**Winner of the Cell Press/EACR 40<sup>th</sup> Anniversary Special Commendation:** Anchit Khanna, Finland

### **The Carcinogenesis Awards**

Administered and generously sponsored by Oxford University Press

The Carcinogenesis awards are presented every two years at the EACR conference. The Anthony Dipple Carcinogenesis Award is for major contributions to research in the field of carcinogenesis and will be presented at EACR-20 to Robert Weinberg.

The Young Investigator Award is for recent, significant contribution to carcinogenesis research by an investigator under the age of 40 and has been awarded to Victor Velculescu.

### **Pezcoller – EACR Poster Awards**

The Pezcoller Foundation has offered generous support for the best poster during the EACR 20 Meeting. Awards for three best posters will be presented during the meeting. Members of the Scientific Committee will nominate an award winner on Sunday, Monday and Tuesday.
