## **International course on advances in radiotherapy**

**16–18 March 1994**  
**Chelsea, London, U.K.**

**Chairpersons:** Ph. Mayles, A. Nahum, D. Thwaites  
**Session titles:** Dosimetry and biology, 3D planning and conformal therapy, quality assurance and verification

**For further information contact:** Dr Philip Mayles, Royal Marsden Hospital, Downs Road, Sutton SM2 5PT, U.K.  
**Tel:** (44 81) 642 6011  
**Fax:** (44 81) 643 3812

## **Quality of life research in cancer clinical studies**

**Danish Cancer Society**  
**20–23 March 1994**  
**Copenhagen, Denmark**

**Chairpersons:** N.K. Aaronson, S. Kaasa  
**Session titles:** Concepts and definitions, study design, data management issues, methodological issues, data analysis and reporting

**For further information contact:** Danish Cancer Society, Strandboulevarden 49, 2100 Copenhagen, Denmark  
**Tel:** (45) 35268866  
**Fax:** (45) 35264560

## **Advanced courses in plastic surgery: head and neck cancer**

**23–24 March 1994**  
**University of Glasgow, Glasgow, U.K.**

**Chairpersons:** D. Soutar, N. Waterhouse, W. Reid, M. Brough, M. Milling, N. Breach  
**Session titles:** Diagnostic and prognostic factors in head and neck cancer, management of the neck, salivary gland tumours, oropharyngeal tumours, rehabilitation, tumour involving facial bones

**For further information contact:** Mrs H.C. Roberts, British Association of Plastic Surgeons, Advanced Courses in Plastic Surgery, 35–43 Lincoln's Inn Fields, London WC2A 3PN, U.K.  
**Fax:** (44 71) 831 4041

## **Spring meeting of the German Society for Virology**

**23–26 March 1994**  
**Frankfurt, Germany**

**Chairperson:** H.W. Doerr  
**Session titles:** General and medical virology  
**For further information contact:** Dr H. Rabenau, Institute for Virology, Univ. Kliniken Frankfurt, Paul-Ehrlich-Str. 40, 60596 Frankfurt, Germany  
**Tel:** (49 69) 63015312  
**Fax:** (49 69) 63016477

## **Radioisotope therapy**

**25 March 1994**  
**London, U.K.**

**Chairpersons:** V.R. McCready, C.L. Harmer  
**Session titles:** Radiotherapy using radioisotopes, radioantibody therapy, radiotherapy of thyroid cancer and liver tumours, radiotherapy of skeletal metastases, radioisotope therapy in neuroblastoma, future prospects for radioisotope and other, novel therapies

**For further information contact:** The Manager, Education and Conference Centre, The Royal Marsden Hospital, Fulham Road, Chelsea, London SW3 6JJ, U.K.  
**Tel:** (44 71) 352 8171  
**Fax:** (44 71) 351 2191

## **Fine needle aspiration cytology of the breast**

**28–29 March 1994**  
**Queen's Medical Centre, Nottingham, U.K.**

Held at the Queen's Medical Centre, in conjunction with the British Society for Clinical Cytology, this course is structured around lectures and workshops which includes teaching slide sets on all aspects of screening and symptomatic breast cytology. Faculty includes lecturers from all the major training centres. Course is IMSL accredited.

## Second central European conference on lung cancer: lung cancer biology and clinical aspects

13–16 April 1994

Cankarjev Don, Cultural and Congress Centre, Ljubljana, Slovenia

**Chairpersons:** Janez J. Orel

**Session titles:** Lung cancer, biology, immunology, epidemiology, screening, staging, pathology, cytology, early detection, diagnostic methods, imaging, endoscopy, surgery, radiotherapy

**For further information contact:** Janez Orel, Medical Centre Ljubljana, Dept of Thoracic Surgery, Zaloska 7 61105 Ljubljana, Slovenia

**Fax:** (386 61) 1316 006

## Modern brachytherapy techniques

ESTRO

10–14 April 1994

Tübingen, Germany

**Chairperson:** A. Gerbaulet

**For further information contact:** ESTRO Office, University Hospital St. Rafaël, Radiotherapy Department, Capucijnenvoer 35, 3000 Leuven, Belgium

