. Gloria seemed to spend most of the time with her eyes shut, and I wasn't sure whether this was out of appreciation for my sexual ability or because

she was trying to pretend there wasn't a stream of people passing through the cubicle – including a reporter.

Gloria screamed. I really can't think why. I'm sure she wasn't having an orgasm . . .

"Not long now," said a nurse.

She was very upset about the whole thing. I could tell, because there were tears in her eyes and her mouth was sort of twisted up.

"How long is not long?" Gloria wanted to know.

"Oh, a couple of hours, no more. We've only got fifteen or sixteen more broken arms to deal with. We've done all the legs . . ." She disappeared, emotion getting the better of her.

"Well that's good news, isn't it?" I said encouragingly to Gloria.

"If you say so," she spat.

"Of course it is," I insisted, "but there's some bad news as well . . ."

"There can't be."

"There is. I'm bursting for a piss. Got any ideas?"

you at all, not even a twinge?"

"To be honest, the only advantage I can see is that we're not skidding off each other like we were. I'm afraid it's another of your failures . . ."

"You haven't given it a chance," I complained.

"And I'm not bloody well going to. Get off, and let me finish installing the washing machine . . . Get off, I said!"

I was trying to. Really I was. A frown of suspicion crossed her brow.

"What did you use to stick it on with?"

"Er . . . um . . ."

"You didn't . . . you wouldn't . . . you haven't . . . I thought it was wallpaper paste, the way you were slapping it on!"

"Don't panic, Gloria. I'm not a complete amateur, you know. I've got some superglue solvent in the shed . . ."

"In the shed, you cretin?" She wailed. "And how are we going to get it from the shed?"

With great difficulty, as we soon found out. Bloody neighbours . . . You'd

PORTSMOUTH

Jayne, 19, 37-24-36.
"It's lovely to get a chance to flaunt! I tend to be a bit of a tease. I'd love to be able to behave like this in front of a bloke, but most men wouldn't just sit back and watch - they'd want to join in before I'd got properly warmed up!"

Michaela, 23, 34-24-34. Her hobbies are sailing, swimming, windsurfing, "... and ever since I've known I was going to appear in *Escort*, I've been trying out posing in front of a mirror. I tried a few out on my boyfriend, but he just rolled about laughing!"

Michaela

Lisa, 22. 35-24-36. "I liked doing the modelling, but if anyone comes into the shop where I work and recognises me, I'll be really embarrassed. No-one who knows me will believe I could do it, I'm really shy with men."

Helen, 33-23-34, 20. "I work in a fish-and-chip shop, and most of our regulars know I'm going to be in *Escort*. The boss says he's going to have the pictures pinned up where everyone can see them!"

Kathy

Kathy, 35-25-36, 25. "I've told nobody I'm doing this, and I hope they never find out, but I must say, I like to think of all the people who are going to be looking at me nude."

I never thought I was the type to fuck a mate's wife but then I met Carla and I didn't think about it, we just did it and we still do when the opportunity arises.

We sprang ourselves on her late and without warning one night when the pub grub was off. I felt bad about landing Jeff's wife the extra work at that time of night but I was hungry, so I didn't let it worry me too much once I had accepted Jeff's invite home.

"She must've fallen asleep in front of the telly, silly cow," said Jeff, pressing the bell loud and hard. To tell you the truth, I was nervous about meeting his wife under these circumstances, him pissed and me just as good as but when the door suddenly opened it was too late to run for cover.

I couldn't believe my eyes at first. There I was expecting some battle-axe in rollers but my expectations let me down in the most pleasant of ways, for there in a ground length next to nothing stood a gorgeous young thing, full bodied and ripe. I wasn't too pissed to notice her give me the once over as Jeff brushed his way past into the kitchen.

"Come in, come in. I'll catch my death standing around like this." She said smiling broadly knowing full well I could see through the filmy material that stood between us.

Finding my tongue, I introduced myself. "Pleased to meet you, Tom," she said closing the door behind me, "I'm Carla. I suppose you're one of Jeff's mates from the boozier. Thanks for bringing him back in one piece - for all

the good it'll do me!"

It dawned on me that she was looking for a shafting from Jeff that night but one look at him told her that he couldn't even raise her hopes never mind his cock.

"How about you?" she asked coyly. Looking up at me was the sweetest face framed by thick curls. "You hungry? I've got lots of tit bits if you'd like," she added. I told her I was ravenous. She giggled, I think she read my mind because the next thing I knew she was jutting her tits right under my nose. I could see her nipples clearly and as I stared, they stiffened.

Normally I would've resisted the urge to reach out for a feel but that night was different. Carla gasped and closed her eyes as my fingers took hold, first of one tit then the other. "Oooh Tom," she moaned, pressing herself against my hand. My cock was hard now but I had to stop all the same. "What about Jeff," I whispered, "won't he be wondering what we're up to?" I fancied his wife much more than I fancied a punch up so we straightened ourselves and headed for the kitchen.

