13:30-14:30	Muhlbock Lecture				
14:30-15:00	Coffee Break				
15:00-17:00		Symposium Receptor signalling	Symposium Gene expression and cancer	Symposium Diagnostic and predictive molecular markers	
17:00-18:00	Plenary Lecture Cancer stem cells				
18:30-20:00	Opening Reception (exhibition opens)				

Sunday, 6 July 2008

Auditorium Lumière	Forum 1	Salon Pasteur	Amphithéâtre Pasteur
--------------------	---------	---------------	----------------------

08:00-08:50		Educational Lecture Virus and cancer	Educational Lecture Biomarkers	Educational Lecture Drug Design	Poster Viewing 10:00 - 17:30 Exhibition 09:45 - 17:30
09:00-09:45	Plenary Lecture Microenvironment				
09:45-10:15	Coffee Break				
10:15-12:15		Symposium Cell death pathways	Symposium Canceromics	Symposium Mouse Models	
12:15-13:45	Lunch				
12:45-13:45		Young Cancer Researcher's WS Fellowship	12:15-13:45 Satellite Symposium Wyeth	12:15-13:45 Satellite Symposium available	
13:45-14:35	Award Lecture Young Cancer Res.				
14:35-16:05	Presidential Sessions	Presidential Sessions			
16:05-17:30	Coffee Break / Poster Defence				
17:30-18:30	AICR Lecture Metastasis				
19:00	General Assembly				

Monday, 7 July 2008

Auditorium Lumière	Forum 1	Salon Pasteur	Amphithéâtre Pasteur
--------------------	---------	---------------	----------------------

08:00-08:50		Educational Lecture Angiogenesis	Educational Lecture Drug screening	Educational Lecture Antibody engineering	Poster Viewing 10:00 - 17:30 Exhibition 09:45 - 17:45
09:00-09:45	Plenary Lecture Metabolism				
09:45-10:15	Coffee Break				
10:15-12:15		Symposium Invasion and metastasis	Symposium DNA Repair	Symposium Genetic epidemiology	
12:15-13:45	Lunch				
12:45-13:45		Young Cancer Researcher's WS Pharmaceutical	12:15-13:45 Satellite Symposium Applied Biosystems	12:15-13:45 Satellite Symposium available	
13:45-14:35	Award Lecture Anthony Dipple Carcinogenesis				
14:35-16:35		Symposium Cancer metabolism	Symposium Immune system and cancer	Symposium Molecular pathology	
16:35-17:35	Coffee Break / Poster Defence				
17:30-18:30	Plenary Lecture Inflammation and cancer				
	Conference Dinner				

Tuesday, 8 July 2008

Auditorium Lumière	Forum 1	Salon Pasteur	Amphithéâtre Pasteur
--------------------	---------	---------------	----------------------

08:00-08:50		Educational Lecture DNA repair as drug target	Educational Lecture What is epigenetics	Educational Lecture Data analysis	Poster Viewing 08:00 - 12:30 Exhibition 08:00 - 12:30
09:00-11:00		Symposium New targets	Symposium microRNAs	Symposium Aging and cancer	
11:00-12:30	Coffee Break / Poster Defence				
12:30-13:15	Award Lecture Carcinogenesis Young Investigators				
13:15-14:15	Mike Price Lecture				
14:15-14:30	Closing Ceremony
