Corrigendum

Corrigendum to “Can allogeneic peripheral blood stem cells be safely cryopreserved for use in patients undergoing transplant” [Eur. J. Cancer 47 (S1) (2011) S648]

M. Patel, M. Webber

University of Birmingham, Bone Marrow Transplant Centre, Birmingham, United Kingdom

Please note that the order of authors is incorrect in the published version of this abstract. The first author is M. Patel as stated above, and not M. Webber.