**Tel:** (32 16) 336413

**Fax:** (32 16) 336428

## Breast cancer screening: practical aspects

The European Group for Breast Cancer

18–21 April 1994

Stresa, Italy

**Chairperson:** E. Roebuck

**Session titles:** Theoretical aspects of breast cancer screening, target groups, breast disease, benign breast changes, DCIS, screening in practice: outline of techniques, workshops for radiologists, pathologists and surgeons, assessment of abnormalities, illustrative case discussions

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

## Testicular germ cell cancer

Danish Cancer Society

1–5 May 1994

Copenhagen, Denmark

**Chairperson:** H. von der Maase

**Session titles:** Epidemiology, pathology, pathogenesis and classification, molecular and cell biology, staging procedures, prognostic factors, management of stage I–II seminoma, role of lymphadenectomy

**For further information contact:** Danish Cancer Society, Strandboulevarden 49, 2100 Copenhagen, Denmark

**Tel:** (45) 35268866

**Fax:** (45) 35264560

**Skin cancer and melanoma**  
European School of Oncology  
4-8 May 1994  
Vienna, Austria

**Chairpersons:** A. Kulakowski, R. Mackie, H. Pehamberger

**Session titles:** Melanoma and non-melanoma skin cancer, vascular tumours including Kaposi's sarcoma, cutaneous lymphomas, tumours of the skin appendages, common, congenital and dysplastic nevi, surgical controversies, immunotherapy, chemotherapy, radiotherapy

**For further information contact:** ESO Vienna, c/o Arztekammer für Wien, Fortbildungsreferat, Weihburggasse 10-12, 1010 Vienna, Austria

**Fax:** (30 1) 7250072

**Advances in breast cancer**  
The Columbia Presbyterian Medical Center in collaboration with the European School of Oncology  
19-20 May 1994

**Columbia Presbyterian Medical Center, New York, U.S.A.**

**Chairpersons:** K. Antman, D.W. Kinne, U. Veronesi

**Session titles:** Pathology of breast cancer, biological behaviour and management option of DCIS, breast reconstruction, adjuvant and palliative radiotherapy, adjuvant chemotherapy, treatment of advanced disease

**For further information contact:** Mrs Ester Modell, CME Office Columbia Presbyterian Medical Center, New York, U.S.A.

**Tel:** (1 212) 7915990

**Fax:** (1 212) 7816047

**Multi-disciplinary course on breast cancer screening**  
6-8 June and 28-30 November 1994  
City Hospital, Nottingham, U.K.

**Session titles:** Radiological, clinical and pathological aspects of breast cancer screening theory and practice

**For further information contact:** Mrs Lynn Jordan, Business Manager, Nottingham National Breast Screening Training Centre, City Hospital, Hucknall, Nottingham NG5 1PB, U.K.

**Tel:** (44 602) 691689

**Fax:** (44 602) 627707

## **British Oncological Association 9th Annual Meeting**

**10–12 July 1994**  
**Guildford, Surrey, U.K.**

**Chairperson:** T. McMillan

**Session titles:** Symptom, control, economics and quality of life in anticancer treatment, clinical trials in the NHS, the importance of dose intensification in chemotherapy, "hot" topics in radiation research, familial predisposition to common cancers, controversies in G1 tract cancer

**For further information contact:** Meeting Secretariat, BOA 1994, Congress House, 55 New Cavendish Street, London W1M 7RE, U.K.

**Tel:** (44 71) 4860531

**Fax:** (44 71) 935 7559

## **Radiation physics for clinical radiotherapy**

**ESTRO**

**4–8 September 1994**

**Leuven, Belgium**

**Chairperson:** H. Svensson

**For further information contact:** ESTRO Office, University Hospital St. Rafaël, Radiotherapy Department, Capucijnenvoer 35, 3000 Leuven, Belgium

**Tel:** (32 16) 336413

**Fax:** (32 16) 336428

## **Sarcomas**

**European School of Oncology**

**5–7 September 1994**

**Vienna, Austria**

**Chairpersons:** A. Azzarelli, A. van Oosterom, C. Zielinski

**Session titles:** Molecular and cellular biology of STS, diagnosis and staging systems, new concept of radical surgery, new experiences for limb salvage, surgery of inoperable lesions and low grade lesions of the trunk, metastasectomy for sarcomas

