FEBS 20099

Erratum to: Topological analysis of the ATP-gated ionotropic P2X₂ receptor subunit (FEBS 19946)

[FEBS Letters 425 (1998) 19-23]¹

Gonzalo E. Torres, Terrance M. Egan, Mark M. Voigt

Department of Pharmacological and Physiological Science, St. Louis University School of Medicine, St. Louis, MO 63104, USA

The authors have pointed out that the word 'ionotropic' was wrongly spelled in the title, although it appears correctly in the text. Furthermore, the text 'revised version received 16 February 1998' should be omitted: no revision of the manuscript was required. The publisher apologises to authors and readers for these errors.
