

BIOGRAPHICAL DATA

Name: Yoshio Ban

Address: 2-21-9 Maihama, Urayasu-shi, 279 Japan

Birth: April 15, 1921 in Tokyo, Japan

Education:

1942 - 1945 Pharmaceutical Institute, Medical Faculty,
Imperial University of Tokyo (Bachelor's Degree)
1955 Ph. D. Imperial University of Tokyo (Old Education System)
1955 - 1956 Postdoctoral Fellow, University of California, Berkeley,
under the Direction of Professor W. G. Dauben

Professional:

1948 - 1956 Instructor, Medical Faculty, University of Tokyo
1956 - 1957 Associate Professor, Faculty of Medicine, Hokkaido University
1957 - 1985 Professor, Faculty of Pharmaceutical Sciences, Hokkaido University
1985 - Professor Emeritus, Hokkaido University
1985 - 1987 Professor, Graduate Course of Pharmaceutical Sciences, Toho University
1987 - 1991 President, Hokkaido University

Visiting Professorship:

1966 Nagoya University
1973 Chiba University
1974 Nagoya University
1978 Tokyo Institute of Technology
1983 Hiroshima University
1983 Chiba University

Awards:

1963 Academic Award of Pharmaceutical Society of Japan
1963 - 1969 Grant Award, Public Health Service, National Institutes of Health, U.S.A.
1969 Grant Award, Toray Science Foundation
1974 Grant Award, The Mitsubishi Foundation
1975 Meritorius Award in Pharmaceutical Affairs, Hokkaido District Government
1984 Japan Academy Prize
1992 Special Award in Synthetic Organic Chemistry

Activities

in Scientific

Societies:

1981 - 1982 Pharmaceutical Society of Japan, President
1972, 1974 Vice-President, Honorary Member since 1990
1989 - 1991 International Society of Heterocyclic Chemistry, President

- 1981 - 1984 French-Japanese Society of Medical and Fine Chemistry, The Executive Representative of Japanese Side
- 1981 - 1982 The Society of Synthetic Organic Chemistry, Japan Director, Honorary Member since 1993

Editorial and

Advisory Boards:

- 1973 - 1994 Heterocycles
- 1988 - 1994 Medicinal Research Reviews
- 1991 - 1994 Natural Product Letters
- 1963 - 1989 Journal of Heterocyclic Chemistry

Activities in

Scientific

Foundation:

- 1969 - 1994 A Member of Directory Board, The Naito Foundation (through Membership of Reviewal Committee and Council)
- 1987 - 1994 A Member of Directory Board, The Akiyama Life Science Foundation
- 1987 - 1994 A Member of Council, The Uehara Memorial Foundation
- 1993 - 1994 A Member of Directory Board and Council, The Supporting Committee, The National Science Museum

A Counsior of Reviewal Committee, Student Theses on the Ultramodern Technique of the Latest Science under the Auspices of "The Japan Industrial Journal=Nippon Kohgyo Shimbun"