My cock was aching to get out but I nursed it quietly as I followed Carla, spellbound by the curves of her arse rising and dipping as she moved.

When we saw that Jeff was slumped over the kitchen table, we couldn't believe our luck. Carla went over and poked him, shook him and called him but there was no reply, except for a constant and loud snore!

I was already half out of my clothes by the time we

reached the stairs. This was one hell of a horny girl. To my way of thinking, Jeff was out of his mind, leaving her at home nights while he went down the boozier. It was a sheer waste, still what was Jeff's loss was to be my gain!

She had me up against the wall. One hand working its way towards my dick while her other unbuttoned my shirt. My dick-head was already wet and when I felt her fingers slip round my cock, I let out a sigh of relief.

I had been months since I'd been with a woman but never have I had the luck to be with a doll like Carla. Voluptuous is the best word I can think of to describe her. She was pressing herself into my chest as she continued to play with my dick, stroking it then cupping by my balls and teasing my pubes. I held her tightly, kissing her face, biting the soft flesh of her neck as she wriggled against me, giving me the feel of my life.

Taking my hand, she led me upstairs and as I followed, I raised the hem of her nightgown so as I could see her legs. They were shapely and powerful looking and as I lifted the hem further I saw that she was wearing a G-string and poking out from either side of the string was a mass of dark pubes. I stuck my hand up and began to stroke in between her legs. She stopped mid-step and parted her legs so as I could get my fingers into her crack. She was wet and so was the G-string. She really arched her back and let me have a good feel up her fanny while she rolled her hips from side

to side. "I'm on heat, honey," she whispered and pressed her own hand over mine and made me rub her clit fast. Just when I thought she was on the verge of coming, I stopped and she let out a loud groan as her intense pleasure overtook her. With one hand on the bannister and the other up her crack she came, jerking and gasping. I had my face pressed up to her arse and began licking the juice that flowed from her cunt. "Oooh, that was so good. You didn't have to stop, you know," she said breathily... I come very easily but I come often." She smiled mischievously at me as we climbed the last few stairs to her bedroom.

I sat on the bed to undress while she went to the bathroom. By the time I was naked she had reappeared but gone was the nightdress and instead she was wearing some really sexy, white underwear and high heels. She gave me a twirl and stayed just out of reach. "Would you like me to strip for you?" she cooed, teasing me with a flick of a white boa she had wound round her arms. My throat had dried so I nodded eagerly and took my self in hand as she moved about the room, humming some tune to herself.

My cock hadn't felt so hard in living memory and I pulled on it slowly till it only had one place to go. Off came the lacey, half-cup bra she was wearing and as she shook her tits, she came close, allowing me to grab onto a nipple. I sucked hard and held her down over my lap. She sat astride me, her bare pussy lips rubbing over my cock as I rolled her stockings off her thighs. Then came the waspie, I unhooked it slowly letting her dangle those beautiful boobs of hers in my face. When she was naked, I laid her out on the bed and began to kiss her all over.

My cock arched out in front of me and she positioned herself in such a way so that she could lick it. At one point she had the entire length in her mouth, sucking and licking till I couldn't hold back much longer. She spread her legs wide as I pulled out of her mouth, and reached up to guide my cock into her pussy. "Do it to me, do me really hard," she begged.

I slipped in easily and felt our pubes mingle as I rose

over her, bucking my cock into her as full and as fast as I could. She writhed and wriggled under me, playing with her boobs, tweaking the nipples and moaning for me to fuck her hard.

Just as she wrapped her

legs round me and tightened her grip. I felt the spunk rise through my cock and rush out into her fanny and when it hit her, she began to pump me. The bed creaked and the windows shook. "I think we've come," Carla said

clutching me and laughing.

It was an incredible night but I didn't stay too long. Jeff had invited me round for something to eat in the first place but somehow I don't think he meant breakfast. T.B. Gravesend.

FANTASY SEXUALITY

The only light in the small, suburban front lounge comes from a flickering TV screen in the corner. On it, in close-up, a white girl is licking a black man's oversized penis to erection. Occasionally the view changes to show the girl being screwed simultaneously from behind by a white man. The only sounds in the room are orgasmic grunts and gasps which play over treacly background music.

Three couples slump in armchairs ranged in a semi-circle around the set, watching intently and sipping drinks. They are aged from late twenties to early forties. One woman wears a negligée, the other two are topless, the men are dressed only in underpants. A fourth couple, kneeling on the carpet to one side, are having intercourse.

They are both nude, the girl an attractive blonde with neat breasts and long flowing hair. She rests on all fours, her head down, jerking with the rhythmic thrusting of her partner, an older, pot-bellied man, who grips her thighs as he pumps his long, thin cock between the upraised cheeks of her rear.

A dark-haired young man glances at the couple on the carpet and turns to the woman in the negligée.

'Here, Margy,' he says, 'tell your husband to hurry up fucking my wife. He's monopolising her.'

