## A Novel Broad-Band Balun (Correspondence)

---

*J.H. Craven. "A Novel Broad-Band Balun (Correspondence)." 1960 Transactions on Microwave Theory and Techniques 8.6 (Nov. 1960 [T-MTT]): 672-673.*

Broad-band baluns have recently become the subject of renewed interest, particularly those suitable to couple spiral or planar log periodic antennas to the commonly used coaxial lines.
