HORMONE MANIPULATION IN THE THERAPY OF HUMAN MALIGNANT DISEASE

Rush Medical College and the Rush Cancer Center will sponsor an International Symposium on the subject "Hormone Manipulation in the Therapy of Human Malignant Disease" in Chicago, 15–16 April, 1980. The symposium will be held as a special tribute to Dr. SAMUEL G. TAYOR III, one of the most distinguished oncologists in the U.S. and the first director of the Section of Medical Oncology at Rush Medical College. An outstanding local, national and international faculty will contribute to the program.

For further information contact Harold A. Paul, M.D., Associate Dean (312) 942-6917 or write Office of Continuing Education, Rush Medical College, 600 S. Paulina, Chicago IL 60612, U.S.A.
