

Announcements

Fellowships in medical oncology are available in the Department of Medicine, Institut Jules Bordet, Brussels. They offer a comprehensive 2-year training in clinical oncology including general medical oncology, hematology, chemotherapy, new drug investigation and supportive care of cancer patients. Extension of the fellowship for 3rd year to be spent in clinical investigation is possible. The Department of Medicine functions in close cooperation with the Department of Radiotherapy and Surgical Oncology.

Candidates should have 2-year training in general internal medicine before applying.

Applications should be sent to:

J. Klastersky, M.D.
Professor and Chief of
Internal Medicine,
Institut Jules Bordet,
1000 Bruxelles, Belgium.
