

Apology

It has come to the attention of the Editor that part of the data of the article 'The rate and the type of orthodontic tooth movement is influenced by bone turnover in a rat model' by Carlalberta Verna, Michel Dalstra and Birte Melsen published in *European Journal of Orthodontics* (Vol. 22, pp. 343–352) had previously been published in *Ortognatodonzia Italiana* (Vol. 9, pp. 199–204) in Italian. The similarities between the articles are sufficient to necessitate copyright acknowledgement to *Ortognatodonzia Italiana*. Retrospective copyright permission has been obtained from *Ortognatodonzia Italiana*. Where appropriate *Ortognatodonzia Italiana* should be cited as the original source of publication.
