

## Titanocene(II)-Promoted Cross-Coupling of Unsaturated Compounds

Akitoshi Ogata,<sup>[a]</sup> Masami Nemoto,<sup>[a]</sup> Koutarou Arai,<sup>[a]</sup> Kenji Kobayashi,<sup>[a]</sup>  
Akira Tsubouchi,<sup>[a]</sup> and Takeshi Takeda\*<sup>[a]</sup>

**Keywords:** Allylic alcohols / Cross-coupling / Conjugated dienes / Metallacycles / Titanium

*Inadvertently, errors occurred regarding the author names of references [4b,4c] in the original article.<sup>[1]</sup> The correct refs.<sup>[4b,4c]</sup> are given below.*

*The Authors*

[1] A. Ogata, M. Nemoto, K. Arai, K. Kobayashi, A. Tsubouchi, T. Takeda, *Eur. J. Org. Chem.* **2006**, 878–880.
