This article has been retracted at the request of the Editor-in-Chief.

Reason: The aforementioned paper carries numerous instances of directly copied text from a previous paper published in 2001 in Journal of Medicinal Chemistry 44 (2001) 4359–4369:

[1,2,4]Triazino[4,3-a]benzimidazole Acetic Acid Derivatives: A New Class of Selective Aldose Reductase Inhibitors

The paper published in 2010 by Sahoo and Behera directly copies substantial quantities (practically the entire paper) of the original published by Settimo et al.

The 2010 paper should therefore be removed for reasons of excessive and direct plagiarism.