'Oh let the dirty old bugger have his fun, Jeff,' the negligéed woman murmurs, eyes fixed on the TV. 'He doesn't get it off me.' Abruptly the pot-bellied man jerks backwards, freeing his cock which springs up swollen and glistening from the blonde's pussy.

As she grunts in surprise, the man paws at her naked hip, rolling her onto her back. He scrambles to her head, clutching his cock and pushing it towards her open mouth.

The girl reaches up to steady his shaft, extending her tongue and his

cock jerks convulsively. Sperm spurts thickly onto the girl's face. The man groans again and a second spurt splashes across the girl's naked breasts and trickles into her cleavage.

Panting, the man sits back then drags himself into his armchair next to the woman in the negligée. Breathing slower, the blonde reaches for a tissue and begins to dab the cooling sperm from her breasts.

'You *are* a dirty sod,' the negligéed woman says to the man, her eyes not shifting from the TV screen. 'What did you go and do it in her face for? Couldn't you even finish properly?'

The pot-bellied man frowns. 'I only wanted a lick. I got carried away.'

He begins to hump with a steady rhythm, while the woman winces and gasps

'And you didn't even say thank you.'

'That was great, Jackie,' the man calls to the blonde. 'Ace.'

The blonde grins wanly and licks her lips. She pulls a face.

'Here, your come tastes all savoury, Ted. You been feeding him too many quiches, Margy?'

The two topless women giggle. A fair young man gets to his feet.

'At last,' he grins. 'Room for one more on top, Jackie?'

'Oh Kev! give me a break,' the blonde cries, frowning.

'Come on,' her husband chimes in. 'Jackie's had three in a row. This evening's not just for her benefit, you know.'

'Yeah,' the fair man's wife snaps, 'there *are* other women here.' 'Why don't you give Margy a go, Kev?' says Jeff.

The woman in the negligée looks up

quizzically as Kevin glances at her. She's in her late thirties, plump but shapely with full, heavy breasts. The young man's face is blank for a second, then lifts.

'How about it then, Margy? Fancy seven inches of solid meat?' He grins, slipping his hand into the front of his underpants.

'He can be such a crude sod,' his wife murmurs to her companions.

'You'll have to ask my husband about that,' says the woman in the negligée. She casts a quick glance at the pot-bellied man who is now sipping a beer, his eyes on the TV.

'Here, Ted,' Kevin asks, 'do you mind if I fuck your missus?'

'What?' the pot-bellied man's eyes don't rise from the screen. 'no - go on - give her one for me.'

'Fantastic', says Kevin, grinning down at the older woman. He reaches out and takes her hand. 'Come on, love.'

For the first time unease flickers in the woman's eyes. 'Can't we go somewhere quieter?', she says.

Pulling her to her feet, the young man laughs. 'You know the rules, love. You're going to have to get that negligée off.'

The woman starts as he reaches down and jerks the material upwards, pulling it over her head. She blinks, breathing in, as she stands up nude.

'Fantastic body - great tits!' Kevin cries. 'You got nothing to be shy about, love.'

'Go easy, Kev,' says the blonde, still sitting on the floor. 'This is Margy's first time, remember?'

'Best to dive straight in then,' Kevin grins, tugging down his underpants. His cock, half erect, bobs up. 'Look! You got me going already.' His hand rises up to cup one of the woman's breasts.

Must be those tits. Better get down

herself being turned this way and that as the hands tried to gauge her size.

Five or six attempts later a hand came to rest on the front of Julie's panties and discovering them to be quite damp began to caress her there. Julie pushed her crotch forward, increasing the pressure and the hand tugged at her knickers until they rested at the top of her thighs. There were loud protests outside the curtain as time was called but immediately yet another set of hands appeared. These quickly touched Julie all over and finding her cunt bare, swiftly opened up her slit and began to rub her. For the last thirty second the hands flew up to the bra and expertly released the catch exposing Julie's titties.

Word soon got around the party that there was a naked girl to feel and the caresses got much more intimate. Julie found herself being finger fucked and had recognised that several girls had given her a feel and had enjoyed the more gentle approach they brought to the game.

This was certainly the case when a pair of black hands started work on her. Julie's breasts were caressed and cupped as if

Cocked hat

Escort knocks all the other mags into a cocked hat, pun not intended but ain't I clever anyhow! Ronnie and Heather had my balls aching for release. What about Heather though, what man between eighteen and eighty wouldn't love to poke their tongues up that unopened

cunt of hers. Just imagining it stretching wide as Heather guides me in all the way up to her belly, brings on a severe case of spillage. More, more, I want more and I threaten to keep buying *Escort* to make sure that I am not going to miss a sneak appearance of that platinum pussy. Okay so

it's not platinum but it looks pretty precious to me. Keep girls of Heather's calibre coming and *Escort* 'll stay tops. *David* (full name and address withheld by request), Surrey.

being weighed, her back was stroked down to her bum, over the hips, the waist and back to her tits.

