

CORRIGENDUM

Söling, H. D. and A. Seck, Precursor specific inhibition of hepatic gluconeogenesis by glisoxepide, an inhibitor of the L-aspartate/L-glutamate antiport system (1975) FEBS Letters 51, 52–59.

The authors would like to make the following correction to their article:

p. 57, fig.2 legend, line 3 *should read*:

that the concentration of aspartate was only 0.1 mM. Reaction temperature 30°C. B) Same experiment as in (A), but the concentra-

instead of:

that the concentration of aspartate was only 0.1 M. Reaction temperature 30°C. B) Same experiment as in (A), but the concentra-