**For further information contact:** ESO Vienna, c/o Arztekammer für Wien, Fortbildungsreferat, Weihburggasse 10–12 1010 Vienna, Austria

## **Educational forum on leukaemia**

**Haematology Department of the Bergamo Hospital in collaboration with the European School of Oncology**

**5–8 September 1994**

**Bergamo, Italy**

**Chairperson:** T. Barbui

**Session titles:** Etiology and epidemiology, cytogenetics, molecular approach to haematological disease, therapeutic strategies in AML, the role of ATRA in APL, costs and availability of resources, therapeutic strategies in CML and CLL, immunotherapy of leukaemia, new drugs for CLL, bone marrow transplantation, transfusion supporting therapy in oncohaematology

**For further information contact:** Dr P. Viero, Ospedali Riuniti Bergamo, Largo Barozzi 1, 24128 Bergamo, Italy

**Tel:** (39 35) 2694-90/92

**Fax:** (39 35) 269667

## **Molecular biology for oncologists**

**ESMO**

**11–15 September 1994**

**Monte Venità, Switzerland**

**Chairperson:** M. Fey

**For further information contact:** ESMO Secretariat, Via Soldino 22, 6903 Lugano, Switzerland

**Tel:** (41 91) 575411

**Fax:** (41 91) 575544

## **Lung tumours: current status and future directions**

**Medical Oncology Group of Australia in collaboration with the European School of Oncology**

**16–18 September 1994**

**Sydney, Australia**

**Chairperson:** R. Stuart-Harris

**Session titles:** The variety of lung tumours, establishing a diagnosis, biology of lung tumours, controversies in non-small cell lung cancer, mesothelioma and rare lung tumours, investigational and palliative treatments, controversies in small cell lung cancer, prevention and social issues

**For further information contact:** Medical Oncology Group of Australia, the Secretariat, P.O. Box 2609, Sydney N.S.W., Australia 200

## **Gynaecological oncology**

**European School of Oncology and Free University Hospital of Amsterdam**  
**18–23 September 1994**  
**Amsterdam, The Netherlands**

**Chairpersons:** J. Aalders, J. Vermorken

**Session titles:** Fundamental principles, diagnostic aids and staging, tumours of the vulva and cervix, uterine tumours, ovarian carcinomas

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## **Molecular, genetic and preventive aspects of breast colon and prostate cancer**

**Strang Cancer Prevention Center and Cornell University Medical College in collaboration with the European School of Oncology**

**22–23 September 1994**

**Rockefeller University, New York, U.S.A.**

**Chairpersons:** M.P. Osborne, U. Veronesi

**Session titles:** Molecular genetic basis of cancer risk, moral dilemmas of predicting cancer, breast, colon and prostate cancer

**For further information contact:** ESO New York, c/o American Italian Foundation for Cancer Research, 872 Madison Avenue, New York, U.S.A.

**Tel:** (1 212) 6289090

**Fax:** (1 212) 5176089

## **Medical oncology**

**European School of Oncology and Istituto Europeo di Oncologia**  
**26–30 September 1994**  
**Milan, Italy**

**Chairpersons:** M. Aapro, M.H. Bronchud

**Session titles:** Cancer biology, mechanisms of action and pharmacology of cytokines, drug resistance, bladder, renal, testicular and prostatic cancer, cancer epidemiology and risk factors, cancer prevention and early detection, breast cancer, ovarian, cervix and endometrial cancer, lung cancer, principles of radiation therapy

**For further information contact:** European School of Oncology, Via Venezian, 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## **Fourth tutorial on haematopathology**

**European School of Haematology**  
**26–30 September 1994**  
**London, U.K.**

**Chairpersons:** D. Catovsky, G. Flandrim, J. Diebold, D.Y. Masson

**For further information contact:** European School of Haematology, Centre Hayem, Hôpital St Louis, 71 av. Claude Vellefaux, 75010 Paris, France

**Tel:** (33 1) 42066540

**Fax:** (33 1) 42411470

## **Apoptosis or programmed cell death**

**European School of Haematology**  
**2–5 October 1994**  
**Kinsale, Ireland**

**Chairpersons:** F. Bachman, G. Lowe, J. Loscalzo

**For further information contact:** European School of Haematology, Centre Hayem, Hôpital St. Louis, 71 av. Claude Vellefaux, 75010 Paris, France

