

Dynamics and Statistics of Concentrated Vortices in Turbulent Flows

Erratum

Some regrettable mistakes have affected the publication of the Special issue of the European Journal of Mechanics-B/Fluids, 17, n° 4/98

1 - The four Guest Editors of this Special issue are:

Stephane Le Dizès

Alberto Verga

Keith Moffatt

Patrick Huerre,

And not Stephane Le Dizès alone as erroneously stated on the cover of the issue.

2 - The title of this special issue is “**Dynamics and Statistics of Concentrated Vortices in Turbulent Flows**”.

3 - The preface of this special issue has been written by **H. K. Moffatt** (and not Moffat)

In order to avoid any future confusion when one of the articles of this special issue will be cited it should appear as follows:

[1] Authors, Title of the Article, in: Le Dizès S., Verga A., Moffatt K., Huerre P. (Eds), Dynamics and Statistics of Concentrated Vortices in Turbulent Flows, *Eur. J. Mech., B/Fluids*, 17, pp-pp.

We apologize to Drs. Le Dizès, Verga, Moffatt and Huerre for these errors and ask our readers and potential authors to please take note of the above changes.
