

## Announcement

---

### 9th INTERNATIONAL SYMPOSIUM OF THE JOURNAL OF STEROID BIOCHEMISTRY

*Recent Advances in Steroid Biochemistry*  
(21–24 May 1989, Las Palmas, Canary Islands, Spain)

*Scientific Organizing Committee:*  
Adlercreutz H., Helsinki, Finland  
Gurpide E., New York, U.S.A.  
Jensen E. V., Zurich, Switzerland  
Kellie A. E., London, U.K.  
Martini L., Milan, Italy  
Munck A., Hanover, U.S.A.  
O'Malley B. W., Houston, U.S.A.  
Raynaud J.-P., Paris, France  
Pasqualini J. R., Paris, France

THE 9th International Symposium of the Journal of Steroid Biochemistry 'Recent Advances in Steroid Biochemistry', will be held in Las Palmas (Canary Islands, Spain) from 21 to 24 May 1989. The following topics will be considered:

1. Steroid receptors and gene expression
2. Steroids, anti-steroids, growth factors and cancer
3. Diet and steroid metabolism and action (including calcium and vitamin D)
4. Steroids and the central nervous system
5. Steroids and the immune system
6. Steroids and menopause

Lectures (approximately 25–30) will be by invitation of the Scientific Organizing Committee and in addition there will be a poster section. All poster presentations will be subject to selection by the Scientific Organizing Committee and abstracts (maximum 200 words) must be addressed to Dr J. R. Pasqualini by 18th January 1989 (postmark) at the latest (original + 9 copies). The total number of participants will be limited to 150. For further details please contact:

*General information:*

Dr J.R. Pasqualini  
C.N.R.S. Steroid Hormone Research Unit,  
Foundation for Hormone Research,  
26 Boulevard Brune, 75014 Paris, France  
Tel.: (33)(1)45.39.91.09

*Local information:*

Dr B.N. Diaz-Chico  
Colegio Universitario, Dept Physiol.,  
Apdo. 550, 35080 Las Palmas,  
Canary Islands, Spain  
Tel.: (34)(28)31.41.74
