

Erratum

Erratum to “Measuring the clinical response. What does it mean?”
[European Journal of Cancer, 38 (2002) 1817–1823][☆]

P. Therasse^{*}

EORTC Data Center, Av. E. Mounier, 83/11, 1200 Brussels, Belgium

The Publisher regrets that the wrong percentage is shown on page 1820, right-hand column, in the sixth bullet point. It should read as follows:

- Partial response status is defined when the sum of the longest diameters of all target lesions has decreased by 30% or more.
