4th Delphi International Psychoanalytic Symposium 23–28 July 1996 – Delphi, Greece

Announcement of the Psychoanalytic Association (Study Group of the IPA) and the University of Patras. The theme of the Symposium is “Adult Sexuality or Sexual Preference and the Oedipus Complex”. A central goal of the Symposium is to reassess the importance of the Oedipus Complex for contemporary psychoanalytic theory in view of the emergence of other key concepts. Speakers include Otto Kernberg, Charles Hanly, Harold Blum, Richard Friedman, Charles Socarides, Hanna Segal, Michael Parsons, Andre Green, Julia Kristeva, Pentti Ikonen and Osamu Kitayama. *Address:* Eleni Vouga, Department of Psychiatry, University of Patras, 26500 Rion-Patras – Greece, Fax: (0621) 994534.
