## President's Message--Microwaves of the 70's

---

*J.B. Horton. "President's Message--Microwaves of the 70's." 1973 Transactions on Microwave Theory and Techniques 21.12 (Dec. 1973 [T-MTT] (1973 Symposium Issue)): 746-746.*

J. B. Horton, President of G-MTT, in his keynote address at the 1973 G-MTT International Microwave Symposium, outlined three directions which G-M TT and the microwave industry should take for future growth. A summary of his talk is presented below.