**Tel:** (33 1) 42066540

**Fax:** (33 1) 42411470

## **Breast cancer**

**European School of Oncology and Istituto Europeo di Oncologia in collaboration with EUSOMA and Memorial Sloan–Kettering Cancer Center, New York, U.S.A.**

**3–5 October 1994**

**Milan, Italy**

**Chairperson:** U. Veronesi

**Session titles:** Chemoprevention of breast cancer, management of non-palpable breast lesions, technical aspects of surgical treatment, live surgery section, risk factors and management of breast recurrences, management of regional lymph nodes, breast reconstruction, high dose chemotherapy, new frontiers in endocrine treatment

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## Retinoids and cancer

European School of Oncology  
4-6 October 1994  
Paris, France

**Chairpersons:** L. Degos, D. Parkinson

**Session titles:** Biological actions of retinoids, pharmacology and side effects, natural and synthetic retinoids, retinoids as differentiating agents, chemoprevention of tumours with retinoids, potential synergisms with other biological response modifiers

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923  
**Fax:** (39 2) 2664662

## Palliative care of cancer patients

Danish Cancer Society  
9-13 October 1994  
Copenhagen, Denmark

**Chairpersons:** O.S. Nielsen, V. Ventafidda

**Session titles:** Philosophy of palliative care and teamwork, strategy for drug treatment of pain, adjusting to a poor prognosis, nausea and vomiting, palliative radiotherapy, terminal care and hospice, effective communication, anxiety and depression, dysphagia, delirium, corticosteroids, brain metastasis, education and training, role of the nurse, palliative care services

**For further information contact:** Danish Cancer Society, Strandboulevarden 49, 2100 Copenhagen, Denmark

**Fax:** (45) 35264560

## Plastic reconstructive surgery in oncology

Istituto Nazionale Tumori, Milan and European School of Oncology  
13-15 October 1994  
San Servolo Island, Venice, Italy

**Chairperson:** A. Grisotti

**Session titles:** Skin cancer, breast reconstruction, chest wall reconstruction, genitalia reconstruction

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923  
**Fax:** (39 2) 2664662

## Basic clinical radiobiology

ESTRO  
16-20 October 1994  
Prague, Czech Republic

**Chairperson:** G.G. Steel

**For further information contact:** ESTRO Office, University Hospital St. Rafaël, Radiotherapy Department, Capucijnenvoer 35, 3000 Leuven, Belgium  
**Tel:** (32 16) 336413  
**Fax:** (32 16) 336428

## Treatment of breast cancer, colorectal cancer and lymphoma

The Israel Medical Association, Albert Einstein College of Medicine, Montefiore Medical Centre of New York and Jewish Hospital of St. Louis in collaboration with the European School of Oncology  
17-20 October 1994

Herzlia, Israel

**Chairpersons:** E. Robinson, P. Wiernik

**For further information contact:** The Northern Israel Oncology Center, Rambam Medical Center, Bat Galim, Haifa 35254, Israel  
**Tel:** (972 4) 517581/527473  
**Fax:** (972 4) 514481

## Good clinical practice

European School of Oncology  
18-20 October 1994  
Vienna, Austria

**Chairpersons:** M. Aapro, H.G. Eichler

**Session titles:** Why do we need GCP? EC regulations and GCP, GCP international (FDA, Japan, EC, ICH), roles and responsibilities of the investigator/sponsor ethics, commitment, informed consent, protocol deviations, violations, errors, drop cuts, what industry expects from the investigator, reporting side-effects, drug approval process

**For further information contact:** ESO Vienna, c/o Arztekammer für Wien, Fortbildungsreferat, Weihburggasse 10-12 1010 Vienna, Austria

**Tel:** (43 1) 51501280  
**Fax:** (43 1) 51501240

## **The role of radiotherapy in the management of cancer**

**ESTRO**

**23–27 October 1994**

**Athens, Greece**

**Chairperson:** T. Lanberg

**For further information contact:** ESTRO Office,  
University Hospital St. Rafaël, Radiotherapy  
Department, Capucijnenvoer 35, 3000 Leuven, Belgium  
**Tel:** (32 16) 336413  
**Fax:** (32 16) 336428

