Erratum to: Eur J Nutr
DOI 10.1007/s00394-011-0277-1

In the original publication of the article, incorrect figure was placed as Fig. 5. The correct figure is reproduced below:

Fig. 5 Effects of OBE on the expression of Nrf2 and NF- κ B in the heart (a) and the liver (b). For quantitative analysis, the expression of these proteins was normalised against the expression of β -actin in the heart (c) and the liver (d). Values are mean \pm SEM, $n = 3$. Means without a common letter differ, $P < 0.05$. C cornstarch diet-fed rats, CO cornstarch diet + OBE-fed rats, H high-carbohydrate, high-fat diet-fed rats, HO high-carbohydrate, high-fat diet + OBE-fed rats

The online version of the original article can be found under doi:10.1007/s00394-011-0277-1.
