In Table 1 under “PON1,” the “J.A. Humbert et al., 1970” reference about fish-odour syndrome is incorrect. It should be R. Humbert et al., 1993, and this reference had been inadvertently left off the list of references at the end of the review: Humbert, R., Adler, D.A., Disteche, C.M., Hassett, C., Omiecinski, C.J., Furlong, C.E., 1993. The molecular basis of the human serum paraoxonase activity polymorphism. *Nat. Genet.* 3, 73–76.