Then the red painted nails gripped her nipples making Julie gasp with pleasure and finally her fanny was skillfully opened and her clitoris exposed. A few accurate strokes brought Julie to fever pitch and when two fingers disappeared up her love hole a terrific orgasm overwhelmed her. Her gasps and screams of ecstasy brought cheers from those outside the curtain and the few remaining competitors found Julie well lubricated.

When Julie was led to the main room for the judging, her bra and panties were completely removed and a tape measure was produced. Surprisingly few people got near her 34-22-36 figure, but two got it exactly and the result was decided by estimating the correct bra cup size. The winner was Sam who reckoned Julie's tits to be a "C" cup and everyone wondered what Sam would do with her prize. After a bit of thought Sam simply announced that she wanted to go to bed with Julie but after the party was over. Julie nodded her agreement

and the competition over, a group of men moved in and lowered her to a cushion on the floor. Julie relaxed, opened her legs and received the first of many cocks into her throbbing cunt.

All the time Julie was telling me her sexy story, Sam sat quietly, smiling every now and then. I really thought that I was in for an erotic threesome but Sam soon made it clear that she was strictly a lady's lady and wasn't interested in cock. I was however allowed to watch the two girls undress. I wasn't surprised to see that Julie had lost her bra and panties but I was truly astonished when Sam stripped her off. Not by the sight of her magnificent naked, black body but by seeing she wore a pair of latex rubber knickers which she ordered Julie to remove. Julie knelt in front of her, rolled the rubber over the other girl's hips and buttocks, then we both gasped when we saw that the knickers had an artificial prick moulded into the crotch.

As it was eased out of Sam's pussy, she made Julie lick the juices off. The sight of my girl's tongue so near that black and pink quim was beautiful but that was all I was permitted to see for Sam led Julie away to the bedroom leaving the scents of rubber and cunt for me to savour.

I wrote to you a year ago enclosing some photographs of my wife, Lisa now aged 43 and you

were good enough to publish these in *vol.5 no.3*. Then in a later issue you featured a letter from one of your Liverpoolian readers who said that he was attracted by the photographs and requested more. We are

on the carpet, love.'

He kneels, drawing the woman down with him. The blonde moves her long legs aside to make room.

Nervously the older woman lies on her back, breathing in deeply as Kevin immediately begins to massage her large, thick-nippled breasts, caressing the plump flesh with lips and tongue, plucking each nipple gently between his teeth.

'You can tell my husband's a tit man,' says the young man's wife, watching him. Her topless companion turns from the TV as Kevin slides a hand down between the older woman's thighs. His cock stands up, fully and thickly erect.

'Got a big one, hasn't he?' says his wife's companion, watching them.

'About all he has got,' the wife murmurs, smiling wryly as Kevin glances up at her.

'Christ!' he says. 'She's like a bloody swamp down here! What caused that, love - watching dirty movies or seeing hubby stick it up the lovely Jackie?'

'You *could* show a bit more finesse, Kev,' says the blonde sourly.

Kevin flashes her a bright smile. 'That's my middle name,' he snaps, spreading the older woman's legs.

She grunts as he climbs between them, clutching her behind the knees and bending them back against her stomach. The woman breathes faster as he nudges his crotch against hers, mingling their pubic hair. She reaches down for his erection, rubbing its tip against the swollen-lipped split of her sex.

'How old are you love?' he asks. The woman blinks and frowns. 'Forty-one, if it's any of your business,' she says.

Kevin glances over his shoulder at his wife. 'That's a record for me, isn't it, darling?'

'There was that girl at Barry's party,' she says. 'She was thirty-four - or so she said.'

'Oh yeah,' Kevin nods and manoeuvres his bulb between the woman's outer lips. She catches her breath. 'Well,' Kevin murmurs, 'let's try this for size -'

The woman gives a loud grunt as the young man thrusts forward, leaning forward over her upraised legs, his stiff shaft sliding deep into her vagina.

'Christ -!' she hisses.

'Oh yeah,' Kevin grunts, balls deep now, grinding his pubic bone against the woman's. 'Now *this* is a cunt and a half.'

He begins to hump with a steady rhythm while the woman beneath him winces and gasps. 'Is she nice?' the

MY SEXUAL FANTASY

young man's wife asks. He nods, varying the angle of his thrusts. 'Bloody good fuck,' he murmurs, breathing harder.

The wife twists in her armchair to watch more closely, ignoring the TV. Her hand slides down between her legs, into her knickers.

Noticing, her companion leans over.

back between her wide-spread legs.

'Don't worry, love,' says Jeff. 'Help is at end.' As the other man moves away he gets down beside the woman, gripping her hips and twisting her sideways. 'On your front, love,' he urges as she rolls, momentarily startled. 'I fancy fucking you from behind. See that lovely arse of yours.'

Swiftly he raises and parts her rear, lifting her broad thighs on either side of his pelvis. Without preamble he guides his cock between her damp and bloated pussy lips and pushes deep. She moans as he begins to hump hard and fast.

'I think she likes me,' the dark-haired man grins at the blonde.

