*"Message from the Editor (Jan. 1956 [T-MTT])." 1956 Transactions on Microwave Theory and Techniques 4.1 (Jan. 1956 [T-MTT]): 1-1.*

This month we are pleased to feature Mr. André G. Clavier as our eminent microwave personality. His many contributions are well known to most members. His editorial speaks for itself. Included in this issue is a list of the members of the professional group. We hope that this will be an annual feature of the January issue.
