## Automatic Rieke Diagram Drawing System (Short Papers)

---

*Y. Kosugi and Y. Naito. "Automatic Rieke Diagram Drawing System (Short Papers)." 1972 Transactions on Microwave Theory and Techniques 20.12 (Dec. 1972 [T-MTT] (1972 Symposium Issue)): 852-855.*

The development of a system which provides power-constant loci on a Smith chart automatically is presented. The system consists of phase shifters terminated with p-i-n diodes, and a network analyzer.