'Keep the noise down!' calls a voice nearer the TV screen. But as the woman on the carpet moans to her climax, her panting joining that of the fat man's wife behind her, nobody takes the slightest notice...

'To be in a totally sexual situation, where hunky men can just have me when their fancy takes them! is a favourite day dream of Mrs M.S. who is in her early forties and writes from the Romford area. 'But I don't have any illusions about

some young superstud going crazy for me. I just know if I'm given half a chance I'll give him quite a surprise!'

Twenty-six-year-old Sarah T., who hails from the East Midlands, prefers to be totally in charge in her fantasies - up to point.

'I imagine I'm the wife of some fabulous Arab potentate. He's quite old and I don't really fancy him - he only married me because he wanted a presentable companion, and he's always jetting off around the world, so I hardly ever see him anyway.

'We have an agreement that I'm allowed to have anything I want - except a lover, because that would dishonour him and he'd divorce me instantly if I disobeyed. The result is I'm a very frustrated lady!

At first I just play with myself, but a cold plastic vibrator is no substitute for

"It's either a subtle hint for us to leave or we're in for one hell of a night."

'Let me do that, love,' she murmurs.

The wife removes her hand as the second woman reaches down, inserting her fingers beneath the knicker edge. The wife breathes in as a slow, fingering movement begins at her crotch.

'Be better with my tongue,' the companion says.

The wife settles back into her armchair, wriggling her knickers off, while the second woman kneels in front of her. In a moment the wife is breathing deeply and shudderingly, her companion's head buried deep between her thighs. But the wife's eyes are fixed on the couple on the floor.

The older woman is panting fiercely now, tossing her head from side to side as the young man humps more vigorously than ever, his eyes glazing. 'Jeff -' he hisses. 'Don't think - I can hold it - can you -'

The dark-haired young man turns from the TV. 'Sure,' he says, rising. He

real male flesh. So I plan a way to get round my husband's rules.

'I arrange for masseurs to be hired. They're all young and handsome with beautiful bodies and I make a couple of secret rules – which don't go in any of the advertisements – that they have to be well-endowed and have no objection to working in the nude. They also have to be very good at controlling themselves!

'I pick half a dozen of the best, then I give them more rules.

'The first is they must do everything I say. The second is that they are only allowed to touch me if I say. They're dismissed at once if they break either rule.

'Then I start my massage sessions. Every day I pick two of them and invite them up to my private bathroom. When the bath's run they undress me completely. When I'm naked they undress too. Then I climb into the bath and both of them soap me down and bathe me.

'No part of my body is forbidden to them. One might slowly soap each breast, paying special attention to my nipples, while the other gently massages foam into my pubic hair with a loofah. Then I might turn over and lift my bottom out of the foam so one can concentrate on each cheek, and the other carefully soaps my anus and my pussy lips and all my hairs.

'Its all done very slowly and gently, almost tenderly so that I'm put into the right relaxed state of mind and nobody gets carried away. Though, of course, no day goes by when I'm not faced by two very large and throbbing erections within minutes!

'Then, when I'm in the right mood, the session starts properly. My masseurs dry me with towels and I go into my bedroom and stretch out on a couch. Whatever happens next depends entirely on my whim.

'Sometimes I'll have a long and very sexy massage – front and back. And I won't object if one of them takes his time massaging my pubic bone, even if he seems to be putting the pressure on my clitoris. Nor will I make a fuss if the other seems to concentrate all his efforts on my breasts and my nipples.

'I'm fairly well turned on from the bath and it doesn't take long to get very excited indeed. Sometimes I'll feel myself starting to come and I'll send the boys away to finish on my own. Other times it happens so quickly I simply press the masseur's hand over my pussy while the spasms go through me.

MY SEXUAL FANTASY

'It's a while before I really trust them. One I warm to very quickly – he seems to have a special touch, especially with my clitoris. The first time he makes me come is an accident and I'm embarrassed afterwards (even though it makes no difference to the men!) But the second time I deliberately let him bring me off. When it happens, the

bath is huge! I kneel between them as one soaps my breasts and my pussy and the other strokes my back and my bottom.

'In a moment there's a very large erection nudging the cheeks of my bum and an even bigger one sticking up redly against my tummy.

'But this time I don't just take it all passively. I feel my nice-touch masseur start as I lean forward suddenly and kiss him very passionately on the lips, pressing my wet breasts against his chest and feeling the shaft of his cock dig into my pussy mound.

'For a second he freezes, then he starts to kiss me back. At the same time I reach behind and curl my fingers round the other masseur's stiff cock and start to wank it. The atmosphere changes instantly. Suddenly the others are straining forward and four monster erections are straining even more!

'I stop pretending my favourites are masseurs who happen to give me physical relief. I force them to act as if they're lovers, both make love to me at once. They don't massage my breasts – they caress them, they fondle them, running their lips and tongues over my nipples,

stroking my hot damp pussy, even slipping a finger between my pussy lips to massage me inside as well as out.

Then I'm lifted out of the bath, laid on the deep-piled carpet.

