

Erratum

Erratum to: Diabetes and the role of isoprenoid biosynthesis
(FEBS 26337)
[FEBS Letters 525 (2002) 169–170][☆]

Emile G. Bliznakov*

Biomedical Research Consultants, 2821 North Course Drive (H-205), Pompano Beach, FL 33069, USA

First published online 8 October 2002

In the last stages of the production process, after the author's proof had been returned, an unfortunate error occurred. A wrong address was published. The correct address is given above.
