Courses

The University of Geneva Dental School, Switzerland. Residency: 4-year postgraduate programme in orthodontics leading to a Certificate in Orthodontics fulfilling the Swiss Society requirement for the Specialty of Orthodontics and the European Erasmus Report recommendations. The programme combines clinical and theoretical teaching in orthodontics as well as the completion of a research thesis. The language of instruction is

French. A knowledge of English is compulsory at a proficiency level. Two years' clinical experience in general dentistry or in other fields of dentistry are required for entering the programme. Previous research experience would be considered an asset.

Start of programme: 1 October 1999

Deadline for application: 15 March 1999

Contact: Ms Dorothée Eckstein, Department of Orthodontics, University of Geneva Dental School, 19 rue Barth.Menn, CH-1211, Geneva-4, Switzerland.

Tel: +41 22 38 29 141; Fax: +41 22 781 12 97.