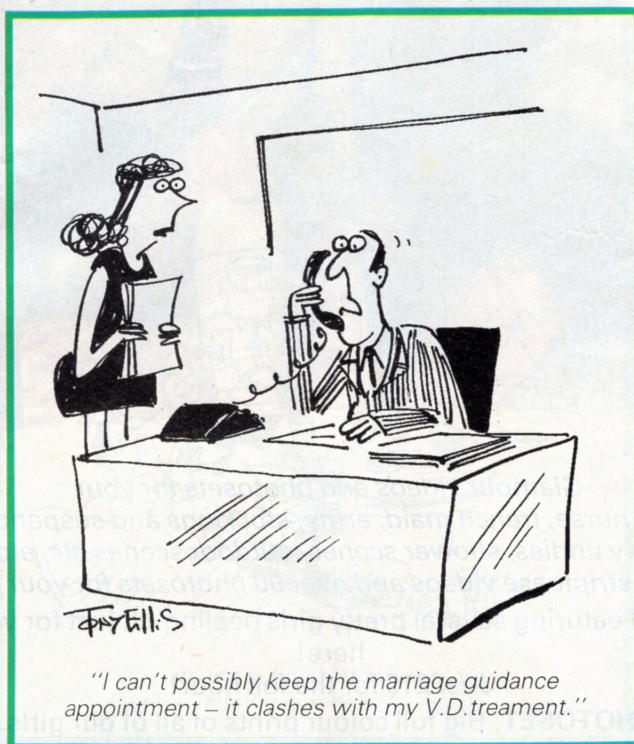

My nice touch man climbs between my legs. I start as the his cock nudges my pussy.

'Please – "I whisper. "I want you – forget all the rules – forget my husband – just do it – fuck me – fuck me as hard as you can –"

'And I groan as he starts sliding his shaft against me, squeezing my bursting clitoris with its hot length.

'Please – "I hiss. "Put it in me now! "I'm sorry, madam," my masseur says. "Your husband won't allow it."

'I gasp. My husband *knows!* And in that instant my climax tears through me and my masseur spurts and a rain of hot, sticky come spatters over my writhing body from all sides. ●

"I can't possibly keep the marriage guidance appointment – it clashes with my V.D. treatment."

other masseur, who is stroking my breasts, loses control and shoots his come all over me.

He's terribly apologetic but I tell him it's alright – I don't tell him the sight of his large penis spurting and the touch of his warm sperm spattering my neck and breasts turned me on even more!

'After that I grow much less inhibited and a lot more wicked! One day as my favourite is massaging me between the legs I reach up and lightly take hold of the other one's erection. I hold his hot, meaty shaft in my hand and I slowly wank it as I move towards my climax. Then, at the last minute, I lift my head and pop the big, salty-tasting tip into my mouth, just as he gives a tiny moan and his cock starts to jerk, gushing thick gouts of come between my lips.

'Another day I get tipsy at a reception where there are several really attractive men and I start to feel incredibly fruity, but of course I daren't do anything about

Reader's Letters

CONTINUED FROM PAGE 58

That night, Julie was to experience something special, a new height of sexual pelasure and is obviously eager to repeat it but fortunately she still craves cock and still thinks nothing can beat a good fucking. *A.G. (full name and address withheld by request), Cardiff.*

I'm Heather, fly me

What *Escort* has done for the British tourist trade, I would imagine, is just priceless. Not only are foreign readers picking up the mag' and seeing a variety of towns and country but they get a chance to see the real girls that inhabit this island.

In the brochures all you get are a handful of the same posed models, smiling seemingly having a whale of a time looking at a pile of old rocks. Now I do not want to diminish the great work done by travel agents in encouraging foreigners to our land but they should recognise that you, yes, you

Hairy Marie

With this letter is a picture I took of my girlfriend Marie. Her measurements are 37-26-36 and as you can see she has a very hairy pussy which she and I are very proud of.

Our most exciting sexual adventure happened last July at a party which turned into an orgy. At first nothing out of the ordinary was happening then suddenly a girl started to strip to the music. To cut a long story short, almost everyone ended up naked moving from one bedroom to another, exchanging their partner or partners.

I was in bed at one time with three girls who took it in turns to ride my cock. After a while I thought I would try to find Marie. She was in the next bedroom with four blokes, I watched from the door. Soon one of the girls I was with previously joined me and as we watched Marie

perform, she slowly wanked me while I in turn, massaged her pussy.

Marie was like an animal on heat and was somehow managing to keep all four men happy. I nearly shot my load when I saw her riding one guy - straddling him and at the same time the other three standing in front of her.

She had one prick in the mouth and one in each hand. She alternated between these three and eventually they began to come all over her face and tits. It was strange that they all began to shoot at the same time.

When we went home that night, she told me that she reckoned she had been fucked by six blokes and sucked at least seven off. I certainly believed her because when she undressed for bed, her hair was still full of spunk and her pussy was gaping and running with the stuff. I

didn't mind though because I had had my share that evening.

