

Announcement

The European Society of Surgical Oncology (ESSO) announces 7 fellowships of 2500 Euro each for the Workshop FECS/AACR/ASCO on “Methods in Clinical Cancer Research”, to be held in Flims (Switzerland) 19–25 June, 2004.

The meeting is an intensive workshop for European Junior Clinical Oncologists (EJSO) of all disciplines to learn the essentials of clinical trials design: information technology, data analysis, and other aspects in the scientific approach to basic and applied research into oncology. These seven fellowships will be granted to junior surgical oncologists under training or practising in the first year as specialists. A year free ESSO mem-

bership including the EJSO subscription will be offered to the selected candidates.
