Phone: 538.57.90, Telex: 22773.

MEMORIAL SLOAN-KETTERING CANCER CENTER SYMPOSIUM ON THE DIAGNOSIS AND TREATMENT OF BONE TUMORS

17-18 November 1979, at Memorial Hospital, New York, N.Y.

Experts in the various disciplines will present the latest available information on the pathology, radiographic diagnosis, scintigraphic imaging and the management of the patient with benign and malignant bone tumors at various stages of the disease. Also explored will be the importance of the modern interdisciplinary approach in the treatment.

Attendance is open to physician only. There will be a \$200 registration fee with advanced registration mandatory due to limited space availability.

This continuing medical education activity meets the criteria for 13 credit hr in Category 1 of the Physician's Recognition Award of the American Medical Association.

For further information write to: A. G. Huvos, M.D., Symposium Coordinator, Memorial Hospital, New York, N.Y. 10021, U.S.A.