## **Medical decision-making in oncology**

**European School of Oncology**

**24–26 October 1994**

**San Servolo Island, Venice, Italy**

**Chairpersons:** R. Zittoun, H. de Haes

**Session titles:** Building a decision tree, quality of life in decision-making, evaluation of clinical trials, decision making at the patient level, health care policy in oncology

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## **Cancer clinical trials (advanced level)**

Jointly organised by ESO and EORTC in collaboration with BODMA, CKVO, CTC, DVMD, FNCLCC, MRC, SAC

**24–28 October 1994**

**Brugge, Belgium**

**Chairperson:** K. Vantongelen

**Session titles:** Clinical trial versus standard treatment, how to translate an interesting question into a clinical trial, the role of statistics, the protocol, trial methodology, the nurse's role, aspects of trial monitoring in the institute, trial results: interpretation of published results, meta-analysis, cost and impact: GCP aspects, priorities in cancer clinical trials

**For further information contact:** ESO Brussels, Av. E. Mounier 83, 1200 Brussels, Belgium

**Tel:** (32 2) 7724621

**Fax:** (32 2) 7726233

## **Head and neck tumours**

**European School of Oncology in collaboration with "Oral Oncology"**

**24–28 October 1994**

**Origlio Country Club, Lugano, Italy**

**Chairpersons:** C. Scully, F. Chiesa

**Session titles:** Principles of head & neck oncology, diagnosis and treatment planning, oral cavity and oropharynx, paranasal sinuses, larynx and hypopharynx, salivary gland tumours, prevention of head & neck tumours, discussion of clinical cases

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## **Scientific writing**

**European School of Oncology in collaboration with the EACR and the EJC**

**29 October 1994 (before the XVI UICC Congress)**  
**New Delhi, India**

**Chairperson:** M. Price

**Session titles:** The publisher, the managing editor, the clinical journal editor, the scientific journal editor, referee, scientists

**For further information contact:** European School of Oncology, Via Venezian 18, 20133 Milan, Italy

**Tel:** (39 2) 70635923

**Fax:** (39 2) 2664662

## **Continuing medical education, breast disease—current issues**

**7 November 1994**

**Nottingham City Hospital, Nottingham, U.K.**

This multi-disciplinary update course, held at the City Hospital, will address current aspects of breast screening and breast disease management, as well as lessons learnt so far from the NHS Breast Screening Programme, including progress reports on Associated Clinical Trials.

**For further information contact:** Mrs Lynn Jordan, Business Manager, Nottingham National Breast Screening Training Centre, City Hospital, Nottingham NG5 1PB, U.K.

## Immunotherapy in cancer, lymphoma and leukaemia

### European School of Haematology

14–17 November 1994

Hôpital St. Louis, Paris, France

**Chairperson:** W. H. Friedman

**For further information contact:** European School of Haematology, Centre Hayem, Hôpital St. Louis, 1 av. Claude Vellefaux, 75010 Paris, France

**Tel:** (33 1) 42066540

**Fax:** (33 1) 42411470

## Cancer epidemiology

### Danish Cancer Society

20–24 November 1994

Copenhagen, Denmark

**Chairperson:** E. Lynge

**Session titles:** Population and health care system as the basis for death and cancer registration, diagnostic classifications used in death and cancer registrations, WHO data bank on mortality data, trends in different cancers (colorectal, lung, breast, cervical, prostate cancers), study design, case-control studies, cohort studies, examples of ongoing studies

**For further information contact:** Danish Cancer Society, Strandboulevarden 49, 2100 Copenhagen, Denmark

**Tel:** (45) 352 68866

**Fax:** (45) 352 64560

## EWOC 4

22–27 January 1995

Méribel, Mottaret, France

**Session titles:** Molecular genetics of cancer, high dose chemotherapy and ABM rescue, haematopoietic growth factors and biological response modifier, primary medical therapy, lung cancer, head and neck cancer, new drugs, developments in radiotherapy, lymphomas, urological and testicular tumours, new approaches to cancer therapy

**For further information contact:** EWOC 4 Secretariat, c/o FECS, Division of Oncology, U.H. St. Rafaël, Kapucijnenvoer 33, 3000 Leuven, Belgium

**Tel:** (32 16) 336427

**Fax:** (32 16) 336423
