Retraction notice

Retraction notice to: Antisense treatment of IGF-IR enhances chemosensitivity in squamous cell carcinomas of the head and neck [European Journal of Cancer, Volume 46, 2010, 1744–1751]

Shiguo Liu ^a, Fengling Jin ^b, Wuxing Dai ^{a,*}, Yongfeng Yu ^c

^a Tongji Medical College, Huazhong University of Science and Technology, China

^b Medical College, Jingchu University of Technology, China

^c Shanghai Chest Hospital Affiliated to Shanghai JiaoTong University, China

This article has been retracted at the request of the authors and/or the Editor-in-Chief.

Reason: The results of the paper, presented in Figures 2A and 2B ('Effect of IGF-IR [S]ODN treatment on signalling path-

way activation in SCCHN cells...'), cannot be replicated by the authors. Therefore, they wish to retract the paper as their results cannot now be validated.
