

## Erratum

# Erratum to “Role of bradykinin B<sub>1</sub> receptors in diabetes-induced hyperalgesia in streptozotocin-treated mice” [Eur. J. Pharmacol. 457 (2002) 115–124]<sup>☆</sup>

Bichoy H. Gabra, Pierre Sirois\*

*Institute of Pharmacology of Sherbrooke, School of Medicine, University of Sherbrooke, Sherbrooke, PQ, Canada J1H 5N4*

The Publisher regrets that in the above-mentioned article, the following was erroneously printed.

In Section 2.3.2, *Assessment of nociception*, lines 3–4 should read, “... mediated by C and A $\delta$  nociceptors ...”

In Section 3.2, *The hot plate test*, third paragraph, lines 3–4 should read, “... (200, 400 and 600  $\mu\text{g kg}^{-1}$  i.p.) ...”

In the sections mentioned below, “hyperlagesia” should read *hyperalgesia*:

- Section 2.5, *Statistical analysis*, line 6;
- Section 3.2, *The hot plate test*, second paragraph, line 7, third paragraph, line 2;

- Section 3.3, *The tail flick test*, second paragraph, line 5, third paragraph, line 15.

In the Reference list, the article by Simard et al. (2002) should be: “Simard, B., Gabra, B.H., Sirois, P., 2002. Inhibitory effect of a novel bradykinin B<sub>1</sub> receptor antagonist, R-954, on enhanced vascular permeability in *type 1* diabetic mice. *Can. J. Physiol. Pharm. (in press)*.”