The next morning we talked about the night before and had a fantastic screw right there in the kitchen. Her cunt felt so open that I could put my entire hand up it but after a couple of days it returned to normal which was a relief to Marie.

Since then we've had a few threesomes and foursomes with friends but nothing has been as far out as that party. *S.J. (full name and address withheld by request), London.*

Escort play a part too in showing off British beauty spots to avid travellers.

Where else would one see Big Ben looking pretty phallic 'cept in *Escort*. Heather is a wonderful tour

guide and I am sure that she would make a fortune for some enterprising tour operator if they gave her a job. I can just imagine it, "On your left we can see the South Bank Arts complex

and now ladies and gentlemen if you look to the front, you'll see my lovely bum as I bend over and raise my skirts. I'm wriggling it around now and getting pretty wet so I suppose we must be going along the Embankment!"

That would definitely have the Japs playing with their equipment and the Bavarians slapping their thighs in hearty appreciation of the landmarks and beauty spots on offer in this marvellous country of ours.

I come from Leeds myself and am not often in London but after Heather's sight-seeing trip, I've promised myself an early spring visit.

My wife doesn't know I buy *Escort*, heaven forbid, I really do wish I could share my fun with her but she says that her "sexy days" are over and apart from letting me use her like some rubber doll, I have no real sexual relations with her or any other woman.

Escort does help, not always though cause it reminds me that there's a lot of tasty cunt out there and I'm not getting any of it. Sure it's not all down to the wife that we don't have a satisfying love-life, I've got to take some of the blame

Brill thrill

What a brill thrill *vol.6 no.1* is. What a way to start the year. Auntie and the ladies humping and pumping their marvellous bodies for us. If anything got rid of the festive tum, several rigorous workouts with your fabulous gym mistresses did the trick. I am now back in excellent form and I must say my cock is as sleek as it's ever been and is always up and about, especially when I

bring out this issue.

If Auntie, Georgie (and isn't she gorgeous now, I loved the pic on the back page, will I live till the next issue?), Sheila, Debbie and Karen aren't enough for any one man then anyone left standing has horny Heather, juicy Julie, caressable Karina and randy Rosie not to mention the bountiful supply of sexy ladies spread generously between

pages 50 and 56 to contend with.

For instance there's Marlene, what a lovely snatch she's got. I'd love to lick her all over before sticking my tongue all the way in between her lips and bringing her to a massive cum. Maxine too has massive tits, she would look great on all fours with them dangling down, or riding a cock so's they bounce all over the place. Susie's lovely, her tanned body is just how I like them, firm, full and smooth.

I do go on I know but there's a lot to go on about. If this is how *Escort* intends to dish up the goods over the coming year, then I'm all for it but I must say you'll have to keep your socks pulled up, Julia, to match the perfection of this issue.

I'm sure the team can do it. Yours, exhausted and delighted, *Jim, (full name and address withheld by request), Aberdour.*

for letting things slip but now we've come this far, we've been married 32 years, it's difficult to change those habits.

I'm satisfied after a good wank over *Escort* and must say that this month was especially satisfying and I'd like my wife to be too but when I mention sex, she

goes all limp on me. I have made a New Year's resolution though and that is to get her to orgasm 'cause I'm sure that if I give her a good time one of these nights or days come to that, she might rethink about her "sexy days" and want some of them back again.

Thank you *Escort*, I didn't mean to tell you all that, I just sort of spilled over the sides - thanks for listening and thanks for backing

British! *B.R.* (full name and address withheld by request), York.

Nature's call

I am 42 years old, 37-24-35 with masses of dark hair covering my fanny and arse. Anyway, my husband follows motor rallies and I went with him to watch one which lasted two days.

After dashing round the countryside, one often longs for home comforts like a bath and a decent loo. However to cut a long story short, I needed to go for a pee at one stage. No problem as we were in the middle of a forest together with fifty or so others. As I made my way into the trees, I spotted a youngish lad who was standing behind a tree peeing. Just watching him shake his plonker dry turned me on as he had not noticed me. Before he could come back through the trees, I found a small bush to go behind and noisily kicked some branches aside. I pretended not to notice him trying to hide behind his tree to watch me.

My legs felt like jelly as I turned my back on him and pulled down my jeans and pants and squatted down. At first I was nervous and only a few spurts came out. I stood up and from the corner of my eye, saw he was wanking himself. I could not stop myself now and squatting lower, fingered myself to a massive orgasm. When I finished, the lad had quietly sneaked away so I went over to the tree and saw his spunk dribbling

Georgie girl

I am a pretty recent reader and have tried to get my hands on as many back issues as possible but of course there are black holes in my collection that I doubt will ever be filled.

I've tried your back numbers department and although they were extremely kind and helpful they were unable to supply me with the most popular vintage issues.

