Answer from Muromtsev's group

Aleksei V. Babakov*

All-Russia Institute of Agricultural Biotechnology, Timiryazevskaya ul. 42, 127550 Moscow, Russian Federation

Received 26 October 1994

Our paper in FEBS Lett. 351 (1994) 243–245 contains incorrect citation of some works from Prof. Ballio's group (specifically Aducci, P. et al. (1980) *Planta* 118, 208–210), which was

completely inadvertent. For this we offer prof. Ballio our deep formal apologies.
