Higher Waveguide Modes by Positive Definite SOR (Computer Program Descriptions)

M. Beaubien and A. Wexler. "Higher Waveguide Modes by Positive Definite SOR (Computer Program Descriptions)." 1971 Transactions on Microwave Theory and Techniques 19.10 (Oct. 1971 [T-MTT]): 839-840.

The program locates fundamental and higher mode cutoff wavenumbers and generates discrete field data. In addition, mode impedances and attenuation coefficients due to wall loss are calculated.