Still, I like to see new girls appear and, if they're popular, make second and third appearances. I like to keep track of their progress and it's because of such a girl that I've written this letter, the first I've ever

Witch way

Last halloween I was going round to my girlfriend's house after a few drinks in a nearby pub. I knocked on her door and as it opened, I nearly collapsed with shock for standing there in the doorway was Donna wearing a long black cloak, mask and witches hat. The cloak was open and I could see she was wearing stockings and suspenders. The effect was fantastic. "Trick or treat", she asked, needless to say I took the treat. We went upstairs and I fucked her as she was, mask, hat and everything! Of course everything was so exciting that we came quickly and

with a lot of noise. *T.C.* (full name and address withheld by request), Wilts.

down the tree. I went home that day feeling drained. I'm eagerly awaiting the next event. *Carol* (full name and address withheld by request), York.

Hire-a-hunk

My live-in boyfriend and I are extremely highly sexed. We buy most monthly magazines, have videos and enjoy threesomes. John is 34 and I'm 29 and we met four years ago at a singles group. Both of us have been married before and we were both "caught out" with other partners.

I have had many exciting experiences but here's one for starters. John has always fancied a friend of mine but up until recently I turned down his suggestion to ask her if she fancied some fun. The funny thing was it was

her who approached me. I have known her 12 years now and we have a lot in common including liking a good fuck.

She simply asked me if she could borrow John one evening. I told her that he fancied fucking her anyhow and that I had no objection as long as I could watch. She agreed as we've watched each other fuck many times in our younger days when we went out on dates in foursomes.

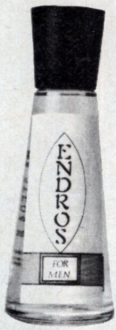

I told John about it and we arranged for her to come round on a Saturday night. We watched a video which aroused us all and then we retreated to the bedroom.

She said that she was close to coming again and told John to fuck her hard. "Ride me boy," she said, "give it to me, harder, harder, let me feel your balls hitting my arse." She called out to John who was really giving it to her. I nearly fell off my stool as I brought myself to climax.

"Fill my cunt with spunk," she urged and John replied by lunging into her, pumping his sperm all the way home. As he withdrew, his come began seeping out of her hole. Jane soon pulled up her panties saying that she wanted to keep as much of it in her as possible.

So off she went in her wet knickers. It wasn't to be the last time either but after their first night together, John and I fucked through the night and into the morning - yawn! *R.B.* (full name and address withheld by request), S. Yorkshire. ●

HAIR LOSS?

FREE TREATMENT BOOKLET

Can YOUR hair loss be stopped? Hauser Laboratories an internationally famous Swiss Hair Care Clinic believes the answer is almost certainly YES. We can say this with confidence because Hauser Laboratories have successfully treated hair loss for over 25 years in 33 countries.

Only genuinely effective treatment can build such a long established and respected reputation – and without doubt the Hauser treatment has stood the test of time because IT WORKS. This reputation is founded on the fact that, unlike other treatments, the Hauser treatment is clinically formulated by experienced professional trichologists. The treatment has been researched and analysed under laboratory conditions, and constantly improved, to provide an unequalled standard of professional hair care. Evidence of the treatments success comes not only from grateful users throughout the world, but also from independent dermatologists, trichologists and respected medical opinion.

This unique and proven Hauser treatment is now available for the first time in the UK. No one concerned about their hair condition should ignore it. Our illustrated free booklet describes in detail the research conducted into male hair loss by the Hauser trichologists. We explain how the results of this research were used to formulate specific treatments suitable for all stages of hair loss. And most importantly we explain exactly how the treatment can work for YOU – and how improvements in hair and scalp condition can often occur literally within days of starting treatment.

You are under no obligation when requesting your free booklet which will be forwarded confidentially under plain cover. Please ask for your free booklet today by simply quoting REF ES 1 when telephoning our 24hr Ansaphone service, or write to HAUSER UK at the address below.

THE BLOND NEXT DOOR

NOT FOR SALE TO PERSONS UNDER 18

HOT RACKETS

NOT FOR SALE OR RENTAL TO PERSONS UNDER 18

E1 VISTA VALLEY PTA

High school jinks. A new teacher joins the school and is shocked by the antics of the students. Sex in the classroom, in the gym, prostitution, night patrols and enough kinky sex to turn on even the new teacher who eventually relents to a good old fashioned gang-bang.

E2 THE BLOND NEXT DOOR

Barry discovers a unique cologne when he seduces 'Cindy' an innocent 'girl next door' virgin. With the cologne he discovers he is irresistible to women. His usually frigid secretary cannot get her pants off fast enough, his sister's best friends fall the same day. To maintain his supply of cologne, he must continue to satisfy Cindy's appetite-all of which we see + Cindy in action with super studs, Lesbians & a variety of fantasy situations.

E3 HOT RACKETS

Tennis players do it with deeper strokes? The answers in "Hot Rackets". The sexiest most expensive adult movie ever made. It starts with the women's changing room and lesbian antics and moves on into the homes of the wealthy, where the strokes get longer and deeper and sexier. Its where the action starts with lesbianism, high jinks and a lot more besides.
