J.R. Pierce. "Proceedings or Transactions? (Correspondence)." 1955 *Transactions on Microwave Theory and Techniques* 3.4 (Jul. 1955 [T-MTT]): 52-53.

Questions frequently arise in Editorial Board discussions and among the reviewers of Proceedings papers as to what should be published in the Proceedings of the IRE and what should be published in the various Transactions. This statement will not settle the matter, but it does clarify the present situation and speculate about future possibilities.
